\*\*\* On your registration form, you may list an alternate session in case you think your first choice may become full (i.e., under 'SESSION' put '1<sup>st</sup> choice, session 1, 2<sup>nd</sup> choice, session 4'). If you do this, YOU MUST INCLUDE A SELF-ADDRESSED STAMPED ENVELOPE so you know which session student assigned.

### CLASS INCLUDES:

1. 30 HOURS OF CLASSROOM TIME.
2. 6 HOURS OF ON-ROAD DRIVING. Street driving is not done during the classroom times. Street driving does not begin until the student has completed class, turned 15 and obtained a permit. Student will be assigned a driving instructor when classroom time is completed and will be contacted about driving by the assigned driver. Instructors drive students throughout the year. Evening and weekend appointments are available, and usually are divided into two 3 hour sessions or three 2 hour sessions. It is recommended that the student spend as much time driving with a parent after he/she receives a permit so that the 6 hours with the instructor is spent on improving skills and doing around town and highway driving.
3. **PROOF OF PARTICIPATION.** Upon completion of the class AND student turning 15 (if he/she is not already 15), student will receive documentation that he/she has been enrolled in a drivers' education program. **THIS PAPERWORK EXPIRES 6 MONTHS FROM THE DATE OF COMPLETION OF CLASS SO STUDENT MUST OBTAIN HIS/HER PERMIT WITHIN THAT TIME FRAME OR THE CLASS WILL HAVE TO BE REPEATED. It is the responsibility of the student to retain this documentation.** Student takes paperwork to the Department of Motor Vehicles, at which time he/she takes the written permit test. Upon passing, student's picture is taken and the permit issued. Permit test NOT given in class.

**IF YOU WOULD LIKE CONFIRMATION OF ENROLLMENT, ENCLOSE A SELF-ADDRESSED, STAMPED ENVELOPE. YOU CAN ASSUME THE STUDENT IS ENROLLED IN THE CLASS UNLESS YOU ARE OTHERWISE INFORMED FROM THE DRIVERS' ED OFFICE.**
