ADDENDUM #3

THIS ADDENDUM SHALL BECOME PART OF THIS SOLICITATION:

Amend request for Proposal/Invitation/Request for Quote #20-035-2, as follows:

Q: If a part fails, do you expect the vendor to absorb the full cost of the labor and the parts/supplies even if the warranty with the manufacturer has expired?

3.18 Warranty of Supplies. If applicable (supply contract), the vendor certifies and warrants for a period no less than one year from date of acceptance, all supplies furnished under the award will be free from defects in material or workmanship and will conform to all requirements of this contract. The successful vendor agrees to replace any necessary supplies, parts, etc., at no charge to the District. Any supplies replaced will begin a new warranty period upon acceptance by the District.

A: Vendor will **not** be responsible for absorbing full cost of labor and parts /supplies **if** manufacturer warranty has expired.

Q: (Paragraph under Refrigeration Repair Services), please define "indigenous recovery capability"

EXHIBIT A: If the vendor has indigenous recovery capability, please articulate any such capacity in the RFP response. The vendor will provide a detailed record of all off-hour responses to the District on the next business day by 9:00am. Response record will include school or building responded to, time of arrival at the school or building, unit worked on, description of work performed, and outcome of response.

A: Correction to read as follows; ***If the vendor has pre-incident recovery capability, please articulate any such capacity in the RFP response.***

Meaning: Professional recovery of the equipment to recognized standards for effectively reinstating the equipment to pre-incident condition.
