*** On your registration form, you may list an alternate session in case you think your first choice may become full (i.e., under 'SESSION' put '1st choice, session 1, 2nd choice, session 4'). If you do this, YOU MUST INCLUDE A SELF-ADDRESSED STAMPED ENVELOPE so you know which session student assigned.

CLASS INCLUDES:

1. 30 HOURS OF CLASSROOM TIME.

2. **6 HOURS OF ON-ROAD DRIVING.** Street driving is NOT done during the classroom times. *Street driving does not begin until the student has completed class, turned 15 and obtained a permit.* Student will be assigned a driving instructor when classroom time is completed and will be contacted about driving by the assigned driver. Instructors drive students throughout the year. Weekend appointments are available, and usually are divided into two 3 hour sessions or three 2 hour sessions. It is recommended that the student spend as much time driving with a parent after he/she receives a permit so that the 6 hours with the instructor is spent on improving skills and doing around town and highway driving.

3. **PROOF OF PARTICIPATION.** Upon completion of the class, the DMV will be notified that Student has completed the drivers' education program, using the e mail address which was provided on the registration form. The DMV will then respond with an e mail confirming participation and providing Student with a Customer ID #. **STUDENT MUST GO TO THE DMV TO OBTAIN A PERMIT WITHIN 180 DAYS FROM THE DATE OF COMPLETION OF CLASS.** If not obtained within this timeframe, class will have to be repeated. Student will take a written permit test AT THE DMV and if Student passes, the permit will be issued. **Permit test NOT given in class.**

IF YOU WOULD LIKE CONFIRMATION OF ENROLLMENT, ENCLOSE A SELF-ADDRESSED, STAMPED ENVELOPE. YOU CAN ASSUME THE STUDENT IS ENROLLED IN THE CLASS UNLESS YOU ARE NOTIFIED BY THE DRIVERS' ED OFFICE.
