Association Information

Special Services Professionals, *Memorandum of Understanding*

During the 2021-2022 negotiations, Cherry Creek School District (CCSD) and the Cherry Creek Education Association (CCEA) created a new negotiated agreement for all Special Services Professionals (also referred to as Special Services Providers per Colorado Department of Education). This new negotiated agreement has been approved by the Board of Education and ratified by the majority members of CCEA.

While the Special Services Professionals (SSPs) committee has made a good faith effort to determine all pertinent changes to policy language to reflect an agreement between the District and the Association, the Bargaining Committee acknowledges that future changes may still be necessary as the new policy is implemented in the 2022-2023 school year. As a result, both the District and the Association agree to automatically reopen negotiations of the SSP Negotiated Agreement in the 2022-2023 school year to determine any updates to policy language, including, but not limited to, the following:

- Additional compensation for certain National Board certifications
- Additional curriculum pay for work completed beyond the work day due to threat assessments, Suicide Risk Assessments, etc.
- Appropriateness and adequacy of SSP-directed time
- Specific policy language for Early Child Education SSPs, if necessary
- Initial placement of SSPs on the Salary Schedule

These issues and others related to the SSP Negotiated Agreement will be joint issues for the Bargaining Committee to discuss.

Revised: May 12, 2022

Adopted: June 13, 2022

Effective: July 1, 2022

Communications/Transparency in Negotiations, *Memorandum of Understanding*

The District and the Association share an interest in ensuring that all District teachers, SSP employees, administrators, and members of the school board (collectively, “stakeholders”) receive pertinent and accurate information regarding items for negotiations. The parties agree that easy access to such information will best serve this important interest.

Therefore, the parties agree to this Memorandum to further clarify information in Policies 4135 and 4835 regarding communications about negotiations. Specifically, the parties agree that transparency in communications is a shared value. To advance that value, the Association acknowledges the right of the District to communicate information it deems important to any employee, including CCEA bargaining unit members. This recognition extends to the District sending communications on issues of interest during the time that negotiations are taking place.

The District acknowledges that CCEA is the sole and exclusive representative of the teachers and SSP employees in the District. During the time when negotiations are occurring, District communications specifically related to negotiations will include a notation to that effect in order to affirm that understanding.

Nothing in this Memorandum of Understanding or Policies 4135 and 4835 should be construed to prevent the parties from engaging in an effort to communicate jointly to CCEA's bargaining unit members. The parties commit to exploring the possibility of joint communication but will not be precluded from separate communications.

At the conclusion of each negotiating cycle and prior to submission of tentative agreements being submitted for ratification, the parties commit to issue a joint communication to all stakeholders briefly explaining the tentative agreements reached.

Effective: July 1, 2014

Negotiated SSP Employee Rights, Policy 4834

1. **Use of School Buildings by Staff During Non-School Hours**
Staff members are permitted to work in school buildings during off-duty hours, however, arrangements for that work will be made according to building procedures approved by the building administrator. It is the staff member's responsibility to maintain security of the building when personnel normally charged with that responsibility are not present.
2. **Attendance of Children of District SSP Employees Who Are Not District Residents**
Due to the passage of HB 94-1065, "Choice Within Public Schools," priority of placement within the District schools will be given to children of District SSP employees on a space available basis before other non-resident students.
3. **Just Cause**
No SSP employee shall be discharged, reprimanded, disciplined, suspended, reduced in compensation, transferred, adversely evaluated or terminated without just cause and due process.
4. **Official Personnel Files**
 - a. **District Personnel File**
The District will maintain an official District personnel file/record in the Office of Human Resources for each SSP employee. Examples of information that could be in such files are: 1) health records and documents, 2) documents related to grievances, 3) documents related to administrative leaves, and 4) documents related to disciplinary measures. Access to these files/records will be restricted to only those District employees who have a need for such access as determined by the Chief Human Resources Officer. Anytime these types of personnel files/records are accessed for a purpose which may negatively affect the SSP professional, the SSP employee will be notified of the identity of the person accessing the file and the purpose for that access within three (3) workdays unless the SSP employee would have already been aware of such access.

b. Building File

Building level files/records for SSPs that are not part of the official District personnel file/record of the SSP employee must comply with the same expectations identified in this Policy for District personnel files/records.

c. Access to Files

- i. Upon request and at an agreeable time, any SSP employee or any individuals authorized by the SSP employee will have the right to review the contents of their building file/record and/or the official District personnel file/record.
- ii. The Chief Human Resources Officer will allow access to an SSP employee's official District personnel file/record only in the following instances:
 - a) Personnel of the Office of Human Resources are conducting routine duties associated with their job responsibilities; or
 - b) Designees of the Chief Human Resources Officer are conducting business of the District in accordance with their job responsibilities.
- iii. When the District receives a court order to open and/or deliver/transmit any electronic information held or in the possession of the District related to the SSP employee's personnel file/record and/or disciplinary file/record the District must notify the SSP employee within three (3) workdays unless such notification is prohibited by law.

d. Copies of Documents in Files

If an SSP employee or a designated representative requests a copy of material contained within their building file/record and/or the official District personnel file/record, the District will provide the copy of that material at no charge.

e. Anonymous Materials in Files

No anonymous materials shall be placed into the SSP employees' official District personnel file/record.

f. Right to Respond to Documents in Files

The SSP employee shall have the right to submit a written response to any document filed in their official District personnel file/record. The SSP employee's written response, if any, shall be attached to all copies of the document to which it pertains.

g. Required Signature on Evaluation Documents

Consistent with Policy 4870 the SSP employee must sign all documents related to evaluations that are placed into the official District personnel file/record of the SSP employee. Signatures will be submitted electronically as required within the District's evaluation program. The SSP employee's signature does not indicate agreement with the content of such material. The SSP employee will be provided with a copy of the signed document, or have access to print the signed document.

- h. The SSP employee will have such other rights pertaining to access of personnel records as provided by state and federal law.

5. Criticism of SSP Employees

a. Process for Addressing Criticism

The process for addressing criticism or concerns brought to an administrator regarding a specific SSP employee is:

- i. Step 1: Contact the SSP employee about whom the concern was raised to discuss the concern and the administrator's initial judgment about the seriousness of it.
 - ii. Step 2: The administrator may then choose to consider the investigation into the matter completed or conduct additional investigation into the matter and shall communicate this information to the SSP employee.
 - iii. When reasonably necessary, the building administrator may not follow the above process. For example, to comply with the law, to respond to requests from law enforcement, to comply with a court order or when no specific individual is attributed to the criticism or concern.
 - iv. The intent of this section is to ensure that concerns are addressed in a timely manner and that the parties involved are aware of the process for considering the concern.
- b. In addition to the above, the SSP employee will be given written notice of, and have the right to respond to, any material or information that is critical or negative in any nature concerning the SSP employee. SSPs will be advised of the source of any such information, before such material or information may be used in any formal process involving matters such as reprimand, discipline, suspension, reduction in compensation, transfer, evaluation, or termination.

Under certain circumstances, the identity of the source of critical or negative material may be kept confidential if the administrator has an objective basis to believe that the release of the identity would be detrimental to the health or safety of the source. While information from anonymous sources can be provided to the SSP employee, such information will not be used in any of the formal processes identified in the previous paragraph.

6. Process for Submitting Documents of Criticism into Files

- a. Any materials of a critical or derogatory nature that affects an SSP employee's standing in the District shall be contained in the employee's official District personnel file/record. Documentation of such materials shall not become part of an SSP employee's official District personnel file/record unless the following conditions are met:
- i. When an administrator receives information, which in the administrator's judgment could become part of the process as outlined above, the administrator, prior to the utilization of said material in any formal process, has the obligation to inform the SSP employee of that material in a timely manner, subject to section (5)(I) above.
 - ii. If the supervising administrator intends to place any document(s) in the SSP employee's personnel file that is critical, derogatory in nature, or may adversely affect the SSP employee's employment status, the administrator shall hold an in-person meeting, unless

mutually agreed to be held on a virtual platform, with the SSP employee and present them with at least one (1) copy of the document signed by the supervising administrator. The supervising administrator shall keep an additional signed original copy of the document for use, if needed.

- iii. The SSP employee will sign the document within seven (7) workdays and return one (1) copy of it with their signature to the supervising administrator. The SSP employee's signature will acknowledge having received the document but will not indicate agreement with the content of the disciplinary document(s). The SSP employee will retain an original of the signed document(s).
- b. If after seven (7) workdays the SSP employee has not returned a signed copy of the disciplinary document, the supervising administrator will:
 - i. Make a notation (date and signature) on the supervising administrator's signed copy of the disciplinary document that the SSP employee failed to sign the disciplinary document,
 - ii. Communicate to the SSP employee that the disciplinary document will be placed in the official District file/record, and
 - iii. Place the disciplinary document in the SSP employee's District personnel file.

7. Process for SSP Employees to Submit a Written Response to Documents in File

- a. The SSP employee shall have the right to attach a written response to any document filed in their official District file/record.
- b. The SSP employee shall have forty (40) working days to submit a written response. The forty (40) working days to respond shall commence at the time of the in-person meeting with the supervising administrator when the disciplinary documents were presented to the SSP employee as referenced above. The SSP employee will sign the response.
- c. The Chief Human Resources Officer, or designee, must provide signed documentation of receipt of the SSP employee's response within five (5) working days either by email, District mail, and/or U.S. Mail, whichever method(s) will provide the most expeditious communication.
- d. The SSP employee's written response, if any, shall be attached to the document to which it pertains.

8. Requests for Removal of Disciplinary Documents

- a. Upon written request to the Office of Human Resources in the case of the SSP employee's official District personnel file/record, consideration will be given to removing a notation, which reflects adversely upon the SSP employee from the file/record. Commencing at a time not less than sixty (60) working days after being notified that a document is being placed in a file, the SSP employee may provide a written request for the removal from the file/record of a notation, which reflects adversely upon that SSP employee. If the request for removal is granted, all documents and materials associated with the notation will be expunged. If the

request is denied, the appropriate administrator shall provide the SSP employee with the written reasons for denial. Nothing in this provision will preclude the appropriate administrator from removing such documents earlier or without a request from the SSP employee, nor does it preclude an SSP employee from making a request after a reasonable period of time after being denied. This section shall not pertain to ratings or comments on evaluations or observations.

- b. If an SSP employee is exonerated following the completion of an investigation during which the SSP employee was placed on administrative leave with pay, all documents in any of the SSP employee's official District personnel file/record related to the incident or issue will be accessible only to the Chief Human Resources Officer and/or the Superintendent, or their designees.

9. In-person meeting with community members

It is the responsibility of an SSP employee to meet with students and/or their parents regarding a question or criticism of their job performance, if the students or parents request a meeting. In the event of such a meeting, the SSP employee may request the presence of the building administrator, and the administrator will make every effort to provide for the professional integrity of the SSP employee.

10. Professional Communications

In all meetings involving teachers and administrators, the parties shall be responsible for ensuring that communications are conducted in a manner that maintains professional integrity.

11. Required Meetings or Hearings

Any SSP employee required to appear at a meeting or hearing before the Superintendent or their designee or the Board, or representative thereof, or to make an oral/written statement concerning a matter which could adversely affect the employment of the SSP employee, will be given written notice of the reason(s) for such a meeting or hearing and will be entitled to have another person of their choosing present to advise or represent them. The meeting will be scheduled at a time that allows the SSP employee to secure representation. In addition, if the member chooses initially to attend such a meeting without a representative but requests a representative during the meeting, the administrator conducting the meeting shall halt the meeting in order to schedule it for a time when a representative can attend. This policy, however, does not preclude an SSP employee and administrator from having normal conferences and conversations. Any suspension of an SSP employee pending charges will be with pay.

12. Notification of Garnishment of Wages and Child Support Reporting

- a. When the District is served with notification of garnishment action against an SSP employee, the District will, upon receipt, inform the SSP employee in writing of its legal obligation to garnishee the wage.
- b. Upon the hiring of any employee the District will forward, in a timely manner, information required by federal and state child support laws to the appropriate federal or state agency.

14. Electronic Devices

- a. Any information gathered by electronic devices shall be communicated to the SSP employee in a timely manner.
- b. The provisions of Policy 4834.3 also apply to the use of information obtained through electronic devices.
- c. Additionally, no information to be used in an SSP employee's evaluation report shall be gathered by electronic devices without the written consent of the SSP employee.
- d. The District will comply with all state and federal laws.

15. Payment for Damages to Personal Property

The District recognizes that losses to personal property occasionally occur in spite of the exercise of reasonable precautions. Accordingly, if losses as described below occur, and the district finds the employee acted prudently, the District will pay an amount up to two hundred fifty dollars (\$250.00) per occurrence ("amount allowed"), and not to exceed fifty thousand dollars (\$50,000) in the district aggregate per fiscal year, to be paid either to the employee for the loss or toward the insurance deductible for the loss, upon the submission of a complete claim for such payment. A claim must include evidence of a police report, report to the principal or supervisor within 48 hours of notice of the occurrence of loss, a description of how the loss occurred and a statement about what precautions against the loss were taken, and proof that an insurance claim was filed or a statement that coverage is not available.

- a. Personal Assault: In the event an employee, while acting within the scope of their employment, has their personal effects such as clothing, glasses or jewelry damaged or destroyed as a result of an attack, assault, or pupil supervision problem, the District will under District procedures, reimburse the employee the allowed amount to repair or replace the item(s), provided such damage or destruction is not the result of the employee's negligence.
- b. Stolen Personal Items: The District will reimburse the employee the allowed amount for wallets/purses, outerwear and briefcases and contents, if appropriate, which are stolen while on school grounds.
- c. Stolen/Damaged Personal Property Used for Instruction: The District will reimburse the employee the allowed amount for stolen or damaged personal property used for instructional purposes at school.
- d. Damaged Property – Automobiles: The District will pay the allowed amount toward the insurance deductible for automobile damage due to vandalism providing the employee was acting within the scope of their employment.

16. Space for Personal Property

The District will provide a suitable space for reasonable personal effects, such as purses or briefcases in or reasonably near to each employee's office, classroom, or workspace that may

be locked or secured to inhibit theft by students, visitors or vendors. In the event an employee brings a larger personal item for use at work, specific security arrangements should be made with the building administrator if there is not adequate secure space in or near the employee's work area.

17. District and Other Equipment and Technology

- a. When employees are issued or entrusted with District equipment and/or electronic devices, the District agrees to not hold employees responsible for lost or damaged equipment when the employee's actions have been prudent.
- b. When an employee, in reasonably carrying out building, worksite or District policy or procedure utilizes or takes control of student equipment or devices the District will not hold the employee responsible for loss of or damage to the student's equipment or devices when the employee's actions in the matter have been prudent and consistent with policy or procedure.

18. Protection and Safety

- a. The District and the Association agree that schools need to be orderly, peaceful environments where high quality education can take place without the fear of physical and/or verbal violence.
- b. In order to meet the goal of having safe schools for employees and students while protecting the integrity of the learning environment, there must be policies and procedures that address the various aspects of school safety.
- c. It is not the intent of this policy to discourage individuals or groups from providing SSP employees with feedback, either positive or negative, regarding parents' or their children's concerns about the quality of instruction, classroom atmosphere, discipline, or interpersonal communication, or other relevant issues.
- d. The integrity of the instructional process should be paramount in the school system. In order to maintain that integrity, conferences, meetings, discussions of concerns, etc. should be scheduled. SSP employees will not be required to meet with parents during instructional day and/or clinic time if that interaction would interfere with the delivery of time sensitive or essential SSP services. If parents attempt to address concerns regarding their child with the SSP employee while the SSP employee is engaged in performing other essential functions, the SSP employee may direct the parent to either set up an appointment or to contact an administrator.
- e. When concerns are shared in a hostile manner by parents, guardians, or students through the use of abusive language, insults, threats, unwanted conduct, or loud discourse, the SSP employee is not obliged to continue.
- f. Harassment/intimidation exists if an individual or group:
 - i. Directs personal insults (whether transmitted in writing, orally, or by electronic means) that are likely to incite an immediate adverse response from the person(s) being addressed,

- ii. Threatens the employee with physical harm or actually harms a person,
- iii. Damages, defaces or destroys private property of any person,
- iv. Commits an act of harassment or intimidation (as defined by statute),
- v. Places a person in position of feeling at risk of emotional or psychological harm.

Staff members, who believe they have been the subject of harassment and/or intimidation, or who have witnessed harassment and/or intimidation, will report the incident immediately to the principal or designee. The results of any investigation will be reported to the complainant and further action as deemed appropriate will be taken (which may include reporting the incident to law enforcement authorities).

19. Additional Provisions

- a. The terms of this policy will continue in full force and effect unless changed through the negotiations process as set forth in Policy 4835.
- b. If any provision of this policy is found contrary to law, then such provision will be deemed null and void, but all other provisions or applications thereof will continue in full force and effect.
- c. Upon mutual agreement, this policy may be renegotiated in whole or in part at any time during the life of this policy.
- d. Any additions, deletions or revisions to this policy will be distributed to those affected, and be in effect after ratification by the Association membership and adoption of the Board.
- e. Neither the recognized Association nor the Board can refuse to negotiate this policy at the next requested round of negotiations, following the timeline set forth in Policy 4835, if this policy is included in the request. If the issues are unresolved as a result of the negotiations using all relief provided in Policy 4835, the provisions will remain in effect (except as provided elsewhere in this section) through the remainder of the SSP Employees' annual contract year.

B. Information

1. The District and the Association agree to furnish to each other information in response to specific requests or concerns including, but not limited to:
 - a. Proposed budgets, enrollment, and staffing data.
 - b. District-assigned specialists.
 - c. Annual financial reports and audits.
 - d. Agenda and minutes of Board meetings.
 - e. Census data as available.
 - f. Group SSP employee health insurance premiums and experience figures.
 - g. And such other information that will assist the informed and constructive creation and management of programs on behalf of the SSP employees and their students.
 - h. Information which may be necessary for the Association to process any grievance or complaint.
2. In addition, the District will provide employees access to the following on a regular basis:
 - a. Any changes to Board policies or administrative procedures.
 - b. Copies of agenda, minutes, and proceedings of all regular or special meetings of the Board, except those held in executive session.
 - c. Current and revised copies of Board policy, Negotiated Agreement, and administrative procedure books.
3. The District will allow use of duplication facilities and provide materials which will allow the Association to make up to ten copies of a particular document.
4. Each school or main administrative department will provide access to operational procedures and policies unique to that office or building. Personnel policies and procedures which are unique to SSP employees and affect SSP workload or compensation will be made available to each SSP on a school-year to school-year basis.

5. The District will communicate changes in policies or procedures within five (5) work days of Board approval or District enactment to licensed personnel who will be affected by the changes or who must implement these changes.
 6. All new SSP employees to the District will receive orientation upon hire. Responsibilities specific to various SSP positions will be covered during building and department-level training and orientation. Duties and responsibilities of SSP employees involving student supervision outside of regular assignments will be clearly explained as a part of the regular orientation program.
- C. Whenever any representative of the Association is required to participate during working hours in negotiations, grievance proceedings, conferences or meetings, that representative will suffer no loss of pay.
- D. Orientation programs for new SSP employees may be co-sponsored by the Board and the Association, with the Association obligated to assume only such costs as may be mutually agreed upon during the planning for such programs. To the extent prohibited by law, the Board will not be expected to assume the cost of purely social events conducted as part of such orientation programs, nor will the Association be expected to assume the cost of speakers, consultants and services normally considered an appropriate professional in-service training activity of a Board.
- E. Association President
- The President of the Association has the right to visit schools. The President will coordinate the visits with the offices of the principals in order to facilitate the purpose of this visit. Visits made to solve special problems of SSP employees will be arranged in advance by notifying the office of the principal. The President will follow regular sign-in processes per District safety procedures.
- F. The Association President will be furnished with all written communications by the central administration, which are published to aid in policy interpretation.
- F. Association Leaves
1. President – Upon request of the Association, the President of the Association may be released from work duties up to full time, and the Association will pay monthly seventy-five percent of the appropriate portion of the salary and benefits including PERA, paid on behalf of the President. Specific arrangements for the release time will be mutually agreed upon by the President and building principal involved, with the District responsible for paying the cost of the replacement. It is understood that there will only be one President for the Cherry Creek Education Association, Incorporated.
 2. The Association shall be granted association leave each school year for its identified members to attend workshops, conferences, and other activities of the Association and its state and national affiliates. The Association shall approve such requests. For such days, the Association will pay the actual substitute cost including PERA and Medicare, and the District will pay the per diem cost of the individual taking the leave.

3. Association leave may be used as necessary for SSP employees to testify at grievance hearings under Policy 4836 except as stipulated in Policy 4836, section E, 5.
4. Exceptions may be made upon mutual agreement.

G. Political Activities

The Association may distribute the organization's political positions through the same means provided for the distribution of other official organizational communications so long as that communication is clearly identified as the official position of the Association, provided that this paragraph will not apply to the use of the District's inter-school mail service, and said service will not be used to distribute material relating to the Association's political positions or material on behalf of The Fund for Children and Public Education or any local political action committee.

H. Payroll Deductions for Membership Dues

1. The District will deduct in equal monthly installments from SSP employees' salaries the dues for the Association as SSP employees individually, and voluntarily authorize and transmit the monies to the Association.
2. Such payroll deductions will be continuous from year to year for those SSP employees who have signed a continuing membership application and payroll deduction authorization form. SSP employees must notify the Association by August 31 of the contract year to follow to withdraw their request for payroll deductions.
3. The Association will notify the District prior to September 1 each year of the current rate of membership dues. The Association will submit authorization forms of new members to the District payroll office prior to the 10th of each month for dues to be deducted from that new member's payroll that month. The District will provide to the Association, on or before the last day of each month, a complete list of SSP employees for whom dues are being deducted and a list of SSP employees who dropped their membership that month.
4. In administering the District's payroll deduction system, the District will not make any additional expenditure of public funds or resources in order to collect or transmit contributions for any political action committee above and beyond the expenditures made to collect and transmit the dues for the Association.

4. Negotiations

A. Initiating Negotiations

1. Upon written request by the Association to the Board, or by the Board to the Association, after September 1 and no later than November 1, the Board and the Association will arrange for negotiation as provided for herein.
2. The Board will, upon the request of the Association, negotiate with the recognized Association in matters related to additions, deletions, and/or changes in Board policy as defined below. Nothing in this policy will be construed to preclude the Board from

conferring with any employee or employee organization on a policy matter. Either party may present to the other a written request to negotiate on matters related to additions, deletions, and/or changes to Board policies dealing with SSP employees' salaries, wages, benefits, and other terms and conditions of employment. Either party may seek review of the question of application of the proposals as they pertain to salaries, wages, benefits and other terms and conditions of employment utilizing the mediation section, the conducting mediation section, and the fact-finding section of this policy.

3. A written response will be made by the party in receipt of the request within eight (8) working days of the receipt of such request. This written response will indicate a time, date, and place for commencing negotiations.
4. All negotiating sessions will be conducted at a time and place mutually agreeable to the negotiators named by each party, provided, however, the first meeting will be held within fifteen (15) days of the original written request unless other arrangements are mutually acceptable.
5. In the event of legislative or regulatory changes, other than changes in the Colorado School Funding structure, the following paragraph will apply:

Notwithstanding the restrictions set forth above, in the event of a change in Colorado or Federal statute or regulation that invalidates part or all of an existing policy or procedure negotiated pursuant to this policy, or as a result of the change, the District plans to implement action(s) that will change or affect salaries, wages, benefits or other terms and conditions of employment of bargaining unit members during the term of this negotiated policy. Either the District or the Association may give notice to the other of reopening negotiations regarding the affected salaries, wages, benefits or other terms and conditions of employment of bargaining unit employees. Such notice must be given in a reasonable time prior to the effective date of the change in legislation, regulation, or district action. Additionally, the District will provide the Association with at least two (2) weeks notification of planned action to implement a change to comply with the statute or regulation. If either party gives notice of such a reopening, the other party will participate in negotiations regarding such change. Any such negotiations will be governed by and carried out in accordance with the procedures set forth in this policy.

B. Nature of Negotiations

1. The Board, through its representatives, and the Association, through its representatives, agree to negotiate in good faith endeavoring to reach agreement on matters open for negotiation consistent with the definitions included in the initiating negotiations section above.
2. During negotiations, the Board and/or its representatives and the Association representatives will present related data, exchange points of view and proposals, and counter proposals. The respective teams will endeavor to reflect the positions of the Board and the Association.
3. If negotiations are scheduled during the school day, release time will be provided by the Board. The cost of substitutes will be paid by the Association. If impasse is declared and sessions are held during the school day, the cost of substitutes will be shared equally by the Association and the District.

4. Release to the media will be made jointly. This will not preclude either team communicating with their constituents, or having members of the Board or members of the negotiating unit from observing negotiations.
5. The composition of each team will be established at the first session. Every effort will be made to keep the composition of each team the same. However, circumstances may arise which necessitate a change in the team composition. That team will make every effort to notify the other team prior to the next meeting.

C. Adopting Recommendations

1. Any agreement reached through negotiations will be put into written form, provided to each party, and indicated as the recommendation of the Board representatives and Association representatives for the approval of both parties. Such recommendation will carry the signatures of the spokesperson of each negotiating team.
2. The recommendation becomes policy when approved by the Association and adopted by the Board.
3. The Board cannot adopt any item of agreement that is contrary to the laws of the State of Colorado.
4. The parties recognize that the Board must, by law, adopt a salary schedule commensurate with its ability to fund future budgets. Therefore, in the event of a reduction in the District's overall revenue that may lead to the District's inability to fund the agreed to salary and benefits, the Board may move to reopen negotiations on financial matters (e.g., salary, benefits and work year) in order to achieve a balanced budget.
5. If applicable, the Association will pay for any printing of policies necessary for and prior to the ratification vote, or share these documents electronically. It is the Association's responsibility for communicating with their members with agreed upon negotiated agreements necessary for and prior to the ratification vote.

D. Mediation

1. If, during negotiations, as described, persistent disagreement is encountered, an impasse may be declared by either party at a negotiating session. Should impasse be in effect, the Board in its budget-building process will provide adequate funding for all proposals for which tentative agreement has been obtained, and consideration will be given for proposals still under negotiation.
2. If negotiations have reached an impasse, the issues in dispute will be submitted to a mediator for the purpose of inducing both parties to make a voluntary agreement. A concerted attempt will be made to find a mediator acceptable to both parties. If such a person cannot be found, a request will be made by either party to the American Arbitration Association for the names of five qualified mediators to be submitted to the Board representatives and Association representatives. The mediator will be selected by the parties alternately striking a name from the list of names until one mediator's name remains. The initial striking of a name will be done by the party who has not requested mediation. A

mediator will be selected, contracted, and retained within twenty (20) days of the formal declaration of impasse unless both parties agree otherwise.

E. Conducting Mediation

1. The format, dates, and times of meetings will be arranged by the mediator, and such meetings will be closed to the press. Releases to the media will be made jointly.
2. The mediator will meet with the Board representatives and the Association representatives either separately or together.
3. To the extent that tentative agreements are reached as a result of such mediation, the procedure provided in the adopting recommendations section will apply. If mediation fails in whole or in part, the mediator will report the issues that remain in dispute to the respective parties.
4. The cost for services of the mediator, including per diem expenses, if any, and necessary and actual travel expenses will be shared equally by the District and the Association.

F. Fact Finding

1. If the mediation described above has failed to bring about agreements on any of the issues submitted for mediation, only the issues that remain in dispute will be submitted to a fact finder.
2. In the event that the negotiating parties are unable to agree on a fact finder, the fact finder will be selected in the same manner as provided in the mediation section.
3. The fact finder will have the authority to hold hearings and make procedural rules.
4. The format, dates, and times of meetings will be arranged by the fact finder. All meetings by the fact finder will be closed to the press. Releases to the media will be made jointly.
5. Within fifteen (15) days after the conclusion of such hearings by the fact finder, the fact finder will submit a report in writing to the Board representative and the Association representative only. Said report will set forth the findings of fact, reasoning, and recommendations on the issues submitted. The report will be advisory only and binding on neither the Board representative nor the Association representative.
6. Within ten (10) days after receiving the report of the fact finder, the Board representative and Association representative will meet to discuss the findings of the fact finder. This meeting is a continuation of the negotiations process. This meeting is closed to the press. News releases made after fact finding and prior to this meeting will be made jointly.
7. The respective parties will take official action on the report of the fact finder no later than ten (10) days after the meeting or meetings described above.
8. To the extent that tentative agreement is reached on the issues in dispute as a result of such fact-finding, the procedures described and provided under the Adopting Recommendations section above will apply.
9. The cost for the services of the fact-finding will be shared equally by the District and the Association.

10. Either party may request that an official stenographic record of the testimony taken at the fact-finding hearings be made and a copy of any transcript will be provided to the fact finder. The party requesting a stenographic record will pay the costs thereof, except that if the other party requests a copy of any transcript, it will share the entire cost of making the stenographic record.

G. Committee Involvement

1. Task Forces

- a. Task Forces may be established, by mutual agreement to investigate specific problems or concerns and seek solutions to these problems or concerns.
- b. The number of members shall be mutually agreed to by the Superintendent or designee and the Cherry Creek Education Association.

2. Medical Advisory Board

The District will maintain a Medical Advisory Board composed of physicians and other healthcare professionals from the community. The Nurses will have representation on the Board.

3. Other District Committees

Appropriate SSP employees may serve on committees related to their field of expertise and/or licensure at the building or District level.

H. Additional Provisions

1. The terms of this policy will continue in full force and effect unless changed through the negotiations process as set forth in Policy 4835.
2. If any provision of this policy is found contrary to law, then such provision will be deemed null and void, but all other provisions or applications thereof will continue in full force and effect.
3. Upon mutual agreement, this policy may be renegotiated in whole or in part at any time during the life of this policy.
4. Any additions, deletions or revisions to this policy will be distributed to those affected, and be in effect after ratification by the Association membership and adoption of the Board.
5. Neither the recognized Association nor the Board can refuse to negotiate this policy at the next requested round of negotiations, following the timeline set forth in Policy 4835, if this policy is included in the request. If the issues are unresolved as a result of the negotiations using all relief provided in Policy 4835, the provisions will remain in effect (except as provided elsewhere in this section) through the remainder of the SSP Employees' annual contract year.

SSP Employees Grievance Procedures, Policy 4836

A. Definitions

1. A “grievant” will mean a party who has standing to initiate a grievance and meets one of the following criteria:
 - a. An SSP Employee or their representative on their behalf, or
 - b. a group of SSP Employees acting collectively, or their representative acting on their behalf, or
 - c. the Association acting on behalf of a group of bargaining unit members.
2. The term “grievance”:
 - a. Will mean a written complaint that there has been a violation or inequitable application of any of the provisions of policies or administrative procedures, or
 - b. will mean a written complaint that an SSP Employee has been treated inequitably by reason of any act or condition, which is contrary to established Board policy or practice governing or affecting SSP Employees, and
 - c. will refer only to matters in which the Board has authority to act.

In this policy, “Days” refers to regularly-scheduled contract days for all parties involved so that all persons needed for the matter are available.

B. Purpose

1. Good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure, at the lowest possible management level, equitable solutions to the problems which arise from time-to-time. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing contained herein will be construed as limiting the right of any SSP Employee having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted, provided the adjustment is consistent with Board policy.

C. Timelines for Filing Grievances

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limit specified may, however, be extended or reduced by mutual agreement. Every attempt will be made to resolve grievances before the end of the grievant's contract year.
2. The maximum time allowed to file a grievance shall be thirty (30) days from the date the grievant knew or reasonably should have known of the grievable act or omission.

D. Procedures

1. Representation: Throughout Levels One and Two of the grievance procedures listed below the grievant may at any time:
 - a. Represent themselves, or
 - b. request that the Association's Representative attend any meetings with him/her to provide advice or to speak on their behalf, or

- c. request the Association represent him/her, or
 - d. request their own designated representative or counsel to accompany him/her or act on their behalf.
2. Informal Conference: Prior to the filing of a grievance, in an effort to resolve the issue(s) the grievant shall make reasonable attempts to initiate/discuss or an attempt to initiate/discuss the issue(s) informally with the grievant's principal or supervisor.
 - a. If an informal conference is held after the deadline for filing (see C-2 above), the SSP Employee may file the grievance within seven (7) days after the informal conference.
 - b. The grievant has the right to file a grievance within the deadline even if an informal conference has not been held.
 - c. The Solutions-Based Leadership process as outlined in Policy 4838 will serve as the preferred method for an informal conference.
 3. Level One - If not resolved through the informal conference, the grievant may file the grievance in writing with the principal or supervisor. The written grievance will state the nature of the grievance, the provision(s) of the agreement or any policy concerning terms and conditions of employment allegedly violated, and the relief requested.
 - a. The time limit for a principal or supervisor to process a grievance at Level One and provide the grievant and their representative a written response using Grievance Form B 4836.2 will be seven (7) days. The seven-day period will begin when the principal or supervisor receives the written grievance submitted by the grievant.
 4. Level Two - If the grievant is not satisfied with the written response at Level One, or a written response has not been received within the time limit specified herein, the grievant may file a written appeal to the District Administrator responsible for handling grievances. This appeal must be received within seven (7) days following receipt of the written response rendered by the principal or supervisor, or in the absence of such written response, within seven (7) days of the expiration date of the time period specified for such written response.
 - a. The District Administrator responsible for handling grievances ("Level Two Administrator") will represent the Superintendent at Level Two of the grievance procedure.
 - b. Within forty-eight (48) hours, or two days, whichever is longer, of its receipt, the District will provide the CCEA President with copies of any grievances filed at Level Two (including the Level One form and the Form B response to it unless such response was not given) unless the Association is already the grievant's representative or a party to the Level Two grievance. The District will notify the CCEA of the date and time for the Level Two hearing, and the CCEA will be allowed to have a representative present at the proceedings.
 - c. No additional grievance items may be added to the Level Two grievance that were not addressed in the Level One grievance. In the event additional information for a grievance(s) becomes known in preparation for the Level Two hearing, a new grievance(s) will need to be initiated at Level One to address those additional items. The original grievance shall not determine the timeliness of the subsequent grievance(s) under Policy 4836.C.2.

- d. The Level Two Hearing will take place at a mutually agreeable time within seven (7) days after the receipt of the written appeal from the grievant or at a later mutually agreed upon time.
 - e. At the initial meeting of Level Two, the Level Two Administrator will hold a hearing at which both the grievant, with or without a representative(s) chosen by the grievant, and the appropriate administrator(s) are present.
 - f. After the Level Two Hearing, the Level Two Administrator may investigate and consult with the grievant and/or the appropriate administrator(s) in an effort to resolve the grievance.
 - g. Within ten (10) days after the hearing, the Level Two Administrator will provide a written document on the proposed resolution of the grievance to all parties of interest, including CCEA, setting forth the decision and its rationale.
5. Level Three - If the grievant does not accept the Level Two Administrator's resolution at Level Two or a written response has not been received within the time limit specified, the Association may choose to submit the grievance directly to the Board for a hearing on the grievance or choose to submit the grievance to Arbitration.
- a. To initiate Level Three proceedings, the Association will notify the superintendent or designee in writing within ten (10) days of receiving the Level Two administrator's decision.
 - b. The names of three approved Hearing Examiners will be listed in alphabetical order. The name at the top of the list will be the Examiner used for the Level Three Hearing. If the person at the top of the list cannot serve, the second will be contacted and so on. Once a Hearing Examiner has served, that name will be placed at the bottom of the list. This person will be called upon again only if the first two cannot serve, or when that name moves upward on the list. The cost of the hearing will be shared equally by the Board and the CCEA.
 - c. The Hearing Examiner will have the authority to hold hearings, collect written and verbal testimony and make procedural rules. If the Hearing Examiner is unable to provide a neutral and cost-free site for hearings, the District and the Association will mutually agree upon using a District or CCEA property. The Hearing Examiner will have no authority to amend, modify, ignore, add to or subtract from the provisions of Board Policy. The Hearing Examiner will also be without power to issue an award inconsistent with the laws of the State of Colorado.
 - d. All hearings will be closed to persons not specifically involved in the grievance. The Hearing Examiner's written report will be mailed simultaneously to the Board and the grievant within twenty (20) days of the conclusion of the hearing, and will set forth finding of fact, reasoning, conclusions, opinions and recommendations on the issues submitted. The report will be advisory only and be binding on neither the Board nor the grievant and/or representative.
 - e. No party shall be permitted to assert any ground in the arbitration proceedings if such

ground was not disclosed to the other parties before the completion of the Level Two Hearing. Neither shall any party be permitted to assert any evidence that was not known or should have been known but not disclosed prior to the completion of the Level Two Hearing. If any new evidence will be used at Level Three, such evidence shall be exchanged by the parties at least fifteen (15) days prior to the arbitration hearing, unless a mutually agreed upon extension.

- f. After conclusion of the hearing of the grievance by the Board, or after receiving the report of the Hearing Examiner, the Board will take action on the resolution of the grievance in a timely fashion at a regularly-scheduled Board meeting.

E. Miscellaneous Provisions

1. No reprisals will be taken against any person involved in any way in the grievance procedure by reason of such participation.
2. A class-action grievance may be filed by:
 - a. An aggrieved group of SSP Employees from different buildings or the Association acting on their behalf or
 - b. if a grievance affects a group of bargaining unit members, the Association may submit such a grievance, and
 - c. a class-action grievance must be filed in writing by a group of bargaining unit members or by the Association leadership on behalf of a group of bargaining unit members within thirty (30) contract days following the act or condition that is the basis of the grievance and the grievance shall begin at Level Two. The procedures of this policy, as outlined in Level Two, and Three shall be followed for class-action grievances.
3. All written and printed matter dealing with the processing of a grievance will be filed separately from any other personnel files/record(s) of the participants.
4. At all steps of the process, the District and the grievant will make available to one another all information permitted by law which is in their possession or control, and which is relevant to the issues raised by the grievance upon request. Such information will be provided no later than two (2) days after a request for the information has been made and not later than two (2) days prior to any hearing provided the request is made at least four (4) days prior to the hearing.
5. When necessary at Level Two and Level Three for the grievant to attend a meeting or a hearing called by the Board, the Administration, or the Hearing Examiner, the Principal(s) of such SSP Employee(s) will be notified, and he/she will be released without loss of pay for such time as attendance is required. If substitute SSP Employees are needed, the cost will be shared equally by the grievant and the Board. Association leave will be charged where applicable for the Association's Representative, serving as the grievant's representative, or at Level Three as the Association's Representative.
6. Failure at any level of this procedure to appeal a decision in writing within the specified or mutually agreed upon time limits will indicate the forfeiture of the right of the grievant to proceed further in the grievance procedure, and the grievance will be considered settled, based upon the decision as stated in the previous step of the procedure.
7. The District and the Association will select a mutually-acceptable list of three (3) permanent Hearing Examiners. This list of individuals will be reviewed and updated annually.

8. Any provision of this policy may be modified if the parties mutually agree to do so. Such agreement(s) should be in writing.
9. This procedure will not abrogate the rights and responsibilities of the Board under the provisions of the SSP Employee Employment, Compensation, and Dismissal Act of the State of Colorado or other applicable laws.

F. Additional Provisions

1. The terms of this policy will continue in full force and effect unless changed through the negotiations process as set forth in Policy 4835.
2. If any provision of this policy is found contrary to law, then such provision will be deemed null and void, but all other provisions or applications thereof will continue in full force and effect.
3. Upon mutual agreement, this policy may be renegotiated in whole or in part at any time during the life of this policy.
4. Any additions, deletions or revisions to this policy will be distributed to those affected, and be in effect after ratification by the Association membership and adoption of the Board.
5. Neither the recognized Association nor the Board can refuse to negotiate this policy at the next requested round of negotiations, following the timeline set forth in Policy 4835, if this policy is included in the request. If the issues are unresolved as a result of the negotiations using all relief provided in Policy 4835, the provisions will remain in effect (except as provided elsewhere in this section) through the remainder of the SSP Employees' annual contract year.

Collaboration and Conflict Resolution to Prevent Workplace Conflict and/or Bullying,

Policy 4838

1. Policy Summary

- A. The Cherry Creek School District is committed to working collaboratively among stakeholders to encourage and support a school and workplace climate conducive to teaching and learning while ensuring that all CCSD employees have a safe workplace, one where all employees are equally accountable for creating and maintaining a safe culture. The District considers workplace bullying to be unacceptable and shall not be tolerated. Differences of opinion, interpersonal conflicts, and occasional problems in working relations are an inevitable part of working life and do not necessarily constitute workplace bullying.
- B. The prevention of workplace bullying, as well as the prevention of retaliation against individuals who report acts of workplace bullying, requires a system-wide effort involving prevention, intervention, reporting, investigation and resolution.
- C. As problems arise, good morale is maintained when sincere efforts of all persons involved are made to work toward constructive solutions in an atmosphere of courtesy and cooperation. The purpose of this policy is to secure, at the lowest possible administrative level, equitable solutions to the problems which may, from time to time, arise, affecting the welfare or working and learning conditions educators and their students.
- D. The District and the Association agree to support and participate in Solutions-Based Leadership as a process for resolving workplace conflicts and/or preventing bullying. Building administrators and ARs will also commit to participating in Solutions-Based Leadership by meeting regularly with the goal of effectively addressing building concerns as they arise and cultivate an ongoing collaborative

relationship. Cooperation is imperative throughout this process.

2. Policy Statement

A. Prohibited Conduct

Bullying behavior is often persistent and part of a pattern, but it can also occur as a single event. This is defined as conduct that is unwelcome, repeated, deliberate, hurtful, threatening, humiliating, intimidating, or acts of sabotage. These behaviors, whether verbal, physical or otherwise, interfere with work and may create a hostile, offensive and/or toxic workplace. These behaviors are typically conducted by one or more employees against another employee or other employees. Workplace bullying often involves an abuse or misuse of power and authority.

Examples of workplace bullying may include but are not limited to the following:

1. Conduct that a reasonable person would find hostile, offensive, and unrelated to the employer's legitimate business interest;
2. Spreading misinformation or malicious rumors;
3. Behavior or language that frightens, humiliates, belittles, or degrades, including criticism or feedback that is delivered with yelling, screaming, threats, insults, angry outbursts, excessive profanity or name calling;
4. Excessive monitoring or micro-managing;
5. Making repeated inappropriate comments about a person's appearance, lifestyle, family, or culture;
6. Regularly teasing or making someone the brunt of pranks or practical jokes;
7. Interfering with a person's personal property or work equipment;
8. Circulating inappropriate or embarrassing photos or videos via e-mail or social media;
9. Unwarranted physical contact;
10. Purposefully excluding, isolating, or marginalizing a person from normal work activities;
11. Being held to a different standard than the rest of an employee's work group;
12. Work overload, unrealistic expectations and or meaningless tasks; and/or
13. Encouragement of others to turn against the targeted employee.

B. Workplace Bullying vs. Supervision

It is important to distinguish between workplace bullying behavior and appropriate workplace supervision by administration. Reasonable administrative actions include, but are not limited to, the following:

1. Providing performance evaluations;
2. Providing constructive feedback;
3. Scheduling ongoing meetings to address performance issues, including Directed Improvement Plans;
4. Setting performance goals, standards and deadlines;
5. Implementing organizational changes;
6. Counseling and/or disciplining an employee for misconduct; and/or
7. Investigating alleged misconduct.

Nothing in this language limits the District's responsibility and authority to evaluate employees and to make hiring, non-renewal, and termination decisions in accordance with applicable law and CCSD School Board Policy.

C. Periodic and Ongoing Professional Development

1. The District, in partnership with CCEA, will develop and implement procedures for periodic and ongoing professional development on workplace conflict and/or bullying prevention through Solutions-Based Leadership practices. This professional development is designed to increase understanding and awareness of the prevalence, causes, and consequences of workplace conflict and/or bullying. The overarching goal of this professional development is to solve issues at the building level.
 2. The District, in collaboration with CCEA, will ensure that professional development on workplace conflict resolution and/or bullying prevention is provided annually to all principals and building association representatives. This training will be provided at the beginning of each school year.
3. Process for Reporting Workplace Conflict and/or Bullying
- A. Reporting an allegation
1. The first step will be to utilize the Solutions-Based Leadership process at the building level. The employee will provide information of the bullying / conflict to the building principal and, if appropriate, a staff representative such as a building AR. All parties will work collaboratively, in a good faith effort, to resolve the issue in a timely manner.
 2. Employees making reports of workplace bullying will discuss with all involved parties the possible options for resolving violations of this policy.
 3. In the event a resolution to the conflict cannot be reached at the building level, the issue will be escalated to the Office of Employee Relations and, if appropriate, Association leadership (e.g. CCEA President and/or assigned representative) who will work jointly to reach a solution. The solution obtained at this level is final.
 4. The District will not respond to reports of bullying brought anonymously or by third parties not directly involved in the complaint.
 5. In accordance with Human Resources Policy, retaliation is prohibited.
4. Policy Definitions
1. The term “SSP,” “nurse,” or “SSP employee” may be substituted herein for the term “employee” as the context requires.
 2. The term “administration” and/or “administrator(s)” as used in policy will mean a collective body of persons who manage, administer, or direct the total educational enterprise of the District in whole or any part thereof. (e.g. principal, assistant principal, and/or any member of the District’s Leadership Team).
 3. The term “employee(s)” as used in this policy shall be anyone employed by the Cherry Creek School District.
 4. A Teacher on Special Assignment or “TOSA,” Coordinator of Student Achievement or “COSA” or any other non-administrator positions such as (PASS, deans, athletic directors, department heads, school counselors, instructional coaches, talent/gifted coordinators, evaluators, etc.) used in this policy are educators who serve in quasi-administrative roles.

5. Additional Provisions

1. The terms of this policy will continue in full force and effect unless changed through the negotiations process as set forth in Policy 4835.
2. If any provision of this policy is found contrary to law, then such provision will be deemed null and void, but all other provisions or applications thereof will continue in full force and effect.
3. Upon agreement, this policy may be renegotiated in whole or in part at any time during the life of this policy.
4. Any additions, deletions or revisions to this policy will be distributed to those affected and will be in effect after ratification by the Association Membership and adoption of the Board.
5. Neither the recognized Association nor the Board can refuse to negotiate this policy at the next requested round of negotiations, following the timeline set forth in Policy 4835 if this policy is included in the request. If the issues are unresolved as a result of the negotiations using all relief provided in Policy 4835, the provisions will remain in effect (except as provided elsewhere in this section) through the remainder of the SSPs' annual contract year.

Work Year, Working Hours and Working Schedule, *Policy 4816*

A. School Calendar Year

Consistent with the following information determination of the percentage of the SSP employee's initial contract will be the decision of the Superintendent, or designee, and the building administrator, if applicable, with appropriate recommendation to the Board.

1. The school calendar year will commence August 1 and terminate July 31 for the purposes of clarification of contracts, granting of increments, and payment of extended contracts.
2. A regular contract for SSP employees will be one hundred eighty-five (185) days. A regular contract for SSP employees, except nurses, in their first year of employment in the district will be one hundred eighty-seven (187) days. An SSP employee may, however, with Board approval, contract for more days than the regular contract.
3. For regular contracts, workdays for bargaining unit members will be scheduled as follows:
 - a. SSP employees shall have:
 - No more than one hundred seventy-four (174) days scheduled as student contact days, and;
 - Eleven (11) student non-contact days. These days will be identified on the individual SSP employee's calendar, if applicable.
 - The additional contract days for SSP employees shall be scheduled as pupil non-contact days.
 - b. All SSP employees will have the Wednesday before the Thanksgiving break off as compensatory time for additional duties performed outside the workday.
4. An SSP employee may mutually agree with their principal to work more than a regular contract with approval from the appropriate department supervisor. SSP employees who work more than the regular contract will be compensated at their per diem rate.
5. For contracts greater than a regular contract in length, the SSP employee will have at least the number of contact days and non-contact days specified in the applicable section above. The nature of the additional days (contact or non-contact) will be determined by the specific need the additional days are designed to address. Any SSP employee contracted to work more than two hundred twenty-four (224) days will be contracted to work a total of at least twelve (12) pupil non-contact days. Pupil non-contact days will be part of the total contracted days.
6. The primary purpose of the student non-contact days is the completion of required paperwork. An SSP employee and administrator may mutually agree to use student non-contact day for: staff orientation, individual staff planning, staff and/or team meetings, parent conferences, and continuing education. All scheduled activities will be carefully planned and conducted to best accomplish these purposes.
 - a) When averaged over the school year, at least 50% of the time for non-contact days that is not scheduled for parent conferences will be directed by the SSP Employee. The scheduling of SSP employee directed non-contact time stated above will be increased by an additional one-half (½) day.

- b) Before the start of each school year, the principal or designee at each building will submit to the Office of Human Resources and the building's teaching staff a schedule indicating the activities for each student non-contact day, showing the time for SSP employee's directed time.
- c) If it is necessary to adjust the activities for a student non-contact day, the revised schedule must still comply with the above provisions of this section.
- d) All SSP employees who are in their first year in the district shall work a calendar as defined in section 2 above.
- e) Assignment calendars for less-than-full-time SSP employees assigned to one or more buildings, based upon assigned workdays, will be completed by the employee and approved by their administrator(s), or designee, and the employee will send a copy to the Office of Human Resources.
- f) Nurses and itinerant SSP employees will not be required to attend building meetings held during student non-contact days.
- g) Nurses who are assigned to work at more than one site shall have one (1) additional pupil non-contact day scheduled each month (August through June), with a substitute nurse, provided by the District. The purposes of these days are for the nurse to collaborate with, and supervise, the health tech at the site. These days may also be used for the completion of required health office paperwork. The dates for these additional non-contact days will be identified prior to a nurse signing the contract for the upcoming school year subject to revision by mutual agreement.

B. Forty (40) Hour Work Week

- 1. The length of the workday for SSP employees will be eight (8) hours including the duty-free lunch period.
- 2. The workweek will be forty (40) hours each week.
- 3. Administrators will use discretion for individualization of the eight (8) hour workday for SSP employees. If a crisis (e.g. Suicide Risk Assessment, threat assessment, etc.) requires an SSP employee to work outside of their scheduled workday, an SSP employee may adjust their time beyond the scheduled workday, as long as they maintain a forty (40) hour workweek. Such flexible time will be jointly agreed to between the SSP employee and the administrator.

C. Office Space and Storage of Confidential Materials

The District will provide for SSP employees office space to ensure professionalism and confidentiality. This space will include a work area (table – desk), sufficient space for groups, phone, and a locking file.

- 2. All nurses are required to attend nine (9) monthly health services meetings during their calendar year. These meetings will occur outside the workday. On those occasions when a nurse cannot

attend a meeting, the nurse will be expected to contact Health Services either prior to the meeting, if the absence is preplanned, or subsequent to the absence. Nurses will receive one (1) additional day's pay at their per diem in their June paycheck provided they do not miss more than two meetings. This rate will not adjusted to reflect a payment based on any other proportion of attendance.

E. Duty-Free Lunch

Each SSP employee will receive a minimum of thirty (30) continuous minutes for lunch such that:

1. The SSP employee shall not be assigned to any instruction, duty or supervision, and;
2. The SSP employees lunch period will be scheduled between 10:00 a.m. and 2:00 p.m. and;
3. SSP employees may leave the building during their duty-free lunch but must follow building notification procedures and;
4. It is understood that SSP employees will notify the site's main office where they can be reached during their lunchtime for emergency situations.

F. SSP-Directed Time

1. Each full-time SSP employee shall be allowed to schedule a minimum of two-hundred fifty (250) minutes per week of SSP-directed time during the workday. This time would be protected, except in the case of a crisis (e.g. Suicide Risk Assessment, threat assessment, injury, etc.), for the purpose of completing activities related to providing specialized services for students, including but not limited to: completing paperwork, preparing and analyzing assessments, and/or preparation of IEP-required service minutes but exclusive of meetings, working with students, duties, supervision, and their duty-free lunch.
2. Additionally, each SSP employee who works primarily at the elementary level will be provided one-half day (1/2 day) of release from regular duties annually for the purpose of engaging in individual, team, or grade level planning and collaboration. The scheduling of such time shall be determined by the staff and the principal in coordination with the District so that it will not adversely affect building or district operations.

In the event of adverse weather conditions causing a delayed start, SSP employees, taking into account weather and road conditions, should report to their site as expeditiously as possible.

Contracts for SSP Employees, Policy 4873

- A. All newly hired SSP employees defined in Policy 4879 shall serve on an annual year-to-year contract for three (3) consecutive years. At the end of any of those three (3) years, the District may choose not to offer further employment. Any SSP employee who is not notified of the District's intent not to offer further employment in writing by the Superintendent, or designee, before June 1 at the end of any of the first three (3) years of employment shall be reemployed for the following school year. Any SSP employee whose contract percentage will be reduced for the following contract year shall be notified in writing by June 1 of the current school year.
- B. Once an SSP employee has served three (3) or more consecutive years in CCSD and received effective evaluations for three (3) consecutive years, inclusive of employees hired prior to July 1, 2022, they shall have their contract renewed for the following year unless any of the following circumstances take place:
1. The SSP employee received an ineffective or partially effective summative evaluation for both the current year and previous year. The District retains the ability to offer continued employment.
 2. The SSP employee engages in conduct giving rise to just cause for termination. A due process hearing is not required to make this just cause determination. Just cause is defined as one or more of the following grounds:
 - a. Physical or mental disability
 - b. Incompetency
 - c. Neglect of duty
 - d. Immorality
 - e. Unsatisfactory performance
 - f. Insubordination
 - g. The conviction of a felony or the acceptance of a guilty plea, a plea of nolo contendere, or a deferred sentence for a felony
 - h. Other good and just cause
 3. The School Board determines that because of fiscal exigency, there is a need to cancel an SSP employee's contract during the contractual period when there is a justifiable decrease in the number of SSP positions in accordance with Policy 4890.
- C. SSP Employees will be informed of the following year's contract percentage prior to June 1 of the current school year.
- D. The employee will have ten (10) working days to respond in writing and provide their response. The Superintendent or their designee will make a final recommendation to the Board. The recommendation will include all documentation related to the recommendation. The Board will make a final decision within 20 working days of the employee being notified of termination of their contract. The employee will have access to representation during this process.
- E. Summative evaluation results cannot be grieved, but an SSP employee can choose to appeal a partially effective or ineffective summative evaluation within five (5) working days of a final summative evaluation. The SSP employee will notify their evaluator and the Chief Human Resources Officer in writing to request said appeal. The Chief Human Resources Officer and/or their designee will schedule and convene the review panel within ten (10) working days.
- F. The review panel shall be comprised of individuals who were not directly involved in the evaluation process for the appealing employee and who do not work directly with the appealing employee. The panel will be comprised of an equal number of SSP employees and administrators with no more than six (6) panel members total. The Association President and the Chief Human Resources Officer will appoint up to three

members each. The panel shall review the evaluation documents and ensure that the evaluation process was followed and data attributed to the SSP employee is accurate. The panel can request additional documentation as needed. The panel shall make a recommendation to the Superintendent to keep or overturn the original rating. If the employee's original rating is overturned, the employee will be held harmless for that year's evaluation. The recommendation of the panel will be made by a simple majority vote. If the vote of the panel is a tie, the original rating will stand. The determination of the Superintendent shall be provided in writing to the parties within five (5) working days. This determination will be final with no further appeal available.

Assignment, *Policy 4874*

For the purposes of this policy, SSP Employees are District employees whose assignment to a particular worksite is under the supervision of the appropriate District-level department.

To meet staff desires, any SSP Employee may request reassignment for the following school year.

All SSP Employees will be in assignments prior to any outside candidates being considered for employment. Qualified SSP employees will be considered for reassignment prior to outside candidates being considered.

A. Definitions, General Considerations, Procedures

1. Assignment

- a. Assignment shall refer to the position held by a District-assigned SSP Employee at a specific school or site.
- b. Any SSP position that becomes open whether newly created because of an increase in staffing or due to a vacancy shall be covered by this Policy.
- c. When an SSP position becomes available within the District any SSP Employee within the District qualified to fill that assignment will be given consideration before outside applicants are considered.
- d. In order to be responsive to the needs of staff members, schools and their students, assignments will be completed as soon as possible. Whenever practical, any assignment will be effective at the beginning of the academic year, and the SSP Employee being reassigned will be notified of such move by June 1.
- e. If there are no open SSP positions available for assignment, the provisions of Policy 4890 shall be utilized.

2. Involuntary Reassignment

- a. Involuntary reassignment shall mean a District-initiated reassignment from one school or site to another. The District and Association recognize the need for some reassignments of SSP Employees may be unavoidable. It is agreed that involuntary reassignment should be held to a minimum, and involuntary reassignments should not result in an assignment of an SSP Employee to a position for which they are not qualified by academic preparation or license.
- b. All District-initiated reassignment(s) must be completed before the voluntary reassignment process will begin.
- c. The involuntary reassignment of an SSP Employee should be used to best meet the needs of all students in the District, and every reasonable effort should be made to ensure continuity and consistency in assignments. Maintaining open communication with the affected SSP Employees(s) is encouraged to help reduce the stress associated with involuntary reassignment.
- d. In order to ensure the most transparent and effective reassignment process, SSP Employees and administrators should expedite the identification of vacancies that become available through normal attrition (e.g., retirements or resignations) as well as increases to staffing.
- e. In an effort to provide clarity and transparency for the need for involuntary reassignment, the appropriate District department leader, or designee, will determine staffing needs at a school or site based on meeting the needs of the District's strategic plan.
 - i. Should there be more than one qualified SSP Employee eligible for reassignment from a building or site, there will be a request for volunteer(s) to be reassigned. If no SSP Employee volunteers to be reassigned, the District and the Association agree that meeting the needs of students should be the guiding factor in making a decision on reassignment.
 - ii. The District will make a good faith effort not to reassign an SSP Employee more than once in any three-year period. This should not prohibit an SSP Employee from voluntary reassignment.
 - iii. Any SSP Employee currently on a Directed Improvement Plan (DIP) or Remediation Plan may be reassigned following communication between the District department leader, or designee, the SSP Employee, their own designated representative, and the affected principal/supervisor. In all instances where the SSP Employee is reassigned, they will continue to be subject to the DIP or Remediation Plan.
- f. The appropriate District department leader, or designee, will preliminarily inform the Office of Human Resources of the potential need for involuntary reassignment. Within five (5) days of the Office of Human Resources confirming the need for involuntary reassignment, the appropriate District department leader, or designee, must notify the affected SSP Employee(s), the principal(s), the Office of Human Resources and the Cherry Creek Education Association (CCEA) in writing of the assignments (e.g., school, percent of contract affected) requiring involuntary reassignment. These notices will contain the reason(s) for involuntary reassignment in writing.
- g. Any SSP Employee being involuntarily reassigned may request the Superintendent, or designee, to review the recommendation for reassignment. If within one (1) year, a similar position arises at the SSP Employee's previous school or site, the employee will be given an opportunity to return if they desire.

- h. Once notified of the need for involuntary reassignments by the appropriate District department leader, or designee, the affected SSP Employee will still have the opportunity to pursue voluntary reassignment.

3. Voluntary Reassignment

- a. Voluntary reassignment shall mean an employee-initiated reassignment to another school or site. The District and the Association recognize that in order to meet the needs of both students and employees, SSP Employees should have the opportunity to pursue vacant positions when they become available.
- b. The Office of Human Resources, with the appropriate District department, will determine which SSP Employee vacancies will be posted for voluntary reassignment. For postable assignments, any qualified SSP Employee is encouraged to apply through the District's identified application and hiring process. All qualified reassignment applicants will be considered, and the hiring administrator will select reassignment applicants for interviews.
- c. Non-postable assignment(s) may be necessary for partial-FTE positions and/or assignments of less than ninety (90) contract days. The District department leader, or designee, will notify all SSP Employees whose licensure meets the requirements of a vacancy of the non-postable assignment. SSP Employees will have eight (8) calendar days after notification of non-postable assignment(s) to inform the District department leader, or designee, of an interest in a particular assignment.

B. In-District SSP Employee Exchange

- 1. SSP staff members wishing to pursue the "In-District SSP Exchange" may do so on their own.
- 2. Any SSP Employee in the Cherry Creek School District interested in exchanging positions with another SSP Employee of the District may do so if the following specific conditions are met.
 - a. SSP exchanging positions must have written approval of each principal or site supervisor involved in the exchange, and the Executive Director of Student Achievement Services or designee.
 - b. The specifics of the exchange will be agreed to by each SSP Employee involved in the exchange.
 - c. Exchange should be for a predetermined period of time mutually agreeable to all parties.
 - d. The time may be modified only if mutually agreeable to all parties.
 - e. Other specific conditions may apply, providing that they are mutually agreeable to all parties.
 - f. Exchanges will be reported to the Office of Human Resources and the Executive Director of Student Achievement Services or designee.
- 3. SSP Employees involved in the "In-District SSP Exchange" will be considered as occupying their original pre-exchange position for the purposes of determining continued employment in the event of any reduction or changes in program or staffing unless it is otherwise explicitly agreed.

Revised: April 18, 2013

Adopted: September 9, 2013

Effective: July 1, 2013

Reduction in Force, *Policy 4890*

1. If a reduction in force is necessary, cancellation of SSP employees' contracts will be made according to seniority. Seniority will be determined according to an employee's original assignment date (first day of work). If more than one employee has the same original assignment date, the order of seniority will be by lot.
2. An employee whose contract was canceled will be reemployed if a position opens within twenty four months of the contract cancellation. Such reemployment will be by inverse seniority of those whose contracts were canceled. For positions which open after the twenty fourth month, the individual must use the normal application process for employment.
3. The District will attempt to minimize contract cancellations through retirements (including financial inducements when feasible), resignations and extended leaves of absences.
4. Because funding from multiple sources supports many District SSP employee positions, the percent of an SSP Employee's contract will be determined by the percent of the previous year's contract, up to one hundred percent (100%). Any future mutually agreed upon increase or decrease in the percentage of contract will become the new guaranteed minimum percentage, up to one hundred percent (100%).
 - a. If sufficient positions are not available to provide all SSP employees with a contract at the percentage they held the previous year, up to one hundred percent (100%), the reduction in force Policy 4890 shall be applied.

Revised: June 13, 1994
Adopted: June 24, 1994
Effective: July 1, 1994

Mental Health Intern Usage, *Policy 4875*

- A. It is not the intent of the District to replace existing mental health staff with paid interns. However, the District reserves the right to allocate mental health positions in accordance with existing budgetary conditions and needs projections.
- B. The District agrees to use paid interns in an amount not to exceed seven percent of the number of mental health FTE's allocated in any given year. In its recommendations regarding the placement and supervision of interns, the Assistant Superintendent of Special Populations will consider the quality of the supervisory experience for the intern, the competencies of the intern in relation to the needs of the building, the continuity of program at a given facility, accepted guidelines from state and national organizations and requirements of the program as outlined by the sponsoring university or college.
- C. The District and the Association agree to evaluate the effectiveness of this program to determine what changes, if any, should be made.

Adopted: June 12, 2017
Effective: July 1, 2017

Resignation/Retirement, Policy 4881

Resignation

Written notice of intent to resign (i.e. to separate or to retire from the District) must be received by March 1 of the school year prior to the proposed effective date of employment termination. This requirement may be waived by the Chief Human Resources Officer in case of emergency. All resignations must be approved by the Board of Education.

Contractual agreements shall be entered into in good faith on the part of both parties. Therefore, whenever the length of the contractual agreement is not fulfilled, either before or after the start of the school year contracted, the Board of Education reserves the right to collect or withhold damages as specified and authorized by Colorado Statute.

Retirement/Service Bonus and Accumulated Leave Payout

A. Introduction

Each eligible SSP Employee will have the privilege to accept or reject the payments and/or benefits outlined in this policy. No SSP Employee will be entitled to receive compensation from this program more than once. Any SSP Employee who participated in the "Experience and Longevity Plan" will not be eligible for this Retirement/Service Bonus.

B. Eligibility Criteria

Such time must be without a break in service to the District (Board-approved leaves of absence are not considered a break in service). Additionally, the applicant must have been employed (or on a Board-approved leave) for at least ninety (90) working days in the current school year to be eligible (Policy 4141 (2)(E)(1)(F)).
2. "Full-time," for purposes of this policy, is defined as meeting the criteria for vertical movement on the salary schedule per policy 4141(2)(F)(2) for teacher experience and per policy 4841(D)(2)(3) for SSP employees.
3. Has submitted a written resignation from employment in the District to the Office of Human Resources. This resignation shall be effective prior to receiving cash and/or benefits under this policy.

Has been employed by the District as a full-time teacher or SSP employee in a position requiring certification/licensure for no less than ten (10) consecutive years immediately prior to application for benefits under provisions in this policy. Such time must be without a break in service to the District (Board-approved leaves of absence are not considered a break in service).
2. "Full-time," for purposes of this policy, is defined as meeting the criteria for vertical movement on the salary schedule per policy 4141(2)(F)(2) for teacher experience and per policy 4841(D)(2)(3) for SSP employees.
3. Has submitted a written resignation from employment in the District to the Office of Human Resources. This resignation shall be effective prior to receiving cash and/or benefits under this policy.

4. Has completed an individual Retirement Application and Agreement (Administrative Procedure 4119.1), and has submitted it to the Office of Human Resources.

C. Granting of Benefit to Eligible Applicants

1. The District will budget each year for teachers and SSP employees to receive this benefit and could negotiate to impose a spending cap in the following year if the benefits listed below exceed the budgeted amount:
 - a. This retirement/service bonus;
 - b. The payments for accumulated paid leave (under Procedure 4151.6, and 4873.2) to participants who receive payments under this retirement/service bonus plan, and
 - c. The longevity schedule payments under Policy 4841 (F) (3) (Compensation for SSP employees at Maximum) and under policy 4141 (Compensation for Teachers at Maximum).
 - d. Compensation for accumulated paid leave for any employee other than one receiving this retirement/service bonus.
2. Retirement/Service Bonus and Accumulated Leave Payments excluded from the budgeted amount:
 - a. Compensation for accumulated paid leave for any employee who has resigned from the District but has not completed the Retirement Application and Agreement by March 1.
 - b. Employees who may be eligible but would not otherwise receive compensation under this policy may receive compensation with Board approval. In such cases, compensation paid to those employees will be specifically excluded from the cap noted in section (C)(1) above.
3. Payments from the budgeted amount will be made in the following order:
 - a. Longevity schedule payments for recipients during that school year, per policy 4141(2)(O)(4) and 4841(F)(3).
 - b. The payments for accumulated paid leave to participants in the retirement/service bonus plan, per policy 4151(A)(2) and 4873(1)(A)(2).
 - c. The retirement/service bonus.
 - d. The payments for accumulated paid leave to those who have not completed nineteen (19) consecutive years of service.
4. Applicants who apply by the March 1 deadline will be paid according to the payment schedule (D-1) below. Payment for the retirement/service bonus will be based on total years of full time service with the District (i.e. the number of most recent consecutive years of service plus any additional years of teaching and/or providing special services in the District not otherwise included) with those applicants with the highest years of service being paid first or, in the case that funds are not sufficient to pay all applicants who meet this deadline, the following provisions (5-7) could apply only if and/or when a spending cap is imposed.
5. If sufficient funds exist to pay this retirement/service bonus to one or more but not all eligible applicants with a particular number of years of service (e.g., nineteen), the bonus shall be paid to all applicants with that number of years of service on a pro rata basis (i.e., the total dollar amount remaining will be divided equally among all such applicants).
6. Eligible applicants who do not receive the full bonus may rescind their resignation or retirement within 21 calendar days after formal notification of the amount for the retirement bonus. Following that deadline, a final calculation of the pay-out will be made according to the process outlined in section (C)(5) above.
7. Employees submitting the Retirement Application and Agreement after the March 1 deadline will be eligible for payment under this provision only if the funds have not been depleted using the process

outlined in sections (1-5) above. Such employees will receive this payment based on the date of application, with the first applicant receiving the bonus first. If sufficient funds exist to pay the bonus to one or more but not all eligible applicants who turn in their completed applications on the same day after March 1, the bonus shall be paid to all such applicants on a pro-rata basis, i.e., the total dollar amount remaining will be divided among all such applicants, with each individual receiving an equal percentage of the dollar bonus that individual would have received if sufficient funds had existed to pay all such applicants.

8. In the event that there are insufficient funds to pay all eligible employees the full amount they would have otherwise been entitled to receive, the payment method for the following year may be revised through negotiations.

D. Compensation

1. Payment Schedule

The retirement/service bonus compensation shall be based on the total number of years of full-time service in the District (i.e. the number of most recent consecutive years of full-time service plus any additional years of full-time teaching and/or providing special services in the District not otherwise included) as reflected in the schedule below:

Retirement/Service Bonus Payment Schedule

Years of CCSD Service	Payment Amount	Final Payment
19	\$20,000	*
20	\$21,818	*
21	\$23,636	*
22	\$25,455	*
23	\$27,273	*
24	\$29,091	*
25	\$30,909	*
26	\$32,727	*
27	\$34,545	*
28	\$36,364	*
29	\$38,182	*
30+	\$40,000	*

* The final retirement/service bonus payment is calculated by subtracting the total of the longevity schedule payments the teacher or SSP employee has received, under Policy 4141(2)(O)(4) or 4841(F)(3) from the retirement/service bonus payment amount.

2. Payment for Work Agreed to by the Retiree and the District

If it is mutually agreed to by the retiree and the District, the retiree may work as a consultant in the District. Payment for the days worked will be based on the retiree's current per diem pay. Payment for these days worked will be made the month following the days worked. It is understood that any days worked as a consultant will be deducted from the retiree's accumulated sick leave.

3. Post Retirement Employment

- a. The SSP Employee should request post retirement employment from the building principal or designee by February 15 of that school year.
- b. To the extent possible, the District will notify the teacher of their acceptance for post-retirement employment by February 21 or as soon after as possible.

- c. In order to maintain the cost-neutral character of this program, employees hired for post-retirement employment will be paid a percentage of their previous salary. Previous salary will be determined by their previous placement on the salary schedule, not including MaxSal, SAIP, Special Professional Growth, National Board Certification, Supplemental Benefit and Experience and Longevity payments. Additionally, teachers assigned a supplemental or RF position will be paid according to Policy 4141 and/or 4142. All teachers hired for post-retirement employment would have the rights and privileges provided to them under the negotiated agreement for teachers, Policies 4116, 4134, 4136, 4143 and 4147 during the year for which they are employed. Annually, not later than December 1, a CCEA representative and a representative of District Fiscal Services will meet to determine the percentage of salary for such employees so that the program remains cost neutral.
- d. All parties understand that the District is under no obligation to rehire teachers or SSP employees in this program.

4. Payment Schedule

If the Leave Payout is \$25,000 or under, the employee will choose to receive a one-time, lump sum payment in August of the current year or January of the following year.

If the Leave Payout is over \$25,000, it must be paid in two (2) equal payments in either August of the current year and January of the following year OR August of the current year and August of the following year.

5. Death Provisions

Upon the death of the retiree receiving retirement compensation, the unpaid portion of the allotment shall be due and payable to the retiree's designated beneficiary using the same schedule as above.

E. Additional Provisions

1. The terms of this policy shall continue in full force and effect unless changed through the negotiations process as set forth in Policy 4135.
2. If any provision of this policy is found contrary to law, then such provision shall be deemed null and void, but all other provisions or applications thereof shall continue in full force and effect.
3. Upon mutual agreement, this policy may be renegotiated in whole or in part at any time during the life of this policy.
4. Any additions, deletions or revisions to this policy shall be distributed to those affected, and be in effect after ratification by the Association membership and adoption by the Board of Education.
5. Neither the recognized Association nor the Board of Education can refuse to renegotiate this policy at the next requested round of negotiations, following the timeline set forth in Policy 4135, if this policy is included in the request. If the issues are unresolved as a result of the negotiations using all relief provided in Policy 4135, the provisions shall remain in effect (except as provided elsewhere in this section) through the remainder of teachers' annual contract year.
6. If in any one year the budget is not able to absorb the cost of this retirement policy without impact on accounts in the budget, other than teacher salaries and benefits, negotiations shall be reactivated. Any policy concerning economic items that have been adopted will have to be modified commensurate with the funds available.

Evaluation Process, Policy 4870

- A. The mission of Cherry Creek School District is: to inspire every student to think, to learn, to achieve, and to care. In support of this mission, the Board of Education views SSP Employee performance evaluation as an integral part of the learning cycle and a critical element for the attainment of the educational goals of the district.

The Board of Education has adopted the Colorado state evaluation model that includes the personnel evaluation system and supporting resources.

While committed to establishing and implementing a process for purposes of evaluating SSP Employee performance, the Board of Education and the administration reserve the right to take immediate and appropriate disciplinary action against any SSP Employee found to be in violation of state or federal law and/or school board policy.

B. The Purpose of Evaluation

The Superintendent of Schools shall delegate the responsibility for the SSP Employee performance evaluation process to the administrator in charge of the operating unit, hereafter referred to in this policy as the principal and/or building administrator.

The SSP Employee performance evaluation process shall:

1. Serve as a basis for the improvement of instruction;
2. Enhance the implementation of programs of curriculum;
3. Serve as the measurement of effective performance for individual SSP Employees and serve as documentation for ineffective performance;
4. Serve as a measurement of the professional growth and development of SSP Employees.

C. Definitions

For purposes of this policy, the following definitions apply:

1. "Evaluator" refers to those individuals who hold a proper Colorado license and have received training in the District's evaluation process.
 - a. "Primary Evaluator" refers to the individual who is responsible for completing the evaluation of the assigned SSP employee.
 - b. "Secondary Evaluator" refers to an individual who is responsible for contributing relevant information or data to the Primary Evaluator for inclusion in the evaluation of the assigned SSP employee.
2. "Specialized Service Professionals/Providers" or "SSPs" means licensed personnel who provide support to teachers and students defined by Colorado Department of Education. SSPs include audiologists, occupational therapists, physical therapists, school counselors, school nurses, school orientation and mobility specialists, school psychologists, school social workers and speech and language pathologists.
3. "Performance Rating Levels" describe performance on professional practices with respect to the quality standards. The four Performance Evaluation ratings for SSP Employees shall be ineffective, partially effective, effective, and highly effective.

4. “Evaluation Process” takes place when an SSP Employee’s performance is directly or indirectly observed, and feedback is provided to the SSP Employee that is designed to improve teaching performance.
5. “Element” means the detailed description of knowledge and skills that contribute to providing effective specialized services, and which corresponds to a particular Quality Standard.
6. “Equity Pedagogy” refers to a commitment to a diverse population of students, demonstrated by the creation of an inclusive and positive school culture and strategies that meet the needs of diverse student talents, experiences and challenges. Equity pedagogy values students’ individual backgrounds as a resource and utilizes approaches to instruction and behavioral supports that build on student strengths.
7. “Performance Evaluation Rating” means the summative evaluation rating assigned to licensed personnel and reported to the State Department of Education on an annual basis. It is the equivalent of a “performance standard,” as defined in section C.R.S. § 22-9-103 (2.5). The four Performance Evaluation ratings for SSP Employees shall be: ineffective, partially effective, effective, and highly effective.
8. “Professional Practice” means the behaviors, skills, knowledge and dispositions that Educators should exhibit. Quality Standards I-IV address the Professional Practice standards for Educators in Colorado.
9. “Statewide Summative Assessments” relate to Quality Standard (V) and mean the assessments administered pursuant to the Colorado student assessment program created in section C.R.S. § 22-7-409 or as part of the system of assessments adopted by the State Board pursuant to section C.R.S. § 22-7-1006.
10. “Measures of Student Learning” means the change in student achievement in relation to Colorado Academic Standards for an individual student between two or more points in time, which shall be determined using multiple measures, one of which shall be the results of Statewide Summative Assessments, and which may include other standards- based measures that are rigorous and comparable across classrooms of similar content areas and levels. Student Academic Growth also may include gains in progress towards postsecondary and workforce readiness. Student Academic Growth may include progress toward academic and functional goals included in an individualized education program and/or progress made towards Student Academic Growth Objectives.
11. “Student Learning Outcomes” mean a participatory method of setting measurable goals, or objectives for a specific student or students.
12. “Quality Standard” means the Professional Practices or focus on Student Academic Growth needed to achieve effectiveness as a Special Services Professional.
13. “Final Effectiveness Rating” derives from two different cumulative sets of data. The professional practice rating based on the quality standards (I-IV) will make up fifty percent of the rating with the quality standard (V) measure of student learning, making up the other fifty percent of an SSP Employee’s final effectiveness rating. AN SSP Employee whose final rating is “ineffective” or “partially ineffective” is deemed ineffectively performing. AN SSP Employee whose final rating is “effective” and “highly effective” is deemed effectively performing.
14. “Remediation Process” means the method used to address the performance of an SSP Employee who has been identified as partially effective or ineffective and whose performance has not sufficiently improved. Such method may include a Directed Improvement Plan (discussed below).

PART ONE

EVALUATION PROCESS

The evaluation process consists of the following steps, beginning with training and ending with the development of professional growth goals and an individual professional growth plan for the subsequent year.

A. Training/Orientation

All SSP employees and evaluators must be trained on the evaluation system. This will facilitate common foundational knowledge across the District.

1. SSP Employees

Training and follow-up will orient SSP Employees to measures used by the assigned evaluator during evaluation. Such training and orientation will also help ensure that new educators to District evaluation will have sufficient knowledge to actively participate in their own evaluation. In addition, the training/orientation sessions will provide a forum to review the evaluation system and to learn of any changes.

The timing of the training and orientation should be geared toward giving SSP Employees sufficient notice of the measures used prior to the beginning of the evaluation process and to answer questions regarding the same. Typically, the training and orientation should take place within the first 15 working days of each school year.

2. Evaluators

The success of a program of evaluation depends upon a high level of skill and training of all participants in the process. The District shall provide annual training on the Colorado State Educator Evaluation System and ongoing training on inter-rater reliability using approved materials from the Colorado Department of Education. As required by Colorado law, all performance evaluations must be conducted by an individual who has completed a training in evaluation skills that has been approved by the Department of Education.

B. Self-Assessment

Each SSP Employee will complete a self-assessment by the end of the first 30 calendar days of the school year. The goal of this step in the process is to provide the person being evaluated with an opportunity to reflect on personal performance and goals moving forward.

C. Review of Goals and Performance Plan

Soon after the SSP Employee's self-assessment has been completed, the evaluator and SSP Employee being evaluated should meet in a Goal-Setting Conference to review the school's goal(s), the SSP Employee's Professional Practices goal, and the Student Learning Outcome goal, if possible, in addition to any other goals the SSP Employee has for the year. The evaluator and SSP Employee being evaluated shall also mutually agree to a method of communication for the year (i.e. face-to-face meetings, email feedback, and/or via Halogen only). At any time the evaluator or SSP Employee can request face-to-face meeting(s).

D. Mid-year Review

At any time prior to January 15, the SSP Employee being evaluated and the evaluator should review the SSP Employee's performance to date and progress toward achieving school and personal goals. As a result of this review, the SSP Employee being evaluated should have an understanding of his or her potential effectiveness rating based on the evidence available to date. At the discretion of the principal or supervisor, a mid-year Directed Improvement plan may be developed to support the SSP Employee in making improvements prior to a final rating at the end of the school year.

D. Evaluator Assessment

Evaluators should review the performance of SSP Employees being evaluated throughout the year. This is not an end-of-the-year activity, but rather one that is conducted in a continuous manner. The evaluator should complete the rubric prior to the end-of-year review.

E. End-of-Year Review of Summative Evaluation

The evaluator and SSP Employee being evaluated should review the educator's Professional Practice ratings on the evaluation rubric and measures of student learning, self- assessment ratings, artifacts and any evidence needed to support the evaluator ratings. This discussion should take place no later than three weeks prior to the end of the evaluation cycle.

F. Receipt and Acknowledgement of Overall Summative Rating

All evaluators will communicate an overall summative rating to all SSP Employees no later than two weeks prior to the end of the evaluation cycle. Should the evaluator and SSP Employee being evaluated not agree on the final ratings during the end-of- year review, they should determine what additional evidence is needed in order to arrive at the rating. The SSP Employee will acknowledge receipt of the rating within six (6) working days of receiving it. (See Part 2, J.)

G. Goal-setting and Performance Planning

Using the element and standard ratings, comments and artifacts discussed during the end-of- year review, and the establishment of final ratings, the SSP Employee should develop a professional growth plan and new student learning targets designed to address any areas in which growth and development are needed, professional development or training required, and other resources needed to fully implement the professional growth plan. This plan will be shared with the evaluator at the beginning of the next school year.

H. "Evaluation Rubric" refers to the Colorado State Evaluation Model which shall be used to evaluate SSP Employees in this policy. As the State Evaluation Model is constantly evolving, the District and the Cherry Creek Education Association shall for the purposes of this policy always refer to the most recent version(s) of quality standards and elements as mandated by the state. These documents can be found on the Colorado Department of Education's webpage at:

<http://www.cde.state.co.us/educatoreffectiveness/>

I. "Administrator" shall be defined as any individual holding administrative license in the state of Colorado whose position falls under the definition of "Administration" in Policy 4135(B) and who has been trained in the District's evaluation process.

J. "Evaluator" refers to those individuals who hold a proper Colorado administrative license or who have received the required training in the District's evaluation process to include the Evaluation Rubric.

PART TWO

Evaluation Procedures

All licensed SSP Employees are evaluated according to the following procedures:

A. At the beginning of each school year, the Office of Human Resources will assign, through the automated system, SSP Employees to be evaluated for that year to the principal of each building or to the administrator in charge of a program.

- B. If an SSP Employee is assigned to more than one facility, the Office of Human Resources will identify the evaluator(s) for each SSP Employee who is assigned to more than one facility.
- C. Once the SSP Employee's yearly evaluation cycle has begun, there shall not be any substantive changes to the forms, documents or materials used in the evaluation process unless mandated by statute or the Colorado Department of Education or unless mutually agreed upon by the District and the Cherry Creek Education Association.
- D. The SSP Employee shall be responsible for the following:
 - 1. Reviewing all required evaluation documents including the Evaluation Rubric and evaluation materials;
 - 2. Sending his/her professional growth plan/goals to their evaluator for review;
 - 3. Providing additional artifacts/evidence to support rating levels under consideration;
 - 4. Preparing/completing self-evaluation, goal setting, and performance plans to be used in discussion and provide them to his/her evaluator in advance of the discussion. Any of these documents submitted by the SSP Employee to the evaluator will be deemed working (not final) documents to be re-assessed throughout the school year;
 - 5. Conferring with the evaluator regarding the evaluation process, especially if there are any questions or concerns regarding the evaluation process;
 - 6. Providing, at his/her discretion, the evaluator with evidence/artifacts supporting a request for a rating change for any element(s) in dispute;
 - 7. Developing and implementing strategies to improve performance in areas identified during the observation and/or within the evaluation process.
- E. An evaluator shall be responsible for the following:
 - 1. Reviewing all required evaluation documents including the Evaluation Rubric and evaluation materials;
 - 2. Encouraging a thoughtful, comprehensive and honest approach to self-assessment;
 - 3. As needed, hold periodic conferences with the SSP Employee being evaluated to determine what sources of evidence/artifacts will be used to measure performance against professional practices;
 - 4. Reviewing professional growth plan/goals and suggesting revisions;
 - 5. Providing on-going feedback;
 - 6. Scheduling mid-year and end-of-year reviews;
 - 7. Providing enough feedback regarding each observation to allow the SSP Employee to reasonably assess performance and areas for growth;
 - 8. Conducting a mid-year review with the SSP Employee. Any document submitted by the evaluator to the SSP Employee during this mid-year review will be deemed a working (not final) document to be re-assessed throughout the school year and up until the final summative evaluation;
 - 9. Assessing the need for the substance and timing of a Directed Improvement Plan, particularly where there is a concern that the SSP Employee may earn an ineffective or partially ineffective rating;

10. Ensuring the contents of the summative evaluation are an accurate reflection of the SSP Employee's performance to include the review of any evidence/artifacts that may support a rating change and adopting such change if the evaluator deems appropriate to do so;
 11. Conducting evaluation observations and conferences, including all aspects of the District's evaluation process, in a manner consistent with the legal and constitutional rights of the SSP Employee;
 12. To the extent that any timelines discussed in this policy are deemed impracticable for the evaluator, to seek agreement from any affected SSP Employee for an extension of time to complete the given task. Such extension should not adversely affect the SSP Employee in any substantive way and should not exceed five (5) working days;
 13. In those cases, where an SSP Employee is assigned to more than one facility, an evaluator from each facility where the SSP Employee is assigned will provide input for the Mid-Year conference and the final draft of the final professional practice rating.
- F. Determining the overall professional practice rating must include direct observation and may include, but not be limited to, the following additional data sources/artifacts:
1. Discussions/conferences with SSP Employee;
 2. Participation in committee and meetings;
 3. Review of materials and resources;
 4. Review of student assignments and student work;
 5. Parent, student, and/or peer feedback;
 6. Physical appearance of the classroom;
 7. Disciplinary referrals;
 8. Review of lesson plans and curricular scope/sequence;
 9. Review of assessment tools/measures;
 10. Documentation of professional growth experiences;
 11. Documentation of policy/procedure compliance.
- G. For any Quality Standard or element in which the SSP Employee and the evaluator are not in agreement the SSP Employee may choose to provide evidence/artifacts supporting a revision to the evaluator. The evaluator will use the evidence/artifacts in reassessing the quality standard or element not in agreement. Such reassessment may or may not change the evaluator's rating.
- H. The SSP Employee's Summative Evaluation Report must be acknowledged by the evaluator and SSP Employee by signing electronically. Within six (6) working days of receiving the document, the SSP Employee will acknowledge the document. Such acknowledgment will only indicate that the report was received, it will not necessarily indicate the SSP Employee's agreement with the contents of the report in whole or in part. If the SSP Employee wishes to respond to the evaluation report, he/she will do so electronically within the same six (6) working days provided for acknowledging the document. The SSP Employee will provide the response to both the evaluator and the Office of Human Resources. Failure to acknowledge receipt of the Summative Evaluation by signing waives the SSP Employee's right to appeal the evaluation.
- I. The evaluator will have a final conference with the SSP Employee to discuss the final SSP Employee Evaluation Report. This final conference must occur before submitting the Report to the Office of Human Resources.
- J. Quality standard (V), measures of student learning, shall be determined by combining both collective and individual attribution. The collective and individual attributions will be established according to current state law and recommendations from CDE. Any future changes to the percentages used for calculating the

collective and individual attributions will be negotiated between the Association and the District. The attribution percentages will be communicated to all SSP Employees at the beginning of the evaluation cycle via the annual evaluation training.

- K. The process of conducting evaluation observations and conferences, including all aspects of the evaluation and remediation process, shall be handled so as to observe the legal rights of the SSP Employee. No evaluation/remediation information shall be gathered by electronic devices, such as remote-video microphones, cameras or recorders, without the consent of the SSP Employee. This does not apply to the use of electronic devices used for note taking during observations.

III. Procedure for Evaluation

A. All SSP Employees shall receive an evaluation every year.

B. All SSP Employees will follow one of these processes to meet the state-required minimum of one observation and to provide adequate evidence for the evaluator to determine the professional practice of the SSP Employee (It is recognized that additional formal and/or informal observations may occur as appropriate in the view of the evaluator):

1. Observation Options Process: If an SSP Employee scores a 3 or higher on all Quality Standards I-IV, the SSP Employee is eligible the following year for the Observation Options Process. During the Goal-Setting Conference, the evaluator and SSP Employee shall mutually agree upon one (or more) of the options for observation:
 - a. Informal Observation(s): At any time, an evaluator may conduct informal observations. Informal observations are defined as unscheduled observations of an SSP Employee that may take place as an evaluator visits a classroom, helps a student, or otherwise observes the SSP Employee in an interaction which reflects the SSP Employee's performance of professional duties. The informal observation will not include a pre-observation conference but may include a post-observation conference. If the evaluator has concerns from the informal observation, a meeting between the evaluator and SSP Employee shall be scheduled within six (6) working days to discuss the observation.
 - b. Walkthrough Observation(s): A walkthrough means a brief, structured observation by the evaluator which lasts a minimum of ten (10) minutes. It is followed by written feedback that includes the date and time of the walkthrough. It may also include any professional practice standards, practices, and elements that are observed and should include any other timely, targeted, and actionable information. If the evaluator has concerns from the walkthrough, a meeting between the evaluator and SSP Employee shall be scheduled within six (6) working days to discuss the observation.
 - c. Peer Observation(s): An SSP Employee will select, under the guidance of the evaluator, a peer to conduct a formal or informal observation of the SSP Employee. The SSP Employee being observed will write a reflection based on the feedback provided by the peer observer. This written reflection will be made available to the evaluator by a mutually-agreed upon date.
 - d. Formal Observation(s): The evaluator and SSP Employee will follow the formal observation process as outlined above for probationary teachers (Policy 4170) and/or with modifications to the pre- and post-observations based on the mutually-agreed upon communication method.
2. Growth-Focused Observation Process: If an SSP Employee scores below a 3 on any of the Quality Standards I-IV, the SSP Employee will adhere to the Growth-Focused Observation Process in the

following school year. During the Goal-Setting Conference, the evaluator and SSP Employee shall mutually develop a plan that includes:

- a. A focus on growth in the Quality Standard(s) where the SSP Employee scored below a 3 in the previous year.
 - b. Prior to the Mid-Year Review, at least one (1) formal observation as outlined in Policy 4170 for probationary teachers and/or with modifications to the pre- and post-observations based on the mutually-agreed upon communication method.
 - c. A Mid-Year Review of the SSP Employee's performance to determine whether a second formal observation is necessary.
- C. Procedures for conducting evaluations will be determined by the evaluator with input from the SSP Employee. The evaluation will include regular collection of data and feedback and improvement opportunities that are reasonably and timely provided.
- D. The Mid-Year Review for SSP Employees will take place no later than January 15 of every school year unless otherwise mutually agreed. For SSP Employees where there are performance concerns, the Mid-Year Review shall be a mandatory meeting, and the documented concerns shall include observed practice as related to the quality standards.

During the Mid-Year Review, the evaluator and SSP Employee may alter the observation options or growth- focused plan for the rest of the evaluation cycle. The absence of an evaluator-requested meeting implies there are no performance concerns, and the SSP Employee shall still receive a Mid-Year Review via the preferred mode of communication regarding the SSP Employee's expected professional practice rating. The Mid-Year Review for any SSP Employee who may be deemed ineffective on the summative evaluation will have taken place on or before December 15. Additionally, at the discretion of the building principal, a mid-year Directed Improvement Plan will be created and monitored throughout the remainder of the evaluation cycle.

- E. An SSP Employee whose performance is deemed ineffective shall receive written notice that his or her Performance Evaluation Rating shows a rating of ineffective, a copy of the documentation relied upon in measuring his or her performance, and identification of deficiencies.
- F. An SSP Employee may have the right to appeal an ineffective or partially effective evaluation rating under the guidelines outlined in Policy 4873.

IV. Process for Addressing Evaluation Concerns

- A. Any SSP Employee who has received a partially effective or ineffective rating may choose to file an appeal (see Policy 4873).
- B. Any SSP Employee who may be and/or is deemed ineffective in any one or more of the performance standards shall receive assistance through the Directed Improvement Plan and, if necessary, a Remediation Plan, as discussed in Part III, below.
- C. The Office of Human Resources will document the number of mid-year Directed Improvement Plans created for SSP Employees each year and, upon request, share this information with the Association no later than February 1 of each school year.

PART THREE

Remediation Process

If the evaluator determines that performance concerns exist, the principal or site administrator will contact the Office of Human Resources to ascertain what steps will be taken to address the issue.

With the agreement of the Office of Human Resources, the principal or site administrator may develop a Directed Improvement Plan for the SSP Employee. This plan will specifically address those areas of concern, and include correlating support resources and a timeline for implementation.

At the end of the timeline specified, if the principal or site administrator does not observe improved performance in targeted elements, the SSP Employee will be moved to Remediation. If the principal or site administrator determines that performance in the targeted areas has improved, the SSP Employee will be removed from the Directed Improvement Plan. Removal from the Directed Improvement Plan does not necessarily render the SSP Employee's performance effective.

A. Directed Improvement Plan

1. The Directed Improvement Plan ("DIP") may be implemented at any time, including at mid-year, but no later than the end of the school year in which the SSP Employee may be deemed ineffective. A mid-year DIP represents an optional, intermediary step to provide further support prior to an end of the year DIP, if one becomes necessary.
2. The evaluator will direct the DIP. The evaluator will place the SSP Employee on reasonable notice of the areas to address, steps for improvement, and timelines for additional observations and conferences. The evaluator will do so either via e-mail and/or in hard copy form. To the extent that an SSP Employee has questions or concerns regarding the DIP, the SSP Employee will timely submit the same via e-mail and/or in hard copy form.
3. At minimum, the DIP will include the following:
 - a. An in-person meeting to discuss the DIP; and
 - b. Sufficient time for the SSP Employee to improve in relation to the performance concerns; and
 - c. Three additional formal observations and feedback regarding the same submitted to the SSP Employee within six (6) working days after each observation; and
 - d. To the extent that the SSP Employee disagrees with any portion of the feedback given, the SSP Employee may submit a written response within six (6) working days. The SSP Employee may also submit artifacts throughout the DIP, including as part of any response.

B. Remediation Plan

1. If an SSP Employee's performance is judged by the site/program administrator to be ineffective, and the performance of the SSP Employee has not sufficiently improved as a result of the evaluation process, and or the DIP, the site/program administrator can move the SSP Employee to the remediation process following two (2) DIP processes lasting a minimum of sixty (60) calendar days each within the SSP Employee's work year. The principal will notify the SSP Employee of the decision to move to the remediation process. The site/program administrator will also notify the SSP Employee of his/her right to representation during the remediation process.

2. The principal will timely hold a conference with the SSP Employee. This conference should take place within six (6) working days after delivery of the notification of movement from DIP to the remediation process.
3. At the conference, the site/program administrator, the SSP Employee and any other appropriate personnel, will a) Review specific performance concerns; and b) Formulate a written remediation plan including the following:
 - a. Objectives for improving the identified performance concerns;
 - b. Identification of resources and assistance available to implement the objectives;
 - c. A timeline for completing the objectives;
 - d. Criteria by which the attainment of the objectives will be measured.
4. If agreement on any or all of the above items contained in this Part Three cannot be reached, the principal is responsible for the final decision.
5. Following completion of the timeline established in the remediation plan, the principal and SSP Employee will meet to review the remediation process. The principal will share either electronically or in writing whether the SSP Employee has corrected the identified performance problems. The principal will then make a recommendation to the Superintendent. This recommendation will include next steps for action.

Additional Provisions

1. The terms of this policy shall continue in full force and effect unless changed through the negotiations process as set forth in Policy 4135.
2. If any provision of this policy is found contrary to law, then such provision shall be deemed null and void, but all other provisions or applications thereof shall continue in full force and effect.
3. Upon mutual agreement, this policy may be renegotiated in whole or in part at any time during the life of this policy.
4. Any additions, deletions or revisions to this policy shall be distributed to those affected, and be in effect after ratification by the Association membership and adoption by the Board of Education.
5. Neither the recognized Association nor the Board of Education can refuse to renegotiate this policy at the next requested round of negotiations, following the timeline set forth in Policy 4135, if this policy is included in the request. If the issues are unresolved as a result of the negotiations using all relief provided in Policy 4135, the provisions shall remain in effect (except as provided elsewhere in this section) through the remainder of teachers' annual contract year.
6. If in any one year the budget is not able to absorb the cost of this retirement policy without impact on accounts in the budget, other than teacher salaries and benefits, negotiations shall be reactivated. Any policy concerning economic items that have been adopted will have to be modified commensurate with the funds available.

Educators of Color, *Memorandum of Understanding*

The District and the Association have a shared interest in attracting and retaining educators of color so all our students work with a racially and ethnically diverse faculty and staff. Both parties agree that in order for the District to ensure equitable opportunities for all students and to achieve Inclusive Excellence, they must collaborate to hire and retain more educators of color.

The Office of Human Resources and Association leadership will continue to meet regularly and collaborate to examine the district's initiatives for attracting and retaining educators of color. In addition, Human Resources will share its efforts towards achieving workforce excellence as a part of the District's Strategic Plan. These efforts could include, but are not limited to, the following:

- Supporting and engaging in district affinity groups
- Examining the results from the “stay” survey and/or exit interviews
 - CCEA partnership in the district's collaborative work with external agencies, with targeted focus groups and strategic planning, monitoring, measuring, and adjusting efforts to increase the retention of educators of color
- Examining the structure of interviews, and training hiring committee members to recognize implicit bias
- Continuing the district's “grow our own” pathways:
 - Current students
 - Classified staff
- Exploring additional pathways and/or private-public partnerships to increase recruitment and subsequent hiring of educators of color
- Supporting buildings in their goals for hiring educators of color
- Utilizing available survey data to capture experiential data from educators of color as well as white educators in an effort to analyze and compare the experiences of both groups
- Examining the membership of building leadership teams, hiring committees, and other committees to work towards and build racially diverse and conscious teams
- Collaborate with CCEA, the office of Equity, Culture, and Community Engagement and the office of Professional Learning to continue to engage in professional development specific to diversity, equity, and inclusion

A report of the progress and/or outcomes of the above efforts shall be provided to the negotiations teams subsequent to any presentations to the Board of Education but no less than once a year.

Educator Burnout Task Force, *Memorandum of Understanding*

The District and the Association agree to convene a task force for the purpose of understanding the nature and extent of educator burnout experienced in the District. The task force shall be a collaborative committee made up of leaders from Educational Operations, Performance Improvement, Special Populations, Human Resources, and the Association.

In order to address concerns associated with educator burnout, the following will happen:

2. The task force shall support the efforts of Instructional Excellence by ensuring Teachers and SSP employees will not be required to spend more than one (1) hour a week in a PLC/PLT in the 2022-2023 school year.

3. The task force shall meet at the conclusion of the 2021-2022 school year to make a recommendation to the Superintendent, or designee, to change the 2023-2024 calendar to alter educator work week from five days to three days and attempt to add a non-contact day to the end of September and another non-contact day during the month of April.
4. The task force shall start meeting monthly beginning in September 2022, providing updates to the Bargaining Committee, to explore solutions and provide recommendations that would begin in the 2023-2024 school regarding the following:
 - Examine alternative schedules for the school week, including but not limited to asynchronous learning days, additional non-contact time for professional development, work week schedules, etc.; and
 - Implement an inventory of initiatives that currently exist in the District, potentially through an outside organization; and
 - Develop a process by which all initiatives are prioritized and potentially minimized to best meet the needs of all students; and
 - Provide a report after official October count of class sizes and composition for the District; and
 - Examine the “soft start” at elementary schools; and
 - Determine resources from Performance Improvement that would support educators and reduce burnout throughout the system; and
 - Clarify and define the different types of meetings educators participate in.

R.A.i.S.E Mentoring and Coaching, *Memorandum of Understanding*

The S.T.A.R. Program has existed since 1995 as a joint effort between the District and the Association to improve the quality of instruction through a peer assistance program for beginning teachers and for intervention with other staff members where necessary and appropriate.

A Governing Panel, made up of three appointees from the District and four appointees from the Association, has supervised the implementation of the program and were also charged with providing recommended language to the negotiations teams to replace the suspended Policy 4152 on Sabbatical Leave.

In the 2020-2021 school year, the S.T.A.R. Program was temporarily suspended due to the restraints of the COVID-19 pandemic. In its place, the Governing Panel explored a new iteration of this teacher assistance program to provide **R**esponsive, **A**ffirming, **I**nnovative, **S**tudent-centered support for **E**ducators now known under its new acronym R.A.i.S.E.

The R.A.i.S.E. program will continue to provide a mentoring-based induction program for first-year teachers and teachers moving from an initial license to professional license. Starting in the 2021-2022 school year, the R.A.i.S.E. program will be piloted in all elementary schools by providing in-building and district-based support. In addition, secondary schools shall provide in-building teachers to serve as mentors for first-year teachers and experienced teachers new to the building and/or district. The negotiations teams will use this pilot program to finalize policy during bargaining in the 2021-2022 school year.

Compensation, Benefit, and Leave Information

2022-2023 Teacher and SSP Employee Compensation, Memorandum of Understanding

The following agreements have been reached regarding compensation for the 2022-2023 school year:

1. Effective August 1, 2022, all teachers and SSP employees shall advance one step on the salary schedule from their previous step.
2. Horizontal Advancement requests will continue to be accepted during the 2022-2023 school year. All teachers and SSP employees will be limited to move no more than two (2) lanes (or three lanes if one of them is attainment of a degree).
3. An additional 3.0% shall be added to each cell on the Salary Schedule for the 2022-2023 school year.
4. Each teacher and SSP employee who was actively working on or before January 4, 2022, and still continuously employed on May 1, 2022, shall receive a one-time cost-of-living adjustment payment of no more than \$1000.00. Because this payment was supported by supplemental funding provided to the District in the 2021-2022 school year, the allocation shall have no impact on the compensation bargained for the 2022-2023 school year.
5. Once all SSP employees are included in the SSP Negotiated Agreement, each employee shall have access to all parts of Policy 4841, including but not limited to Maximum Salary increases and other additional compensation.
6. The District and the Association agree to participate in a market study of the certified Salary Schedule in the 2022-2023 school year. The Compensation Committee shall meet regularly to determine and recommend to the bargaining team any changes that should be made to base salary compensation to remain competitive with surrounding school districts and to attract and retain high-quality teachers and SSP employees.
7. Special Professional Growth Plans (i.e. 105 Plans) shall be reinstated through a pilot program. Any teacher or mental health professional who was eligible to submit a new plan during the 2020-2021 school year but could not because plans were suspended will be eligible to participate in the pilot program. The new Special Professional Growth Plan will include three separate plan years: Year One for planning/preparation, Year Two and Year Three for implementation of the Year One planning/preparation. Compensation for each completed year of the new Special Professional Growth Plan will be \$5000 and paid out over twelve (12) months in the year immediately following completion of Year One, Year Two, or Year Three plans (i.e. Year One plans completed as part of the pilot in the 2022-2023 school year will be paid out in the 2023-2024 school year). A Special Professional Growth Plan pilot program committee made up of five (5) members appointed by the District and five (5) members appointed by the Association shall convene throughout the 2022-2023 to oversee the new plan requirements. This committee shall solicit feedback from pilot program participants, determine new guidelines for all three years of the Special Professional Growth Plan that support and align with the District Strategic Plan, approve the Year One plans submitted, plan for future years' implementation, update the bargaining teams at each bargaining session about the progress made, and make recommendations for permanent changes to Policy 4141.
8. Student Achievement Incentive Plans (SAIP) shall be implemented as written in policy for the 2022-2023 school year. Then an SAIP committee made up of five (5) members appointed by the District and five (5) members appointed by the Association shall convene monthly throughout the 2022-2023 school year to expand the program to include teachers and SSP employees who have not yet advanced horizontally to the appropriate column for eligibility or have not yet reached the maximum step for their lane. The committee shall determine how to fund and allocate funding to the school buildings for the purpose of creating meaningful Student Achievement Incentive Plans that are equitable and accessible for all.

Salary, Policy 4841

A. Salary Range

SSP employees will be compensated based on educational level and years of experience and placed accordingly on the salary schedule contained in SSP Policy 4841.

1. Salary Placement

The Human Resources Department will recognize verified previous SSP experience and the SSP employee will advance one (1) vertical step on the salary schedule for each year of recognized service, up to a maximum of five (5) steps as specified in (c) below, provided the SSP experience meets one or both of the following conditions (a or b):

a) If the experience occurred (is) in a public school the following applies:

- i) The experience must have occurred while the SSP employee held a valid certificate/license issued by that state, and
- ii) The experience must have been while under contract and the SSP employee was paid on the official salary schedule for certificated/licensed personnel of the District, and
- iii) The SSP employee must have:
 - a. Worked at least a fifty percent (50%) contract, and
 - b. Worked four (4) or more hours per day for ninety (90) days or more, or
 - c. Worked fifty percent (50%) or more, of the hours (360 hours or more) required of a full time alternative schedule.

Paid leave will be considered as time worked for the provisions of this policy. Unpaid leave will not count towards meeting the time requirements outlined above.

b) If the experience is in non-public schools and/or a clinical setting, the following applies:

- i) The qualifying professional work experience (private, public, educational, or clinical) must have occurred after the date that the employee was conferred with the minimum degree required by the Cherry Creek School District for employment as an SSP.
 - a. Either the experience was in a clinical setting for a period of six (6) months or more of full time SSP experience during a twelve (12) month period, or
 - b. the experience was in a school setting and meets the requirements of provision (a)(iii) above.
 - c. Vertical Step Movement on the salary schedule will not be granted for internships and/or teaching at the college or university level.

c) In identified “hard-to-fill” positions in the District, SSP employees with experience beyond the five years allowed in this section may be hired and given credit for up to ten (10) years of experience, as long as that experience meets the requirements of this policy as outlined above (4841.A.1). In addition, in identified “extremely hard-to-fill” positions in the District, SSP employees with experience beyond the five years allowed in this section may be hired and given credit for up to twelve (12) years of experience, as long as that experience meets the requirements of this policy as outlined above (4841.A.1). All SSP employees hired in any given school year for such “hard-to-fill” (or “extremely hard-to-fill”) positions shall be given full credit for their prior experience up to ten (10) years (or twelve (12) years) if any other new hire in such position in that

school year is given credit beyond the normal five (5) years of experience credit provided in this policy.

- i) Annually, the District shall communicate with the Association President (or designee) the positions that have been identified as “hard-to-fill” and “extremely hard-to-fill” positions prior to hiring for the upcoming school year.
 - ii) This communication shall include the basis for the identification of positions as “hard-to-fill” and “extremely hard-to-fill;” i.e., number of applications on file for such positions, special requirements of the position, etc. Such communications shall be made on a regular basis, as needed, throughout the hiring for the following year.
 - iii) Additionally, not later than September 1 of each school year and the first of each month thereafter if such hiring is applicable, the District shall provide to the Association, in writing, a list of the names, position/assignment, building/facility, and cell placement for each person hired under this provision.
 - iv) Both the Association and the District agree that the time of the hiring shall not be a basis for defining a position as “hard-to-fill” or “extremely hard-to-fill.” That is, unfilled positions that were not considered “hard-to-fill” or “extremely hard-to-fill” in May shall not become “hard-to-fill” or “extremely hard-to-fill” simply because they are still not filled in August.
- d) New employees will be given credit for the highest degree earned that is recognized by the salary schedule. If a master’s degree requires more than 45 semester credit hours, the additional credit hours can be used for horizontal advancement beyond the MA column. (For example, a master’s degree in social work comprised of 60 hours would allow placement at the MA+15 column.) Additional graduate-level credits must be earned after attainment of the appropriate SSP licensure and be verified through transcripts or similar documentation.

B. Returning Former SSP Employees

If an SSP employee resigns from the District and is re-employed within four (4) years, the SSP employee will be given full credit for in-District experience and full credit for out-of-district experience up to the limits of this policy (B) (2) above and commensurate with the SSP employee’s educational attainment. Experience excluded from credit is: Volunteer work, internships, graduate and/or post-doctoral assistantships, and any training positions.

C. Horizontal Movement on the Salary Schedule

Credit for contact hours or college credits, upon approval by the appropriate department supervisor, will be submitted to Human Resources for horizontal advancement on the salary schedule. Changes in salary will be effective the day the forms and documentation were received in the Office of Human Resources. Contact hours or college credit must be accumulated in an amount that equates to advancement on the salary schedule before being submitted to Human Resources.

Undergraduate courses qualify for horizontal advancement but only if they are taken and approved after the individual has been contracted by the District. Any credits submitted for horizontal advancement must be earned after the date of the most advanced degree. Conversion to semester hours, as recognized on the schedule, is in accordance with the table below:

- a) One (1) semester hour = fifteen (15) contact hours
- b) One (1) CDE equivalent to a semester hour = fifteen (15) contact hours
- c) If one CEU equivalent = ten (10) contact hours, then one & one-half (1½) CEU equivalent to a semester hour = fifteen (15) contact hours

Refer to Policy 4880, Professional Growth, for additional parameters and information regarding horizontal movement on the salary schedule.

D. Annual Salary

The annual salary will be computed by adding the daily per diem salary approved for each of the contract days on which the SSP employee is scheduled to work. The per diem rate is computed by dividing the appropriate annual salary as shown on the salary schedule by 185 days.

E. Vertical Movement on the Salary Schedule

1. Upon the SSP employee's completion of each successful year of service in the District, the District will grant one (1) step of vertical movement on the salary schedule. Vertical increases are not automatic, but are awarded on the basis of successful experience only for each school year as interpreted, evaluated, and administered by the Office of the Superintendent.
2. An SSP employee will advance on the salary schedule one (1) vertical step provided the SSP employee meets the following conditions:
 - a) Worked at least a fifty percent (50%) contract, and
 - b) Worked four (4) or more hours per day for ninety (90) days or more, or
 - c) Worked fifty percent (50%) or more, of the hours (360 hours or more) required of a full time alternative schedule.
3. Paid leave will be considered as time worked for the provisions of this policy. Unpaid leave will not count towards meeting the time requirements outlined above.
4. Vertical movement on the salary schedule is contingent upon the SSP employee earning at least six (6) semester hours or equivalent every five (5) years.

F. Compensation for Substitution

Partial Days

1. An SSP employee who is directed to substitute for any class period will be compensated at one-fifth (1/5) of the curriculum rate of pay, see teacher negotiated policy 4141(N), per regular-length class period at the secondary level (6-12) or equivalent at the elementary level.
2. If two (2) or more teachers/SSP employees cover the class(es) of a colleague for whom there is no substitute, then each teacher/SSP employee shall be paid in accordance with (1) above, divided by the number of teacher/SSP employees who covered that class period or periods even if such coverage is concurrent with a regularly scheduled class of the substituting SSP.
3. All teachers/SSP employees paid on the Salary Schedule regardless of assignment will be compensated for substituting according to the provisions of this section if they are reassigned from or in addition to the responsibilities of their regular assignment. This payment will be in addition to the teacher's/SSP employee's per diem.
4. Full-time teachers/SSP employees may split a short-term substituting assignment with administrator approval. Each teacher/SSP employee will be compensated at one-fifth of the short-term rate of pay per regular-length class period at the secondary level (6-12) or equivalent at the elementary level.

Full Day Substitution on Non-contracted Days

Full-time teachers/SSP employees who substitute on a day for which they are not contracted, will be paid at the curriculum rate for the first ten (10) days of substituting. If substituting in a position for more than ten (10) days, teachers/SSP employees will be paid at the short-term substituting rate from the first day of the assignment.

G. Special Consideration Pay

Additional pay will be approved for additional responsibilities which exceed the normal job requirement and hours with pre-approval from the Office of Human Resources.

H. Team Leader

Based upon approved job descriptions, SSP team leaders will receive release time or R.F. (see Teachers Policy 4141 (2) (L)), or in a combination thereof, for these responsibilities. The selection of the team leader(s) will be made jointly with the appropriate district-level department supervisor, or designee, and the SSP team. The final decision will be that of the supervisor, or designee, who will make appropriate recommendations to the Board.

I. Environmental Education Overnight Supervision

Effective July 1989, SSP employees will be paid one hundred dollars (\$100) per night to supervise students on fifth/sixth grade environmental education overnight trips which are part of the core curriculum.

J. Supplementary Pay

All of the provisions of Teachers Policy 4142 apply to SSP employees.

K. Mentor Pay

An SSP employee appointed to serve as an in-building mentor to an SSP employee who may be new to the building and/or District will be paid five hundred dollars (\$500.00) provided the SSP employee has completed the District course on mentoring. SSP employees who have not completed the District course on mentoring will be paid three hundred fifty dollars (\$350.00). These payments will be made in June in a lump sum and will cover all additional responsibilities connected with the activity of an in-building mentor.

L. Compensation for Additional Responsibilities

Each SSP employee shall receive an additional 0.50% of their salary based on placement on the salary schedule in recognition of additional responsibilities due to increased time, testing, etc. in meeting the educational needs of students. Effective as of the 2021-2022 school year, the Salary Schedule shall include this additional compensation.

M. Extended Days

1. When an SSP employee assumes an extended responsibility for the District in an area of professional competence, the District will pay that SSP employee for services at a rate consistent with the current Salary Schedule in the District computed at a daily rate. The job description and number of days will be agreed upon prior to the commencement of the extended days.
2. Reimbursement for extension of days may be made in reduced time requirements, as well as, or in addition to, other forms of financial consideration.
3. Budget questions will be important in determining the number of extended days that can be offered, however:
 - a. The needs of the program and the professional skill a person can bring to the situation should be the determining factor - not per diem rate.
4. The services of the recognized employee negotiation agent must be solicited at times when agreement concerning compensation does not exist.

N. Travel Pay

Any SSP employee who travels on a daily basis between two buildings that are not part of the same campus shall be reimbursed at the district-approved mileage rate.

O. Payment for National Board for Professional Teaching Standards Certification

Effective July 1, 2001, should the National Board of Professional Teaching Standards establish standards for SSP employees, any SSP employee who has achieved such certification will immediately receive this special professional growth payment of five percent (5%) of their salary (salary cell plus experience credit)

upon submitting appropriate documentation (certificate or letter from the National Board) to the principal and the Chief Human Resources Officer. These payments shall continue so long as the SSP employee holds National Board Certification.

SSP Employees gaining this certification after July 1, 2016 will be paid this one-time stipend during the semester of the school year in which proof of certification is submitted to the Office of Human Resources. The stipend will not apply to any subsequent certification renewal(s).

P. Compensation for SSP Employees at Maximum

1. Student Achievement Incentive Plan (SAIP)

1. The intended goal of the SAIP program is to increase student achievement within the District. The implementation of the SAIP plan will directly impact student achievement and will be beyond the scope of a regular assignment. SAIP activities may occur anytime during the SSP employee’s workday when the SSP employee is not involved in regular contract compensated work.
2. The SAIP plan should include one or more of the following:
 - Involve students directly, or
 - provide training of staff members, or
 - focus programs on annual District and/ or Building or individual student achievement goals.
3. A SSP employee or group of employees may apply for the student achievement incentive program and receive compensation the contractual year after the SSP employee(s) attainment of the maximum step in column BA+30 or greater.
4. Plans may be designed at the building level in conjunction with the principal, and be made available for SSP employee’s to utilize as their plan in supporting District and/or building student achievement goals. This section in no way should limit the type of plan a SSP employee and a principal (or designee) may reach agreement upon. SSP employees are encouraged to develop and implement creative and innovative plans to meet the goals in (1) (B) above.
5. Compensation will be based on the educational level of the SSP employee as listed on the SAIP Payment Schedule below.
6. For a complete set of procedural guidelines refer to Administrative Procedure 4870.1
7. The District and the Association shall jointly agree upon the forms, which implement Student Achievement Incentive Plan (SAIP).

Student Achievement Incentive for SSP Employees at Maximum, Administrative Procedure 4841.1

SSP Employee

Current Salary Code

Date

Statement of Intent:

The intended goal of this plan is to increase student achievement.

The plan should include one or more of the following:

- involve students directly;
- provide training of staff members;
- focus programs on annual District goals.

Implementation of the plan will directly impact student achievement and will be beyond the scope of a regular assignment.

SSP employees are encouraged to develop and implement creative and innovative plans to meet these intended goals.

Consideration will be given to the unique role SSP employees perform within the instructional process.

Examples of these plans are listed below in order to assist the SSP employee and principal (or designee) in establishing a unique plan. These examples are not meant to be limiting, rather they are possibilities which could be included in the plan. Each student achievement plan will be developed through mutual discussions and finalized by mutual agreement.

Procedural Consideration:

1. A SSP employee or group of SSP employees may apply for student achievement incentive compensation the contractual year following attainment of maximum on column BA+30 or greater and will be compensated at the educational level at the time of application.
2. No SSP employee involved in the remediation process (as outlined in Policy 4170), on August 30 for year-round or September 15 for conventional calendar, will be eligible for this compensation during that school year.
3. The deadline for submitting the application for student achievement incentive compensation will be August 30 for year-round calendar or September 15 for common calendar.
4. Unless otherwise mutually agreed to, within 30 calendar days of submitting an application for student achievement incentive compensation, the SSP employee and principal (or designee) will discuss and mutually agree to the employee's plan. If mutual agreement cannot be reached following further discussions, the administrator and the employee will state in writing reasons for their disagreement. A written appeal can be made to the principal's supervisor by either party within 5 days. The supervisor shall render a decision within 15 days.
5. When the principal and employee have agreed to a student achievement incentive plan, a copy of the plan will be submitted to the Office of Human Resources and to the Association by the principal and employee respectively.
6. The plan may be revised during the school year by mutual agreement. A SSP employee will be ensured the right to withdraw the student achievement incentive application during the year if desired.
7. The plan will include criteria for assessment. Final assessment will be completed by the SSP employee and principal (or designee).
8. After final assessment, which will take place before June 1, payment will be recommended to the Board of Education, and payment will be made in a lump sum.
9. A SSP employee must reapply each year for this student achievement incentive compensation.

Examples of Plan Development:

To be developed by Task Force.

Approved by Superintendent Robert D. Tschirki. August 14, 1995

Insurance Preamble, Memorandum of Understanding

Cherry Creek Schools and the Cherry Creek Education Association have a commitment to providing affordable medical and dental insurance to employees and their dependents. Both parties recognize that the previous benefit structure created the unintended consequence of diverting funding for premium increases to tax sheltered annuities. While access to tax sheltered annuities is an option, funding them should not be at the cost of meeting employees' fundamental needs for affordable benefits coverage.

In light of significant, nationwide cost increases, the District and the Association recognize that this benefit structure no longer meets the goal of providing a competitive level of benefits that will assure employees and their dependents health care needs will be met. The District and the Association commit to addressing this concern by creating a new benefit framework that will meet the primary goal of ensuring quality, affordable insurance coverage.

Insurance, Policy 4044

1. Insurance

The Board of Education supports the idea that employees should be insured against personal and professional risks and in this regard will cooperate with staff members or representatives thereof in the development and administration of such a program.

The Board of Education shall protect the staff and program against undue invasion of the school day by insurance agents by not allowing such agents to solicit employees during the school day. Principals shall not allow materials from solicitors to be placed in mail boxes of employees or in school areas where employees may assemble.

2. Insurance Committee

- a. The Insurance Benefits Committee shall be established by the Superintendent, composed of one representative of each employee group of the Cherry Creek School District. Each representative may be appointed or elected by a majority vote of these employees. The Committee shall be chaired by a representative of the Human Resources department and include a representative of Fiscal Services.
- b. This Committee is charged with the responsibility of making an annual review of the District approved employee insurance plan.
- c. Following this review, the Committee shall make the annual report to the Superintendent. This report shall recommend retention of the existing program or appropriate changes.
- d. The Committee shall have the responsibility to monitor insurance coverage problems and to make procedural recommendations.

An employee who is involuntarily inducted into active military service shall, upon request, be granted a leave of absence without pay by the Board of Education for the period of involuntary service. A copy of the employee's orders will accompany the request for leave. The provisions of Colorado Statute shall apply.
2. An employee, who is a member of a reserve component of the United States military services or a member of a National Guard Unit, shall be granted leave for up to fifteen days of active duty for training in any year.
3. Such military training leave shall be granted with pay if the training takes place during an employee's regular contracted or assigned work time. j. Emergency Leave

When any event or circumstance at a work site, such as a natural disaster or medical quarantine, restricts an employee from reporting to work at their assigned building, the district will provide options to prevent loss of pay or paid leave such as:

1. The district will assign the employee(s) an alternative site(s) and/or position(s) until the employee(s) is (are) able to return to their assigned building.
2. The district will provide an opportunity for the employee to make up the day(s) on non-contracted days.
3. The district may assign the employee to work as a substitute until the employee is able to return to their assigned building.

k. Assault and/or Battery Leave

An SSP employee who is unable to perform his or her duties resulting from an assault and/or battery arising out of and incurred within the scope and course of, and in connection with, the performance of his or her assigned duties, and not as a result of his or her own negligence or disobedience of board policies or reasonable rules and regulations, shall be eligible to receive his or her full salary for the time he or she is temporarily absent from work as a result of the injury.

For purposes of this policy, the following definitions shall apply:

1. "Assault" means any willful attempt or threat to inflict injury upon another person when coupled with an apparent present ability to do so, and any intentional display of force which would give a person reason to fear or expect immediate bodily harm.
2. "Battery" means the intentional and wrongful physical contact with a person, which may include an object, without his or her consent, which entails some bodily injury or offensive touching.

The following conditions must be met before a SSP employee's full salary will be paid for assault and/or battery leave:

1. The SSP employee's conduct was within the bounds of general standards of professional behavior, the SSP employee was acting within the scope and course of their employment, and the SSP employee was not negligent.
2. The SSP employee must notify the building administrator or other appropriate administrator/supervisor as soon as possible of the occurrence and must complete a Workers' Compensation first report of injury.

The district's obligation to pay a SSP employee's full salary under this policy for assault and/or battery leave shall terminate once the SSP employee has either been released to return to work or reaches maximum medical improvement as determined by the designated treating physician.

However, if the SSP employee has been released to return to work or reaches maximum medical improvement but still requires medical treatment for injuries caused by the assault and/or battery, the SSP employee will continue to receive normal salary for hours and/or days missed for such treatment until the treating physician has concluded that the injury caused by the assault and/or battery has terminated or up to six (6) calendar months from the date of the SSP employee's return to work or reaches maximum medical improvement, whichever is less. The Superintendent, or designee, may extend this time for receiving normal salary for treatment based on the SSP employee's written request for such extension. If the superintendent, or designee, does not offer such an extension, the written denial will include an explanation of the basis for the decision.

The termination of the district's obligation does not limit the right of the SSP employee to full payment of any permanent disability award granted to the SSP employee under the Workers' Compensation Act.

4. Extended Leaves

Extended leaves of absence granted under this Policy will be without pay. All accrued benefits, credits and years of service will be restored to a SSP employee upon return to employment. No leave referred to in this Policy will be considered an interruption of service.

All requests for extended leave of absence or renewals will be made in writing to the Superintendent.

- a. An SSP employee whose leave does not exceed 18 weeks, not including breaks, holidays, and off-track time (for 4-track SSP employees) will return to the same school and position provided:
 1. The exact days of leave are included in the leave application and approval;
 2. the return date is prior to the last four weeks of the school year;
 3. the returning SSP employee does not interfere with ongoing athletic season or other performance schedules in which the SSP employee is directly involved.

- b. An SSP employee whose leave exceeds the above time will return only at the beginning of a semester, quarter, or other natural break in the school year. Every effort will be made to return the SSP employee to the same school.

While on extended leave without pay, if not otherwise provided for, a SSP employee will have the option to remain an active participant in benefit programs by contributing the full cost of the programs.

Except in cases of hardship, all SSP employees are expected to make application for leaves 30 calendar days prior to the commencement of the leave. All requests for approval will be made on the prescribed form. SSP employees returning from such leave will be placed on the salary schedule at the step to which they would have been entitled prior to taking such leave based on service and paid leave completed prior to taking the unpaid leave. (See Policy 4141).

1. Extended Health (Medical) Leave

- An SSP employee who is disabled due to illness or injury may apply for an Extended Medical Leave by submitting a request for such leave together with a certificate from a licensed and recognized physician confirming the nature and extent of the disability due to illness or injury.
- Requests for medical leave will be granted for up to one (1) year when the disability is established. Extension of leave beyond that time is at the discretion of the District.
- An SSP employee on an Extended Medical Health Leave seeking an extension must submit a certificate from a licensed and recognized physician establishing the SSP employee's continuing disability.
- An SSP employee seeking to return from a medical leave, including a leave for disability reasons, must submit a certificate from a licensed and recognized physician establishing the SSP employee's fitness to perform the duties of their position.
- An SSP employee who is pregnant will be granted medical leave, due to pregnancy related disability, for any period of time when she is unable to perform the duties of her position. See Policy 4151 (Sick Leave Bank) for eligibility for paid sick leave. An SSP employee, who has recently delivered, may qualify for a Parenting Leave.
- See District Policy GBGF regarding Family Medical Leave eligibility.

2. Parenting Leave

Upon written request, an SSP employee may be granted leave for the purpose of caring for children in the family. Such request must include the period of anticipated leave. In unusual circumstances, the period of leave may be extended.

Upon request, an SSP employee adopting a child may be granted an unpaid leave commencing at the time of adoption. Said SSP employee will notify the Superintendent in writing of the desire to take such leave as soon as approval is known. Except in cases of emergency, the SSP employee will give notice 30 days prior to the date at which time the leave is to begin. Such request must include the periods of anticipated leave. In unusual circumstances the period of leave may be extended.

3. Family Care Leave

Leave of absence, of up to one year, will be granted for the purpose of caring for a sick member of a SSP employee's immediate family or household, as defined in Leave Policy. The illness is subject to verification.

- 4. Extended Leave under the provisions of the Family Medical Leave Act (FMLA)**

SSP employees covered by this policy may also be entitled to leaves by virtue of the federally enacted Family Medical Leave Act. While federal law allows the district to deny leave under certain circumstances to employees who are among the highest ten percent (10%) in compensation of district employees, the District shall not invoke the highest ten percent (10%) rule to deny leave under these provisions. Upon return from leave that is solely an FMLA Leave, the SSP employee shall be returned to the school and position or positions previously held. SSP employees are encouraged to discuss the expected return from leave in advance and to make reasonable plans to return in a manner which least disrupts teaching and other activities. If the FMLA leave is extended by any other leave, the SSP employee shall be placed in accordance with the return from leave provisions in this policy.
- 5. Extended Personal Leave**

Any SSP employee, upon application and recommendation by the Superintendent, may be granted a leave of absence for a definite period of time without salary when such a leave would be beneficial to the District and the SSP employee. Such leaves may be for use in advanced study. All leaves of absence will be considered by the Superintendent with recommendations to the Board. Except in unusual circumstances, extended personal leave will not be granted probationary SSP employees. All employees must make application at least one month in advance of the beginning of such leave, except in cases of hardship.
- 6. Public Office Leave**

Leave of absence without pay will be granted to a SSP employee for up to two years for the purpose of serving in public office. A SSP employee returning to the District after such leave will not qualify for a salary increment; however, professional growth credit may be accrued if previously arranged in the Professional Growth Plan.
- 7. Professional Development Leave**

SSP employees will be granted a leave for advanced study or for travel resulting in the professional growth of the SSP employee, provided such travel has been part of the SSP employee's approved Professional Growth Plan. Such leaves will not qualify the SSP employee for salary increment; however, professional growth credit may be accrued.
- 8. Professional Service Leave**

SSP employees may be granted a leave of absence for the purpose of serving in the Peace Corps, VISTA, or other such teaching experience. Upon return from such leave, the SSP employee will receive outside experience credit based on the period of service. The SSP employee will not receive more total experience credit than allowed under Policy 4141.
- 9. Other Teaching Leave**

SSP employees may be granted a leave of absence for the purpose of working in an environment that offers them a unique cultural experience. American schools overseas may be considered. The following conditions will be observed:

 - Leave will be granted for one and may be extended for one additional year.
 - Credit on the salary schedule and/or professional growth credit, as per Policy 4130, will be given.

10. Professional Organization Leave

Leave of absence without pay shall be granted to a SSP employee, for the term of the SSP employee's office but not to exceed two years, for the purpose of serving as a state or national officer in a recognized professional educational organization. Such leave may be extended by the Board for subsequent one-year periods. A SSP employee returning to the District after such leave will not qualify for a salary increment; however, professional growth credit may be accrued if previously arranged in the professional growth plan.

Sick Leave Bank, Policy 4151.2

A. Introduction

The purpose of the Sick Leave Bank ("SLB") is to provide for limited income continuation in conjunction with other benefit plans in case of extended absences due to disability resulting from illness or injury, that renders the member incapable of working.

B. Membership

1. Initial Enrollment

- a. All employees whose pay is determined by the Mental Health Employees' salary schedule (Mental Health Employees, mental health team members, and nurses) will be eligible to join the Sick Leave Bank.
- b. All new employees whose pay is determined by the Mental Health Employees' salary schedule will be members of the Sick Leave Bank and will be assessed one (1) day of sick leave upon being hired.

2. Re-Enrollment

Any eligible employees who wish to join the Sick Leave Bank after their first year of eligibility must contribute three (3) days upon joining. Such election may only be made once each year within thirty (30) contracted calendar days of the commencement of that employee's school year, using the appropriate forms. The three (3) required days of sick leave shall be contributed from their sick leave upon enrollment in the Sick Leave Bank.

3. Contributed Days

Days contributed or assessed become part of the Sick Leave Bank and are deducted from the individual member's sick leave. The District will provide the Sick leave Bank Board ("SLBB") through its contact person with an updated list of members of the SLB once after the September payroll (but not later than the first Friday in October) and once after the January payroll (but not later than the first Friday in February). These lists will note the names and worksite of members dropped and/or added. If necessary, the SLB through its contact person may contact the District representative from the Office of Human Resources to the SLB to verify the membership of a SLB applicant.

4. Dropping Membership

A member may terminate membership in the Sick Leave Bank by completing the required form, available online (Backyard>Human Resources>Forms). However, the days contributed by the member may not be withdrawn.

C. Sick Leave Bank Procedural Guidelines

1. Governance

Operation and administration of this Sick Leave Bank will be by the Sick Leave Bank Board. This board will consist of five (5) voting members appointed by the Association and one (1) nonvoting member from the Office of Human Resources. A minimum of three (3) voting members must be present in order to conduct business.

2. Operation & Administration

- a. Annually, CCEA and the SLBB will notify the Office of Human Resources of the name and contact information for a contact person for the SLBB.
- b. The SLBB will collect and manage data provided by CCSD related to sick leave bank requests and the granting of days.
- c. After receiving a request for days from the SLB, the SLBB will verify the employee's SLB membership and determine the appropriate number of days of leave the member will be eligible to receive. The District member from the Office of Human Resources will provide appropriate information to the Benefits Office.
- d. Questions and/or concerns related to the operation and administration of the SLB will be dealt with by the SLBB.
- e. The minimum number of days in the bank will be five hundred (500).
- f. Should the number of days available drop below the minimum, the Sick Leave Bank Board will take necessary action to raise the balance above the minimum. The Sick Leave Bank Board will have the authority to assess an additional day(s) from each member. Days will be assessed in increments of one (1) additional day of current or accumulated sick leave from each member.
 1. Inability to contribute, within a school year, will not prohibit an individual from being a member for the remainder of that school year unless the member affirmatively drops membership in the bank.
 2. Any members who were unable to contribute the assessed day(s) and who did not affirmatively drop membership in the bank will have the assessed day(s) deducted from their current or accumulated sick leave during the following school year.
 3. No new member of the sick leave bank shall have more than one (1) day deducted from their current / accumulated sick leave during the year they joined the sick leave bank. Should the Sick Leave Bank board assess an additional day(s) to all members of the sick leave bank the assessed day(s) for new members shall be deducted the following school year, unless the member affirmatively drops membership in the sick leave bank.
- g. If an assessment is deemed necessary, all members will be provided an opportunity to terminate their membership prior to the assessed day(s) being deducted from their sick leave.
- h. The Board will publicize once each year a summary sick leave bank usage.
- i. Any release time necessary for the Sick Leave Bank Board to complete their responsibilities will be deducted from the Association's leave as per Policy 4135.
- j. If the Sick Leave Bank Board feels that the bank cannot be funded adequately with the present membership or a more suitable plan is found, the Sick Leave Bank Board can vote to terminate the bank.
 1. For twelve (12) months after termination of the sick leave bank without the establishment of an alternate plan, members will be allowed to utilize up to thirty (30) contract days of leave at a rate of pay equal to their per diem, less the cost of the substitute if all of their leave days are exhausted and they are on an extended absence due to disability resulting from illness or injury, that renders them incapable of working. This option ceases to be available whenever an alternate plan is adopted during the 12-month period.

2. If the Sick Leave Bank is terminated, days remaining on the bank's records will be cancelled. Days will not be returned to members of the Sick Leave Bank.
- k. The above listed procedures will be reviewed at least once each year.
- l. The Sick Leave Bank will establish its own operating procedures within the above listed guidelines.

D. Granting of Days

The term "day" is defined as a full contractual workday. Days may be granted from the bank only after the member requesting leave bank days has used all his/her current and accumulated sick leave.

1. The first two (2) days of leave after the member has exhausted his/her own sick leave will not be covered by the bank.
2. At the member's request, the two (2) deduct days at per diem may be spread over two (2) pay periods.
3. Upon acceptance by the LTD carrier, the two (2) deduct days will be reimbursed to the member.
4. When a member becomes eligible to receive benefits from the district approved LTD program; the member will no longer be eligible to receive sick leave days from the bank. (Eligibility for LTD begins sixty (60) calendar days from date of disability resulting from illness or injury that renders the member incapable of working.)
5. Days from the Sick Leave Bank will not be granted for the following:

 - b. Days beyond the school year in which the request for days is received (this provision may be waived by action of the Sick Leave Bank Board.)

6. Coincident with approval of days by the Sick Leave Bank Board, the approved number of days will be deducted from the bank.
7. All days granted from the bank, but not used by the member, will be restored to the bank.
8. The Board will consider requests for less than full days of disability when the following three (3) conditions are met:
 - a. The partial days follow a period of full days of total disability verified by a physician's statement; and
 - b. The member is engaged in a rehabilitation/recovery program directed by a licensed physician; and
 - c. The member's supervisor and/or building principal approves a partial return to work.
9. Any and all information furnished to the SLBB will be kept confidential. To ensure confidentiality, each year the members of the Sick Leave Bank Board will sign confidentiality agreements. Any information provided will be used by the SLBB to determine eligibility for sick leave bank benefits and will be aggregated for distribution in an annual summary of sick leave bank usage to members of the SLB, and reasonable efforts will be made to ensure that the report does not include information that may identify individual applicants.
10. To ensure confidentiality, the SLBB will determine whether non-SLBB members may attend their meetings. Normally, meetings will be closed to ensure confidentiality of SLB members when the Board is discussing specific applications.

E. Maximums/Minimums

1. No more than forty-five (45) contractual days per diem may be granted to any member in any single contract year.
2. No more than two (2) deduct days per diem will be assessed any member in any single contract year.

3. If the balance of days in the Sick Leave Bank drops to five hundred (500) or below, members being granted days will continue to receive days.
4. All new applications to the Sick Leave Bank will be put on hold until the Board takes action to alleviate the situation. (E-3 above)
5. If the bank's balance should reach zero (0), all days will cease to be granted, as the bank cannot operate in a deficit.

F. Application Process

The term "day" is defined as a full contractual workday, days will be approved for extended illness and/or disability of a member only. Days will not be granted for a member to care for someone else who is ill or disabled.

The member must make application for use of days to the Sick Leave Bank Board any time prior to but within sixty (60) calendar days after the member returns to work. The Board will not consider applications submitted at a time outside these limits.

1. The Sick Leave Bank Board will consider only those requests, which include all of the following materials.
 - a. A completed long-term disability form that includes a licensed physician's verification that the illness and/or disability is total and renders the employee incapable of working.
 - b. A leave of absence form.
 - c. A Sick Leave Bank application form.
2. The Sick Leave Bank Board will have the authority to request additional information, including a request to the Superintendent to use Policy 4147 (Physical/Mental Examination.)

G. Additional Provisions

1. The terms of this Policy will continue in full force and effect unless changed through the negotiations process as set forth in Policy 4135.
2. If any provision of this Policy is found contrary to law, then such provision will be deemed null and void, but all other provisions or applications thereof will continue in full force and effect.
3. Upon mutual agreement, this Policy may be renegotiated in whole or in part at any time during the life of this Policy.
4. Any additions, deletions or revisions to this Policy will be distributed to those affected, and be in effect after ratification by the Association membership and adoption by the Board.
5. Neither the recognized Association nor the Board can refuse to renegotiate this Policy at the next requested round of negotiations, following the timeline set forth in Policy 4135, if this Policy is included in the request. If the issues are unresolved as a result of the negotiations using all relief provided in Policy 4135, the provisions will remain in effect (except as provided elsewhere in this section) through the remainder of Mental Health Employees' annual contract year.

Physical and Mental Examinations and Alcohol and Controlled Substance Testing
Policy 4047

Employees of the Cherry Creek School District are subject to physical and mental examinations and alcohol and controlled substances testing prior to and during employment. The following provisions of this policy set forth the circumstances and conditions when such examinations and testing will be required:

A. Physical Examination - All Employees

After recommendation for employment but before employment commences, candidates for employment may be required to take and pass such physical and mental examinations as may be prescribed by the District. Results of such examinations shall be reported on forms provided by the school district, or forms acceptable to the school district, and shall be filed in the Office of Human Resources. All examinations shall be at the sole cost and expense of the candidate.

B. Required Examination During Employment - All Employees

1. The Superintendent or designee may require any employee within the District to submit to a physical or mental examination, when he/she has reasonable suspicion to believe:
 - (a) the welfare of the employee, students or other employees justifies such examination; or
 - (b) that the employee's ability to perform his or her duties is impaired due to physical or mental reasons.

The District will pay the cost of the examination which shall be conducted by a physician of the District's choice. However, in the event the employee desires to utilize a personal physician, subject to the approval of the Superintendent, to satisfy the employee's examination requirement, the employee may do so, provided the examination can be conducted within such time as may be reasonably required by the District. In such event, the private physician will be paid, by the District, an amount equal to the amount usually and customarily paid by the District to the physician selected by it.

Following the examination, a written report shall be issued by the physician.

2. As a condition of continued employment with the District, all employees consent to a chemical test of their blood, urine or breath upon request of the Superintendent or designee. This test shall be ordered in the event the Superintendent or designee has reasonable suspicion to believe that the employee is under the influence of alcohol or drugs, or in the event of a reasonable suspicion that the employee's ability to perform his or her duties is impaired by the use of alcohol or drugs. The employee will be allowed up to thirty minutes to obtain representation of their choice. Any such tests shall be conducted at any hospital, clinic, or facility properly equipped to administer such tests and shall be performed by any doctor, nurse or technician properly qualified to administer such tests. The employee may not select the physician or technician to administer the tests. All such tests shall be paid for by the District.

Communicable or Life-Threatening Diseases, Administrative Procedure 4047.2

A. Purpose

This procedure establishes a mutually-beneficial process between an ill employee and the District to insure that the health or safety of the employee, students and other employees is protected.

B. Identification of Ill Employees

Employees affected by a communicable or life-threatening disease or illness may be identified through self-report, or on the basis of the District having a reasonable belief that a staff member is ill. Reasonable belief would exist in, but is not limited to, situations where the employee's health is observed to be deteriorating to the point of interfering with the performance of their duties, the employee displays persistent physical symptoms of illness, where the District becomes aware of a diagnosis of such an illness or disease, or where there is other reasonable evidence of the existence of such disease.

If a supervisor has been informed or has reasonable cause to believe that an employee is affected by a communicable or life-threatening disease or illness, the supervisor will immediately notify the Chief Human Resources Officer. The Chief Human Resources Officer or their designee may confer with, but not limited to, the supervisor, the Executive Director of Instruction for that school, the staff member, and the Superintendent of Schools for determination of fitness as provided in Section D below.

C. Verification of Illness or Disease

The Chief Human Resources Officer or designee will take reasonable steps to verify the existence or non-existence of a communicable or life-threatening disease. This will be determined by a review of medical reports, files, diagnostic testing, hospital records, and/or consultation with physicians or other medical personnel as may be deemed necessary.

D. Determination of Fitness for Continued Duty

In the event an employee is affected by a communicable or life-threatening disease or illness,

recommendations regarding the employee's fitness for continued duty and contact with students and other staff will be made on a case-by-case basis by the Chief Human Resources Officer. The recommendations will be based on, but not limited to:

1. Medical reports regarding the condition of the employee;
2. The type of duties and interaction in the work place required of the employee in performance of their assignment;
3. The impact of continued employment on the affected employee, students and others in the work place;
4. Consideration of "reasonable accommodations" in the employment of the affected employee pursuant to Section 504 of the Rehabilitation Act when applicable, and
5. Input and recommendations from public health officials and others.

Recommendations will be submitted to the Superintendent of Schools for review and action.

E. Return to Duty

If an ill staff member is determined to be fit for continued duty, the supervisor will be informed of the employee's medical condition, the reasonable accommodations/precautions, if any, to be observed in the work setting, and any other factors that would warrant the reconsideration of continued duty. A regular schedule of medical examinations or evaluations for continued employment may be required.

F. Termination of Employment

If a staff member is determined to be unfit for continued duty, he/she will be entitled to the use of accumulated paid sick leave, sick leave bank provisions (if applicable), and medical leave of absence as outlined in district policy.

After all leave options are exhausted and the employee is still not deemed fit to resume duties, employment will be terminated by the employee's resignation or retirement, or by Board of Education action including initiation of dismissal proceedings under applicable Colorado Statute or District policies subject to the usual appeals by the employee.

G. Confidentiality

All information gained by the District through the application of this procedure, including the identity of an employee, will be treated as confidential except as necessary to implement this procedure. Information will not be released publicly by officials of the school district without the written consent of the affected employee.

The adoption of this procedure does not create any right claim or cause of action against the District or its employees where such right claim or cause of action does not otherwise exist in the absence hereof

Drug-Free Workplace, Policy 4048

The unlawful manufacture, possession, use or distribution of illicit drugs, as defined by law, marijuana, and alcohol on school district premises or as part of any of the school district activities is specifically prohibited.

Observance of this policy is mandatory and a condition of employment. A violation shall subject the employee to appropriate disciplinary sanctions (consistent with local, state and federal law), including suspension and up to and including termination of employment and referral to the appropriate law enforcement agency for prosecution. A disciplinary sanction may include completion of an appropriate rehabilitation program.

Drug and alcohol counseling and rehabilitation and re-entry programs may be available through the District. The District encourages affected employees to seek assistance.

Each employee will be provided with a copy of this policy which sets forth the expected standards of conduct and the disciplinary sanctions which may be imposed as a result of a violation of this policy.

Pursuant to the provisions of federal law, any employee who is convicted of or pleads guilty or nolo contendere (no contest) to any criminal drug statute for a violation occurring in the workplace, shall notify the Superintendent or his designee within five days after the conviction. The District has the obligation and shall notify the appropriate Federal agency within 10 days after receiving notice of such conviction or plea if there is a relationship between federal funds received by the District and the convicted employee's work site.

The Board of Education shall conduct a biennial review of its drug and alcohol abuse prevention programs to determine the programs' effectiveness, to implement required changes if necessary, and to insure that disciplinary sanctions are consistently enforced.
