

Attendance of Children of Employees

1. Attendance of Children of District Teachers Who Are Not District Residents

Due to the passage of HB 94-1065, "Choice Within Public Schools," priority of placement within the District schools will be given to children of District teachers on a space available basis before other non-resident students.

2. Additional Provisions

The terms of this Policy will continue in full force and effect unless changed through the negotiations process as set forth in Policy 4135.

If any provision of this Policy is found contrary to law, then such provision will be deemed null and void, but all other provisions or applications thereof will continue in full force and effect.

Upon mutual agreement, this Policy may be renegotiated in whole or in part at any time during the life of this Policy.

Any additions, deletions or revisions to this Policy will be distributed to those affected, and be in effect after ratification by the Association membership and adoption by the Board.

Neither the recognized Association nor the Board can refuse to renegotiate this policy at the next requested round of negotiations, following the timeline set forth in Policy 4135, if this policy is included in the request. If the issues are unresolved as a result of the negotiations using all relief provided in Policy 4135, the provisions will remain in effect (except as provided elsewhere in this section) through the remainder of teachers' annual contract year.

In the event of a reduction of school funds, the Board must, by law, adopt a salary schedule commensurate with its ability to fund future budgets. Therefore, in the event of any reduction, negotiations will be reactivated on economic matters related to teachers' salaries and fringe benefits, and any policy concerning economic items that has been adopted will have to be modified commensurate with the funds available.
