

Student Teachers

To insure a productive experience for student teachers, the following guidelines will be followed:

- A. Building Principals concerned will make final decisions regarding:
 - 1. Those teachers or teams willing and competent to direct the work of student teachers.
 - 2. The program and schedule of student teaching to be followed in the case of each student teacher.
- B. No teacher will have a student teacher under his/her supervision unless the cooperating teacher has the amount of experience the college of the student teacher mandates as necessary.
- C. Each prospective cooperating teacher may accept or decline a student teacher's placement. The teacher will receive the request to supervise a student teacher at least three weeks prior to the commencement of the assignment unless circumstances warrant otherwise.
- D. The cooperating teacher will be paid, in addition to his/her contract salary, the total amount of money received from the sponsoring college or university.
- E. Student teachers will not be given full class responsibility without the cooperating teacher being available for supervision. A student teacher cannot be used as a substitute teacher.
- F. Supervision of a student teacher will be credited toward professional growth under the provisions of Policy 4130.
