General Provisions, Policy 4235

A. Bulletin Boards and Mailing

1. The employer agrees to furnish and maintain suitable bulletin boards in convenient places in each work area to be used by the employees' representative.
2. The employees' representative shall limit its posting of notices and bulletins to such bulletin boards.
3. The use of District Mail Service will be available to employees' organization representatives. Such use shall comply with legal requirements.
4. The Union through its officers and representatives will have the right to communicate with staff in the bargaining units it represents via email or like electronic means provided that any such communication will comply with and be subject to any District policy concerning the use of email systems or the like or for communication via the Internet or intranet.

B. Visits by Employees' Representatives

1. The employer agrees that employees' organization representatives shall have reasonable access to the premises upon request and approval from the employer and building administrator or designee.
2. In case the building administrator and designee are not available to grant approval for the above, the Director of Custodial, Maintenance, Grounds, and Carpentry or designee may approve the reasonable access request.

C. Uniforms and Protective Clothing

1. Once a year, beginning July 1 and continuing to the following June 1, employees shall be given an allotment of \$400 for their yearly uniforms. The uniform will consist of dark blue denim Levis, or the equivalent. The employee may utilize the remaining allotted dollars for purchasing additional clothing as identified on the District vendors list (i.e. shirts, sweatshirts, smocks, etc.). Employees may buy overalls, insulated coveralls, steel-toed boots, work boots and winter gloves, if requested, not to exceed the allotted \$400. Different clothing brands purchased by the employee, which are not offered by the District, will be reimbursed with proper receipts and are not to exceed the \$400 allotment. All outer wear (i.e. shirts, coats, sweatshirts, overalls) shall have a District patch for identification and colors will be consistent with department uniforms. Catalogs will be available in the CMGC office. Employees that arrive to work with uniforms that are torn, tattered or otherwise unacceptable will be sent home to change with no pay. Employees who repeatedly arrive to work with unacceptable uniforms will be disciplined per policy 4237. *New hires are expected to order uniforms within 30 days of employment.
2. Employees will be expected to wear uniforms which are in good condition. If the

uniform allotment of an employee has been expended, the employee will utilize their own resources. Disregard of this provision may result in suspension and/or termination when Policy 4237 has been followed.

3. Custodial, Maintenance and Grounds personnel, who are directed to work outside, will have appropriate foul weather gear available on a check-out system from the maintenance shop.

D. Tools and Equipment

1. The District will replace or repair any Custodial, Maintenance or Grounds employee's equipment or tools which have been damaged, stolen, inoperable or lost in the performance of his/her job. Said tools must be inventoried and a record validated by the employee's supervisor will be provided to the Custodial, Maintenance, Grounds, and Carpentry offices. Requests for a replacement comparable to the damaged, stolen, inoperable or lost tool, or repair of a tool, require prior approval by the Director responsible for Custodial, Maintenance and Grounds.
2. Custodial, Maintenance, Grounds, and Carpentry employees shall be responsible for the proper care and use of equipment checked out to them.
3. If feasible and as determined by the Director responsible for Custodial, Maintenance and Grounds, the District shall provide any specialty tool, equipment, and safety clothing needed to properly perform a required job.

E. Employee Policy and Negotiated Agreement

The District is intent upon limiting the environmental and cost impacts of providing hard cover employee handbooks. The District is also intent upon providing maximum employee access to these. Therefore, the policies relating to Custodial, Maintenance, Grounds, and Carpentry personnel and all modifications to the policies will be posted on the website by the District. Copies will be provided for officers and the central offices as needed.

F. Employee Security

Employees may choose to associate with an organization or association through membership. Such decision shall be at the employee's option. The employer agrees that there shall be no discrimination because of an employee's relationship with any association. That is, the employer agrees that stewards and members of the association will not be discriminated against for exercising their lawful rights under Board Policy. No representative of management or the employees' association shall exert undue influence upon an employee to join or not to join an employee association.

G. Membership Fee Payment

Upon an employee's written request, the employer agrees to deduct any membership initiation fee, assessment and monthly dues from the employee's pay. The amounts to be

deducted shall be certified to the employer and the employees by the treasurer of the employees' organization. The aggregate deductions of all employees shall be remitted, together with adequate detail, to the treasurer of the employees' representative on the 10th of the succeeding month, after such deductions are made.

Any employee desiring to join or to terminate affiliation with the employees' organization is to notify the payroll department, in writing, which, in turn, shall forward a copy of such notice to the treasurer of the employees' organization within three to five working days.

The Cherry Creek Board of Education recognizes the Cherry Creek Custodial, Maintenance, Grounds, and Carpentry Association, Local 1605 as the negotiating agent for all Cherry Creek Custodial, Maintenance, Grounds, and Carpentry employees. A majority of those voting will determine the outcome of the election. Cost of the election will be shared by the petitioning group and the Cherry Creek Custodial, Maintenance, Grounds, and Carpentry Association, Local 1605.

I. Safety Committee

The prevention of accidents is of a mutual benefit to the Union and CCSD and careful observation of safe working practices and safety rules is the responsibility of all employees and CCSD. K. Commercial Driver's License

In conjunction with commercial driver's license provision for required drug testing:

1. Cherry Creek School District Custodial, Maintenance, Grounds and Carpentry Department Association will be notified in writing of all jobs required by federal law, state statute, and/or local Board of Education policy to maintain a commercial driver's license. The Association has the right to challenge management's decision on who must carry a commercial driver's license.
2. Those who now have a commercial driver's license and are not required by federal law, state statute, local Board of Education policy, and/or the Custodial, Maintenance, Grounds and Carpentry department will be given the option to keep the commercial driver's license or relinquish it. If an employee relinquishes a commercial driver's license, but is later required to have one, the employee shall be responsible for the cost of reinstating a commercial driver's license, except as stated in L. below.
3. When an employee with a commercial driver's license declares he/she is on medication which may impair their ability to drive, an attempt will be made by the supervisor to accommodate the employee by reassigning duties for the short term. If the supervisor determines the employee's ability is impaired to perform their duties, the employee may be required to use leave.
4. With regard to drug free testing for persons in positions requiring a commercial driver's license, the District will pay for the cost of the second split sample urine test if the employee produces, in a timely manner from a qualified testing laboratory as determined by the District, evidence that creates a reasonable doubt about the validity of either test. The Director responsible for Custodial, Maintenance, Grounds, and Carpentry will make this determination.

Grievance, Policy 4236

A. Stewards and Grievance Committee

The Grievance Committee will consist of seven members. Grievance Committee members and stewards may investigate and process grievances during working hours without loss of pay with approval of the director responsible for Custodial, Maintenance, Grounds, and Carpentry (CMGC) or designee. Supervisors in need of assistance from the association may contact the chief steward.

The employees' association representative during the month of January shall provide an annual list of employees serving as stewards, and a list of employees comprising the Grievance Committee to the superintendent and all CMGC employees.

B. Grievance Process

A "grievance" shall mean a complaint by an employee alleging there has been a violation, a misinterpretation, or inequitable application of any of the provisions of these policies, except that the term "grievance" shall not apply to any matter as to which (1) method of review is prescribed by law or (2) the Board is without authority to act. An attempt at resolution of the violation should be made at a lower level of supervision with or without a steward, or association representative present, prior to processing of a grievance. The grievant shall be present at any and all steps where a formal decision may be rendered, (i.e. resolution of the matter, or relegation to a higher authority), unless agreed upon by both management and the employee or representing party. If time limits prescribed in Steps I, II, and III are not followed by the district, the grievance will automatically be sent to the next step.

A grievance shall be processed in the following manner:

Step I. A steward, or association representative, and/or the employee, may take up the grievance or disagreement with the appropriate Department Manager within five working days

(A) actual occurrence

(B) after attempt at resolution with a supervisor

(C) knowledge of the occurrence by the steward or association representative.

The Department Manager may then attempt to adjust the matter, and shall respond to the steward, association representative and/or employee within five

working days. If deemed appropriate, the immediate supervisor may be involved through a private or a joint hearing during this step. Time may be extended with an oral request, followed by written request upon approval of both parties.

Step II. A steward or association representative, and/or the employee, may take up the grievance or disagreement to the Director of CMGC within five working days of the immediate Department Manager's response, as set forth in Step I above. The Director of CMGC may then attempt to adjust the matter and shall respond to the steward or association representative, within five working days. If deemed appropriate, the immediate supervisor may be involved through a private or a joint hearing during this step. Time may be extended with an oral request, followed by written request upon approval of both parties.

Step III. If the grievance has not been resolved to the grievant's satisfaction, it may be presented by the steward association representative, and/or the employee, to the Human Resources Department or designee, in writing within five working days after the response of the Director of CMGC is due. The Human Resources Department or designee, shall respond in writing to the steward, association representative or Grievance Committee, with a copy of the response to the president of the employees' association, within five working days. If deemed appropriate, the immediate supervisor may be involved through a private or a joint hearing during this step. Time may be extended with an oral request, followed by written request upon approval of both parties.

Step IV. Mediation is a voluntary process in which a trained impartial third party assists employees in conflict to reach a mutually acceptable agreement. If a grievance has not been resolved to the grievant's satisfaction, the grievant may make a written request for mediation. The steward, union representative, employee, or Grievance Committee will present this request to the assistant superintendent or designee. This written request must be submitted within ten days after the response of the Human Resources Department or designee. For mediation to occur, both parties must agree to the process. The Human Resources Department or designee must notify the steward within five days of receiving the request if mediation is agreeable. If either party does not agree to mediation, the grievance may be taken to Step V. If both parties agree to mediation, the process will be scheduled within two weeks of the notice of agreement. If mediation resolves the grievance, the grievance will be concluded. If mediation does not resolve the grievance, the grievance may continue to Step V.

The mediation process will be reviewed at the next negotiation session to determine effectiveness and appropriate step placement.

Step V. If the grievance has not been resolved to the grievant's satisfaction within 15 working days, the grievant, by written notice to the assistant superintendent, superintendent, or designee, may request a hearing. Time may be extended with an oral request, followed by written request upon approval of both parties.

The hearing shall be conducted by a hearing officer to be selected by the employer and the employees' association representative within ten working days after notice has been given. If the parties fail to select a hearing officer, the State Mediation and Conciliation Service shall be requested by either or both parties to provide a panel of five hearing officers. Both the employer and the employees' association representative shall have the right to strike two names from the panel. The party requesting the hearing shall strike the first name; the other party shall then strike one name. The process will be repeated and the remaining person shall be the hearing officer.

The findings/recommendations of the hearing officer shall be submitted to the Board of Education for consideration and action within 30 calendar days after the conclusion of testimony and argument.

Expenses for the hearing officer's services and the proceedings shall be borne equally by the employer and the employees' association. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes the copies available without charge to the other party and the hearing officer.

C. Confidentiality

It is the intent of the Cherry Creek Custodial, Maintenance, and Grounds Association, Local 1605 and the Board of Education that all proceedings and written and verbal discussions shall be kept as confidential as possible so as not to impede an equitable solution to the grievance.

Employment, *Policy 4015*

The Board of Education is obligated to hire the most qualified applicants to fill existing vacancies.

Qualified applicants who have followed the District application process may include in-district transfers, as well as individuals not currently employed by the Cherry Creek School District.

Proposed: May 10, 1982
Adopted: June 14, 1982

Transfer Procedure – Classified, Administrative Procedure 4015.1

When a classified position becomes available within the District, any qualified classified employee will be given serious consideration.

In order that this may be realized, all classified employees must follow the procedure as listed.

Please use the following transfer procedure to assure consideration of in-district classified employees in filling all vacancies.

Step 1: The Office of Human Resources will post vacancies as soon as possible after receipt and approval of the Personnel Requisition.

The vacancy announcement will be posted on the District's website for a period of eight (8) calendar days.

Step 2: Those interested in specific transfer opportunities must submit an on-line Transfer Request form to the Office of Human Resources no later than 4:00 p.m. on the closing date of the vacancy.

1. On-line Transfer Request forms are available on the District's website.
2. Kiosks with computers are available in the Office of Human Resources for District employees to submit an on-line Transfer Request form.
3. The Office of Human Resources will electronically acknowledge receipt of the on-line Transfer Request form.

Step 3: Following the closing date, a list of all transfer applicants will be available on-line to the appropriate building administrator, or designee, for review.

Step 4: The administrator, or designee, will consider all applicants for a vacancy and select applicants for interviews based on their qualifications for the vacancy.

Step 5: Within thirty (30) calendar days, the building administrator, or designee, must make a decision to:

1. Recommend a candidate to fill the vacancy, or
2. Cancel the vacancy
3. Request the Office of Human Resources to repost the vacancy or position
4. At the request of the Assistant Superintendent of Human Resources, or designee, the thirty (30) day period may be extended to accommodate unusual circumstances.

We recognize the fact that informal communication between administrators and potential applicants may occur in an effort to secure the most highly qualified staff possible. This should not, however, interfere with serious consideration of all in-district transfer requests.

Seniority, Policy 4211

A. Seniority

An employee's seniority is the length of continuous service in the District calculated from his/her last date of hire.

The employer shall maintain a seniority list every six months on all bulletin boards showing the continuous service of each employee. A copy of the seniority list shall be furnished to the employees' representative when it is posted.

An employee's continuous service record shall be broken by resignation, discharge for just cause, or retirement.

An employee's position on the seniority list will not change during any leaves approved by the Board of Education.

B. Layoff

All other things being equal in the employer's judgment as to ability, skill and efficiency, layoffs shall be made according to total length of continuous employment.

Any layoff not in accordance with seniority may be taken to the Labor-Management Committee.

If additional steps were considered, i.e., subcontracting, change in pay or hours, the District and the Union would meet collaboratively to discuss options prior to the District's decision.

C. Recall

Recall shall be made according to seniority prior to the layoff. All employees will be recalled before any outside person was hired.

Changed from Administrative

Procedure 4216.6

Revised: May 7, 2020

Job descriptions, clarifications, and job titles for custodial, maintenance, and grounds personnel shall be established by the administration. The affected employee and/or the president of the employee union or his/her designee may review the listing of duties and make recommendations for change to the administration. The union president or designee will be notified of all clarification or changes within seven work days prior to effective date of proposed changes. Communication from the union president or designee to the

appropriate supervisor regarding these changes must occur within three work days of union president's/or designee's receipt of changes.

Any custodial, maintenance or grounds employee will have access to existing job descriptions of the custodial, maintenance, and grounds departments, if requested.

B. After Hours Work

Efforts will be made to ensure assignment of two custodial, maintenance, and grounds personnel to a facility after normally assigned working hours.

Changed from Policy 4216.53.

Revised: May 7, 2020

Adopted: July 20, 2020

Effective: July 1, 2020

Promotion / Transfer, Policy 4215

A. Promotion/Transfer

When filling a vacancy other than Group I, a notice of such vacancy shall be posted in designated areas per Administrative Procedure 4015.1. Any interested person may apply for the position through the established Classified Personnel Transfer Request procedure. The senior employee shall be promoted if all other factors are equal. Any applicant who meets minimum qualifications with five consecutive years with the District shall be granted an interview. If an employee feels he/she was not given proper consideration in the promotion, he/she may appeal the selection through the grievance procedure (Policy 4236).

B. Reassignment/Transfer

1. Reassignment

Any employee desiring a lateral move to another position shall submit a written request to the District maintenance office stating the reason for the request for reassignment. Receipt of such requests will be acknowledged by the District maintenance office within seven working days.

All requests for lateral reassignment shall be evaluated. Reassignment requests will be retained until the end of the current school year.

2. Transfer

Any employee desiring to transfer must submit a Classified Personnel Transfer Request form to the Office of Human Resources prior to the closing date of a posted vacancy.

The transfer procedure in Administrative Procedure 4015.1 shall be followed. All other factors being equal in the employer's judgment as to ability, skill, and efficiency, transfers shall be made in accordance with seniority.

The District will make every effort to give primary consideration to District employees

who request a transfer to a vacant position.

C. Voluntary Transfers

1. A lateral transferee changing job classification within the same group may be eligible for a pay increase commensurate with greater responsibilities and/or qualifications. Such increase, if any, will not exceed 5% more than the employee's current pay and will not exceed the maximum pay for that group. Any pay increase is subject to supervisor discretion and requires the approval of the Executive Director Educational Support Services. If the resulting wage exceeds other employees' wages in the group, no salary adjustments will be made to the other employees.
2. A transferee moving to a lower group may receive a wage decrease as determined by the supervisor with the approval of the Executive Director of Educational Support Services. The new salary shall not exceed the salary of an employee with greater longevity within the same group/subgroup. If the wage of the transferring employee exceeds the wage of other less senior employees in that job classification within the same group, no salary adjustments will be made to the other employees. Salaries must be within the wage schedule and may not exceed the maximum of the range.

D. Involuntary Transfers

1. A lateral transferee changing to a different job classification in the same group will maintain his/her current wage. If the transferee's wage exceeds the wages of current employees in the same job classification, no salary adjustments will be made.
2. When any position not listed on the wage schedule is established, the employer may designate a job classification and rate structure to the position. In the event the employee's representative does not agree that the classification and rate are proper, the employee representative shall have the right to file a grievance at Step II of Policy 4236.

Such compensation will be paid at the rate of pay that the employee is earning at the time of separation or retirement.

C. Compensation Upon Separation

Professional Growth, Policy 4242

Classified staff shall be encouraged to participate in approved professional growth activities. The Cherry Creek Board of Education shall provide each fiscal year the sum of \$42,500 to be used by classified staff, applying for funds, to defray the cost of such activities. This fund will be closed at the end of each fiscal year with any remaining funds returned to the General Fund. Temporary classified personnel will not be eligible for funds. The Classified Employee Council reserves the right to make the final decision on approval of funds. The Director of Classified Employees in Human Resources, or designee, will act in an advisory capacity in approval of fund expenditures.

1. Goals/Aims

The Professional Growth Policy provides for classified staff to participate in professional growth activities, and to assist individuals with the cost of professional growth experiences that relate to classified staff job descriptions. Professional growth will add to our District value of improving the organization continuously and should be documented in the employee's yearly evaluation. These funds should be utilized to provide the greatest benefit to all classified staff.

The goals/aims are to:

- a) Encourage individuals to keep current with changes in the technology of the school business world and explore new methods of school business operations.
- b) Stimulate learning and encourage individuals to upgrade their skills, gain new skills, and/or refine techniques to enable them to prepare for increased responsibilities.

2. Application Process – Individual

- a) An individual may apply for professional growth funds at any time during the school year, July 1 through June 15.
- b) To receive reimbursement, the professional growth activity must meet at least one of the goals/aims listed above.
- c) An application form (Administrative Procedure 4242.1) must be completed before any request for reimbursement can be considered.
- d) An individual may not be reimbursed for more than \$500 in any given school year (exclusive of a group sponsored professional growth experience). Funds are available

on a first-come, first-served basis.

- e) Application Procedure after Completion of Course: The applicant must provide an application, copy of course prospectus or outline, verification of payment, and evidence of satisfactory completion.
- f) Courses under \$25 each should be combined, where possible, and classes submitted together.
- g) Classes that meet during normal work hours must have approval of the individual's immediate supervisor prior to application.

3. Approval Process – Classified Employee Council

- a) The committee will review all applications monthly.
- b) The Council will determine a meeting place and time for the purpose of considering professional growth requests.
- c) The Committee will respond to all requests.
- d) The Committee may not grant more than \$500 to an individual in any fiscal year for professional growth activities covered under this procedure exclusive of group sponsored professional growth activities.
- e) Applications will be processed on a first come first served basis until all funds are depleted. Preapproval of funds may be granted to reserve funds for classes that occur/are completed late in the year. If a class is cancelled or the employee does not pursue taking the class, notification must be provided to the Director of Classified Employees in Human Resources in order to release those funds for other use.
- f) If there are sufficient funds, they may be used for speakers, films, rental of space and other related expenses necessary to conduct group sponsored professional growth activities.
- g) The Committee may also grant up to \$500 per fiscal year to an individual classified employee to sponsor group professional growth activities of primary interest to his or her department or to other classified employees having similar positions. All classified employees must be invited and most of the attendees must be classified employees. Reimbursement is similar to individual professional growth. The \$500 limit does not reduce the amount the sponsoring classified employee may spend on his or her own individual professional growth.

When the activity/class is complete, fill out entire application form, attach course description documentation, copy of proof of payment, verification of completion of class, and send one copy of the application packet to the Director of Classified Employees in Human Resources.

Sick Leave Bank, Policy 4251.1

A. Introduction

The purpose of the Sick Leave Bank is to provide for a limited income continuation in conjunction with other benefit plans in case of extended absences due to disability resulting from illness or injury, which renders the member incapable of working.

B. Membership

1. Initial Enrollment

All classified employees who earn leave will be eligible to join the Sick Leave Bank after one year of employment in an eligible group. All eligible employees with one year of employment or more will be automatically enrolled on their anniversary date unless they have declined/opted-out in writing. When an employee is enrolled, they will contribute 8 hours of leave to the bank.

2. Re-Enrollment

Any eligible employees who wish to join the Sick Leave Bank after their first year of eligibility will contribute two (2) days upon joining. Such membership may only be made during the month of October using the appropriate forms. The two (2) required days of leave shall be donated from their account upon enrollment in the Sick Leave Bank.

3. Contributed Days

Days contributed or assessed become part of the bank and no longer count toward the individual member's current or accumulated leave.

4. Dropping Membership

A member may terminate membership in the Sick Leave Bank by completing the required form (4905.3) provided by the Classified Employee Council (CEC). However, the days contributed by the member may not be withdrawn.

C. Sick Leave Bank Operation/Procedural Guidelines

1. Governance

Daily operation of this bank will be by the Benefits Office in the Office of Human Resources who will determine eligibility and usage of the bank. The CEC will oversee administration of total hours and hours used.

2. Operation

- (a) The minimum number of days in the bank will be one hundred and fifty (150).
- (b) Should the number of days drop below the minimum, the CEC will take necessary action to raise the balance above the minimum. The CEC will have the authority to assess an additional day from each member. Days will be assessed in increments of one (1) additional day of current or accumulated leave from each member.

- i) Inability to contribute, within a school year, will not prohibit individuals from being a member for the remainder of that school year unless the member affirmatively drops membership in the bank.
- ii) Any members who were unable to contribute the assessed day(s) and did not affirmatively drop membership in the bank will have the assessed day(s) deducted from their current or accumulated leave during the following year.
- (c) If an assessment is deemed necessary, all members will be provided an opportunity to terminate their membership prior to the assessed day being deducted from their current or accumulated leave.
- (d) If the CEC feels that the bank cannot be funded adequately with the present membership or a more suitable plan is found, the CEC in conjunction with Human Resources can vote to terminate the bank. If the Sick Leave Bank is terminated, days remaining on the bank's records will be cancelled. Days will not be returned to the members of the Sick Leave Bank.
- (e) Members may contribute more days to the bank up to their leave balance amount.
- (g) This administrative procedure will be reviewed at least once each year.

D. Maximums / Minimums

1. A member in any single rolling year may be granted up to 45 days.
2. Any member will be assessed up to two (2) deduct days at per diem in connection with an application or illness in any single year.
3. If the balance of days in the Sick Leave Bank drops to one hundred and fifty (150) or below, members being granted days will continue to receive days. All new applications to the Sick Leave Bank will be put on hold until the CEC takes action to alleviate the situation. If the balance should reach zero (0) all days will cease to be granted, as the bank cannot operate in a deficit.

E. Granting of Days / Application Process

The term "day" is defined as a full workday. Days may be granted from the Bank only after the member requesting Sick Leave Bank days has used all his/her current and accumulated leave.

1. The first two (2) days of leave after the member has exhausted his/her accumulated leave will not be covered by the bank.
2. At the member's request, the two (2) deduct days may be spread over two (2) pay periods.
3. Upon acceptance by the LTD carrier, the two (2) deduct days will be reimbursed to the member.
4. When a member becomes eligible to receive benefits from the district approved LTD program; the member will no longer be eligible to receive days from the Sick Leave Bank. (Eligibility for LTD begins sixty (60) calendar days from date of disability resulting from illness or injury that renders the member incapable of working.)

5. Days from the Sick Leave Bank will be approved for extended illness and/or disability of a member only. Days will not be granted for a member to care for someone else who is ill or disabled.
6. Application for use of days must be made by the member to the Benefits Office in Human Resources any time prior to needing the days but not later than 60 calendar days after the member returns to work. Applications submitted at a time outside these limits will not be considered. Requests should include all of the following:
 - (a) A licensed physician's verification that the illness or disability is total and Renders the employee incapable of working.
 - (b) A medical leave of absence.
 - (c) A Sick Leave Bank application form.
7. The Benefits Office will have the authority to request additional information, including a request to the Superintendent to use Policy 4047 (Physical/Mental Examination).
8. Coincident with approval of days, the approved number of days will be deducted from the Bank. All days granted from the bank, but not used, will be restored to the bank.
9. Requests for less than full days of disability will be considered when:
 - (a) The member is engaged in a rehabilitation/recovery program directed by a licensed physician; and
 - (b) The member's supervisor and/or building principal has approved a partial return to work.
10. A member who uses days from the bank will not be required to repay such days except as a regular contributing member of the bank.
11. The CEC will make available by request to classified employees a summary of action taken on requests and other information deemed appropriate. Information pertaining to specific individuals will be kept confidential within the Office of Human Resources. A representative of the Office of Human Resources will maintain a current record of days contributed and days used.

Physical and Mental Examinations and Alcohol and Controlled Substance Testing, *Policy*
4047

Employees of the Cherry Creek School District are subject to physical and mental examinations, and alcohol and controlled substances testing prior to and during employment. The following provisions of this policy set forth the circumstances and conditions when such examinations and testing will be required:

A. Physical Examination - All Employees

After recommendation for employment but before employment commences, candidates for employment may be required to take and pass such physical and mental examinations as may be prescribed by the District. Results of such examinations shall be reported on forms provided by the District, or forms acceptable to the District, and shall be filed in the Office of Human Resources. All examinations shall be at the sole cost and expense of the candidate.

B. Required Examination During Employment - All Employees

1. The superintendent or designee may require any employee within the school district to submit to a physical or mental examination, when he/she has reasonable suspicion to believe:
 - (a) the welfare of the employee, students or other employees justifies such examination; or
 - (b) that the employee's ability to perform his or her duties is impaired due to physical or mental reasons.

The District will pay the cost of the examination which shall be conducted by a physician of the District's choice. However, in the event the employee desires to utilize a personal physician, subject to the approval of the Superintendent, to satisfy the employee's examination requirement, the employee may do so, provided the examination can be conducted within such time as may be reasonably required by the

District. In such event, the private physician will be paid by the District an amount equal to the amount usually and customarily paid by the District to the physician selected by the District.

Following the examination, a written report shall be issued by the physician.

2. As a condition of continued employment with the District, all employees consent to a chemical test of their blood, urine or breath upon request of the Superintendent or designee. This test shall be ordered in the event the Superintendent or designee has reasonable suspicion to believe that the employee is under the influence of alcohol or drugs, or in the event of a reasonable suspicion that the employee's ability to perform his/her duties is impaired by the use of alcohol or drugs. The employee will be allowed up to thirty minutes to obtain representation of his/her choice. Any such tests shall be

conducted at any hospital, clinic, or facility properly equipped to administer such tests and shall be performed by any doctor, nurse or technician properly qualified to administer such tests. The employee may not select the physician or technician to administer the tests. All such tests shall be paid for by the District.

The term drugs, as used herein, shall include, but not be limited to, those substances defined in CR5. 12-22-30 1 et. seq., known as the Colorado Controlled Substance Act of 1981.

- (a) The failure or refusal of an employee to submit to any test required in paragraph 2 above, or to submit to and obtain the examinations required in paragraph 1 above, shall constitute insubordination, and shall result in:
 - (1) immediate suspension without pay, except as required by Colorado Statute, and,
 - (2) termination of employment being recommended to the Board of Education.

3. Alcohol and Controlled Substance (Drugs) Testing for Commercial Driver's License (CDL) Employees

- (a) The Omnibus Transportation Employee Testing Act of 1991 (the "ACT") and Department of Transportation rules, procedures and regulations (the "Regulations") require that the District conduct pre-employment/pre-duty, random, reasonable suspicion, post-accident, return to duty and follow-up testing of all District employees required to obtain a Commercial Driver's License ("CDL").
- (b) All alcohol and controlled substance testing performed under and pursuant to this Section C, will be conducted in accordance with federal regulations, the Act and procedures adopted by the District.
 - (1) Controlled substance testing will be conducted by means of a urine specimen collected and tested by a laboratory certified by the U.S. Department of Health and Human Services.
 - (2) Alcohol testing will be conducted using an evidential breath-testing device.
 - (3) Employees will not be entitled to have testing performed at a location or by an individual or facility other than that designated by the District. However, a split sample of the urine test for controlled substances will be available for the employee pursuant to District policy and federal regulations in the event the sample tested is confirmed positive.
 - (4) An employee may not refuse to submit to alcohol and/or controlled substance testing under this Section C. Refusal shall result in immediate suspension of employment without pay and recommendation of termination to the Board,

C. The required testing under this Section C will be conducted at the District's expense and as follows:

- 1. Pre-employment testing shall be administered to all applicants offered a position in the District requiring a CDL prior to the first time the employee performs any safety-sensitive functions for the District.

2. Random alcohol testing shall be conducted at any time period surrounding the performance of safety-related functions, which includes just before or just after the employee performs the safety-related function. Random controlled substance testing shall be performed anytime while the employee is at work.
 3. Reasonable suspicion testing will be conducted of any employee when a determination and observation is made by a trained supervisor and he has a reasonable suspicion to believe any employee has violated the District's policies and/or federal regulations relating to alcohol or controlled substance use or possession.
 4. Post-accident testing will be conducted on any employee involved in an accident which results in the loss of human life or if the employee receives a citation for a moving traffic violation arising out of an accident.
 5. Return to duty testing will be required prior to an employee being reinstated, if at all, after an employee has tested positive for prohibited alcohol concentration levels or the presence of a controlled substance and after the employee has undergone an evaluation by a substance abuse professional except as noted in No. 6 below.
 6. Follow-up testing will be required of any employee identified by a substance abuse professional as needing assistance in resolving problems with alcohol misuse or controlled substance use and who has returned to duty.
- D. Records of all tests will be maintained and kept confidential in accordance with District procedures and federal regulations.
- E. All affected employees and employee organizations will be provided with educational materials which explain the requirements of this Section C, the District procedures and federal regulations related thereto.
- F. The District encourages all employees with any alcohol abuse or controlled substance use to seek assistance through a Substance Abuse Professional (SAP) and will provide employees lists of individuals and organizations providing this service. Unless otherwise provided by law or District policy, the District is not required to provide rehabilitation, pay for substance abuse treatment or to reinstate an employee terminated for violations of District policy relating to the use or possession of alcohol or controlled substances.
- G. Any employee who is determined, as the result of any of the required alcohol or controlled substance testing, to have violated any District policy relating to the use or possession of alcohol or controlled substances shall, consistent with state and federal law and District policies, be subject to disciplinary action, including termination of employment.

Communicable or Life-Threatening Diseases, *Administrative Procedure 4047.2*

A. Purpose

This procedure establishes a mutually-beneficial process between an ill employee and the

District to insure that the health or safety of the employee, students and other employees is protected.

B. Identification of Ill Employees

Employees affected by a communicable or life-threatening disease or illness may be identified through self-report, or on the basis of the District having a reasonable belief that a staff member is ill. Reasonable belief would exist in, but is not limited to, situations where the employee's health is observed to be deteriorating to the point of interfering with the performance of his/her duties, the employee displays persistent physical symptoms of illness, where the District becomes aware of a diagnosis of such an illness or disease, or where there is other reasonable evidence of the existence of such disease.

If a supervisor has been informed or has reasonable cause to believe that an employee is affected by a communicable or life-threatening disease or illness, the supervisor will immediately notify the Assistant Superintendent of Human Resources. The Assistant Superintendent of Human Resources or his/her designee may confer with, but not limited to, the supervisor, the Executive Director of Instruction for that school, the staff member, and the Superintendent of Schools for determination of fitness as provided in Section D below.

C. Verification of Illness or Disease

The Assistant Superintendent of Human Resources or designee will take reasonable steps to verify the existence or non-existence of a communicable or life-threatening disease. This will be determined by a review of medical reports, files, diagnostic testing, hospital records, and/or consultation with physicians or other medical personnel as may be deemed necessary.

D. Determination of Fitness for Continued Duty

In the event an employee is affected by a communicable or life-threatening disease or illness, recommendations regarding the employee's fitness for continued duty and contact with students and other staff will be made on a case-by-case basis by the Assistant Superintendent of Human Resources. The recommendations will be based on, but not limited to:

1. Medical reports regarding the condition of the employee;
2. The type of duties and interaction in the work place required of the employee in performance of his/her assignment;
3. The impact of continued employment on the affected employee, students and others in the work place;
4. Consideration of "reasonable accommodations" in the employment of the affected employee pursuant to Section 504 of the Rehabilitation Act when applicable, and
5. Input and recommendations from public health officials and others. Recommendations will be submitted to the Superintendent of Schools for review and action.

E. Return to Duty

If an ill staff member is determined to be fit for continued duty, the supervisor will be informed of the employee's medical condition, the reasonable accommodations/precautions, if any, to be observed in the work setting, and any other factors that would warrant the reconsideration of continued duty. A regular schedule of medical examinations or evaluations for continued employment may be required.

F. Termination of Employment

If a staff member is determined to be unfit for continued duty, he/she will be entitled to the use of accumulated paid sick leave, sick leave bank provisions (if applicable), and medical leave of absence as outlined in district policy.

After all leave options are exhausted and the employee is still not deemed fit to resume duties, employment will be terminated by the employee's resignation or retirement, or by Board of Education action including initiation of dismissal proceedings under applicable Colorado Statute or District policies subject to the usual appeals by the employee.

G. Confidentiality

All information gained by the District through the application of this procedure, including the identity of an employee, will be treated as confidential except as necessary to implement this procedure. Information will not be released publicly by officials of the school district without the written consent of the affected employee.

The adoption of this procedure does not create any right claim or cause of action against the District or its employees where such right claim or cause of action does not otherwise exist in the absence hereof.

Approved by Superintendent Jim S. Huge, June 13, 1988

Drug-Free Workplace, Policy 4048

The unlawful manufacture, possession, use or distribution of illicit drugs, as defined by law, marijuana, and alcohol on school district premises or as part of any of the school district activities is specifically prohibited.

Observance of this policy is mandatory and a condition of employment. A violation shall subject the employee to appropriate disciplinary sanctions (consistent with local, state and federal law), including suspension and up to and including termination of employment and referral to the appropriate law enforcement agency for prosecution. A disciplinary sanction may include completion of an appropriate rehabilitation program.

Drug and alcohol counseling and rehabilitation and re-entry programs may be available through the District. The District encourages affected employees to seek assistance.

Each employee will be provided with a copy of this policy which sets forth the expected standards of conduct and the disciplinary sanctions which may be imposed as a result of a violation of this policy.

Pursuant to the provisions of federal law, any employee who is convicted of or pleads guilty or nolo contendere (no contest) to any criminal drug statute for a violation occurring in the workplace, shall notify the Superintendent or his designee within five days after the conviction. The District has the obligation and shall notify the appropriate Federal agency within 10 days after receiving notice of such conviction or plea if there is a relationship between federal funds received by the District and the convicted employee's work site.

The Board of Education shall conduct a biennial review of its drug and alcohol abuse prevention programs to determine the programs' effectiveness, to implement required changes if necessary, and to insure that disciplinary sanctions are consistently enforced.
