State Assessment Exemption

In May 2015, House Bill 15-1323 updated Colorado Revised Statute (CRS) 22-7-1013 requiring Districts to “implement a written policy and procedure by which a student’s parent may excuse the student from participating in one or more of the state assessments administered pursuant to section 22-7-1006.3.”

In accordance with CRS 22-7-1013, District Policy IKA, and the state assessments defined in CRS 22-7-1006.3, parents may use the following form to request exemption from one or more state assessments. The exemptions will be valid for the current school year.

INSTRUCTIONS: To request an assessment exemption for your child, check the box next to the assessment. When complete, click Save.
