

# Senior Pictures Specifications

Seniors,

It is finally time for you to start thinking about all of the things you need to do and get to do as a senior! Most importantly for the summer, though, is to get your Senior Portrait taken for the 2011-12 school year. This is a great way to commemorate that moment in your life where you are nearly done with this stage in life.

When you get your picture taken, make sure that you submit a copy of it to the Wings yearbook staff to be placed in the senior section of the yearbook.

Portraits (submitted on CD only!) and the \$5 handling fee are due to Ms. Wagner in Rm. W354 by Friday, September 30, 2011. Senior pictures will also be collected at the yearbook table during Senior Check-In in August.

Remember: No paper prints will be accepted. In order for the picture to work, it needs to be submitted in the following format:

- Digital files should be 300 dpi
- .jpeg files
- Named in the following format: lastname\_firstname.jpg
- Only one file on the disc

A list of preferred photographers can be found under the EHS Yearbook link on the Eaglecrest High School web site and also included in the Junior Mailer packet. Please consult that if you are looking to schedule a sitting.
