

What is Ethnic Fest?

Each year the Creek community comes together to celebrate the incredible diversity of our school and society. Once again this year, Ethnic Fest will give us the opportunity to learn about various cultures of the world through food, performances, and activities. So come to Ethnic Fest to spend a night filled with friends, good food, and great entertainment!

Youth Advisory Board

The Youth Advisory Board (YAB) is a leadership and community service club that strives to make a difference in CCHS and the greater community. As a club, we participate in school activities by sponsoring both Red Ribbon Week and Ethnic Fest as two of our biggest projects. We also work to contribute to our community by volunteering at places including the Ronald McDonald House and Children's Hospital. If you would like to make a difference while developing your leadership skills, it's never too late to join! YAB meets every other Monday in the West Resource Center. For more information, go to the Activities Office in IC.
