SMILE, Fall Pictures are Coming September 22, 2020

You have the ability to order pictures online by visiting dorianstudio.com and searching for your school name. Your online order can be placed before and up to 4 days after picture day. Look for order forms in your child’s Thursday folder.

ALL THINGS COVID

Remember that students should have a mask each day at school. Also, please remember to complete the symptom tracker for your children each day. That can be found on the Sagebrush Smartphone App or at my.cherrycreekschools.org. We appreciate everyone who has made it a new part of their morning routine. As is always the case, but even more important this year, do not send a sick child to school. Keep them home and keep the school updated about symptoms. Please see the attached page that provides guidance about when a child should stay home from school.

Please be mindful as you travel during this school year. Please be aware of close contact with other individuals, wear a mask when possible, and maintain social distancing.

Parent Online Forms

Please be sure to keep your parent forms up to date. This is how all of our communication tools are populated. Whether it is a change of phone number, email address, or individuals allowed to pick up your child, it is imperative that we have the most current information.

Important Dates:

Thursday September 17th- Thursday Folders look for Picture Order Forms
Thursday September 17th- PASS Meeting in Microsoft Teams
Wednesday September 30th, School Spirit at Chipotle on Buckley Rd
At-home symptom screening for parents and staff:

If your student is/you are experiencing any potentially life-threatening symptoms please call 911 immediately.

Use this checklist to determine when to keep students and school staff at home based on the level of COVID-19 transmission in their community.

Any student or staff diagnosed with COVID-19 or who is a close contact of a person with COVID-19 should not go to school and should isolate or quarantine according to public health recommendations.

These lists refer only to new symptoms and/or a change in usual symptoms. A student/staff should not be kept home for usual symptoms they experience due to a chronic condition unless they are worse than usual.

These guidelines are in addition to your regular school guidance (for example, a student with vomiting should also not attend school based on usual school guidance).

Sustained Community Transmission (Safer at Home or Stay at Home): If any of the following symptoms are present, please follow the outlined steps.

**SYMPTOMS:**

- Feeling feverish, having chills, or temperature of 100.4°F or higher
- New or unexplained persistent cough.
- Shortness of breath.
- Difficulty breathing.
- Loss of taste or smell.
- Fatigue.
- Muscle aches.
- Headache.
- Sore throat.
- Nausea or vomiting.
- Diarrhea.
- Runny nose or congestion.

**STEPS:**

1. Student/staff must stay at home
2. Inform the school of symptoms
3. Reach out to a healthcare provider about COVID-19 testing
4. Follow healthcare provider’s recommended guidance for treatment

The Cherry Creek School District COVID Symptom Checker is a quick and convenient way for staff and parents/guardians of students to identify potential COVID symptoms to determine whether they should come to work/school each day.

Go to: https://bit.ly/ccsd-health OR Scan this QR Code: OR Log in to myCherryCreek and click on the Symptom Checker tile.
