

EXPULSION PROGRAM
1820 S. Joliet Street
Aurora, CO 80012
720-747-2870

Mission Statement

The purpose of Expulsion Program (EP) is to provide quality Mathematics and English education for expelled students who reside within the Cherry Creek School District.

Admission & Attendance

Once expelled, the student and parents schedule a meeting with the EP faculty to learn about the program's academic and behavior policies. Students earn the privilege of continued enrollment in the EP by complying with its rules, district policy, and the superintendent's requirements for early re-admission candidates. The latter may include mandatory UAs, counseling, and/or substance education or treatment.

When the expulsion term expires, students enroll in their designated Cherry Creek School. Early re-admission candidates have their status evaluated by the home school and the EP staff several weeks prior to the superintendent's target date. If approved, early re-admission students return to their home school on probationary status.

Students who cannot attend the EP on a full-time basis may request Mathematics and English curricula that are available each week.

High School Credit

High school students may earn credit hours for vocational experience and retrieve credit for courses previously taken but not passed.

Student Support

To complement the academic curriculum the EP focuses on academic and social skills pertinent to students' long-term success in a traditional learning environment.

Mental health support for students includes social skills development, decision-making strategies, self-esteem building, and interpersonal relationships.

School Hours: Middle School Mon. - Thurs. 8:30 a.m. – 11:00 a.m.
High School Mon. - Thurs. 12:00 noon – 2:30 p.m.
Friday's – Academic Support - 8:30 a.m. – 10:00 a.m.
