April Koebert

Can't find a resource?
Call us — we are here to help.

Information Literacy:

The District Library & Visual Media Services supports the “Standards for the 21st Century Learner” developed by the American Association of School Libraries.

We Deliver Trunks and StarLab!

Mission Statement:

The District Library & Visual Media Services promotes student achievement by serving the information needs of administrators, faculty, staff, students, and the community with the highest quality educational resources available.

RESOURCES TO HELP STUDENTS ACHIEVE — DISTRICT LIBRARY & VISUAL MEDIA SERVICES

How We Can Help You:

The District Library & Visual Media Services delivers a variety of resources directly to your school and to your desktop. Our website contains direct access to full-text ebooks, databases, the library catalog, and visual media collections. Be sure to bookmark our website on your computer: <http://www.cherrycreekschools.org/DLVMS>

Collaborations:

- **Current Awareness** — Table of contents and articles from top journals delivered to your desktop.
- **Interlibrary Loan Service** — We can help you borrow resources from almost any library in Colorado.
- **Preview Books** — Publisher-supplied books help school libraries build their collections at no cost.
- **Reference and Research Assistance** — We can help you retrieve that hard-to-find information.

Connections:

- ALA Great Web Sites for Kids
- AskColorado 24/7 Virtual Reference
- Colorado Virtual Library
- C(olorado) U(niversity) 4 K12 Educator Resources
- Discovery Education Streaming
- Internet Public Library
- NetTrekker

In support of excellence and equity, we sponsor the purchase of **Britannica Online** for all elementary schools and the **OCLC/EBSCO Statewide Database Package** for all secondary schools.

Collections & Resources:

- **Classroom Collection** — A variety of books, games, kits, and models to supplement instruction.
- **eBooks** — Includes full-text titles to view online. Check often for new titles.
- **Educational Journal Collection** — Scholarly journals and periodicals on the latest research and trends.
- **Multicultural Trunk Collection** — Gives students a “hands-on” experience of other cultures around the world.
- **Professional Collection** — Covers all facets of education and the newest titles.
- **Professional Development Databases** — Education Research Complete, Academic Search Premier, Teacher Reference Center, and a host of other full-text databases.
- **STARLAB Portable Planetarium** — Brings the wonderful world of astronomy to the classroom.
- **Tests & Assessments Collection** — Supports the testing needs of early childhood, mental health, nursing, and speech-language professionals.
- **Visual Media Services Collection** — 14,000 videos, DVDs, and kits to enhance instruction and staff development.
