

School Closure

When schools are closed to students due to adverse weather conditions teachers are not expected to report to their assigned buildings. The Board of Education may reschedule workdays not held through a revision of teacher calendars. The Superintendent or designee is responsible for communicating any calendar revisions in a timely manner.

Approved by Superintendent, Richard P. Koeppel, September 13, 1982.

Revised by Superintendent, Mary F. Chesley, July 1, 2009.
