

Arrowhead Families,

I can't describe to you how hard it is not seeing our students every day and how much I miss them! I remain available to you during this school closure and will reply to all emails or phone messages. As always, you can reach me by email at emarle@cherrycreekschools.org. You can also call my work phone at (720)886-2809 to leave a message -- I will be notified that I have a message waiting.
