

PERMISSION TO RIDE SCHOOL BUS
WITH ANOTHER STUDENT
(for emergency circumstances only)

Transportation is required by CDE Regulations to account for all students on the bus and unauthorized passengers are not permitted. However, the Transportation Department recognizes that circumstances may arise, *e.g. a family emergency, parents out of town, etc.*, when a student needs to ride home with another student on a one-time only basis. The student must get off at the assigned stop of the student they are riding with (no exceptions).

Approval to ride is based upon the space available on the bus and is given on a case-by-case basis. If you have any questions, please contact the Transportation Department at 720.554.4664

Transportation for multiple students attending an after-school activity at a student's home, *e.g., scouting, meetings, etc.* is **not** permitted. Students not assigned to a bus are not permitted to ride on regularly scheduled basis.

Please fill out this form and have the student obtain approval from a school administrator. The student then gives the form to the bus driver. The bus driver then puts this form into the Red Book. The form serves as an accountability measure for student counts, in the event of an emergency situation.
