HERE'S HOW IT WORKS.

CareerWise apprentices split time between school, the workplace and additional coursework on a schedule that works for students and businesses.

	YEAR 1	YEAR 2	YEAR 3
 AT HIGH SCHOOL Core academic courses at school (e.g., math, science or language arts)	Mornings	Mornings	You've Graduated!
 ON-THE-JOB On-the-job-training, in form of occupation, rotation or projects	Afternoons 12-16 hours/wk	Afternoons 16-24 hours/wk	32-40 hours per week
 ADDITIONAL COURSEWORK Multi-skill training curriculum in occupation—specific skills	Apprentices will not typically take any additional coursework in year 1. Varies by occupation.	Apprentices will earn an industry-recognized professional certification relevant to their work	Employers have agreed to pay up to \$4,000 in college courses—about a semester's worth.
