# Eligibility and Enrollment

## Eligibility

You are eligible for benefits if you are a regular employee working 50% of a full-time contract in an eligible group.

**If you are a new hire** in an eligible group, your benefits take effect the first of the month after your first 30 days of continuous employment.

You may also enroll eligible dependents, including:

- Your legal spouse, common law spouse, or civil union spouse. Proof of marriage or a signed common law affidavit must be provided.
- Your dependent children up to age 26. Children may include biological, legally adopted, step-children, and children for whom you have permanent court-appointed legal guardianship. With the exception of legal guardianship, dependent children do not have to reside in the household of the employee. Proof of relationship (legal adoption papers, legal custody papers, etc.) is required when enrolling a new dependent. Foster children may not be enrolled.
- Unmarried children 26 years of age or older and incapable of self-support due to mental incompetence or severe physical handicap, as certified by a physician and by the insurance carriers.

Only those dependents meeting the eligibility requirements can enroll in coverage.

## When to Enroll

**If you are newly hired**, you must enroll in or waive benefits within 30 days of your hire date.

**Annual Open Enrollment** is held every spring. During this period, you can enroll in new benefits, add or drop dependents from coverage, and determine FSA and HSA contributions.

**Outside of Open Enrollment**, you may only add or drop dependents within 30 days of a qualifying event such as: marriage or divorce, birth of a child, adoption, loss of other coverage due to spouse unemployment, etc. Contact the Benefits Office for a complete list.

## Two Ways to Enroll

**By Phone** – Speak with a Benefits Counselor who will explain your options, answer your questions, and take your elections over the phone.

**1-855-720-9918**, 9 a.m. to 6 p.m. (MST), Monday – Friday

On the High Deductible Health Plan, you will pay the full cost of prescriptions using your Health Savings Account until you meet the deductible, after which you will pay \$0.

On the Deductible HMO, you will pay copays or 20% coinsurance for your prescription drugs until you reach the out-of-pocket maximum, after which the drugs are covered at 100%. **Note:** copays do not count towards your annual deductible.

To learn about the costs of a particular medication, you can call the Kaiser Pharmacy Line at **1-303-338-4503** and provide your Kaiser member ID or CCSD’s Group Number: 01575

A list of commonly prescribed medications and their full cost can be found on the Backyard Benefits page.

# Health Savings Account

Health Savings Accounts (HSA) are the most tax-efficient way to pay medical, dental, and vision expenses (and more!) while providing an opportunity to build a safety net for future expenses.

HSAs are **use it or keep it** accounts, so unspent dollars roll forward and earn tax-free interest, and if you leave the District, **the HSA goes with you!**

Cherry Creek School District contributes \$3,000 per year for individuals and \$6,000 per year for families (full-time) who enroll in the HDHP and are eligible to establish an HSA.

**These contributions greatly reduce your out-of-pocket costs, and cut the full-time annual deductible in half!**

You can also make pre-tax contributions to your HSA Bank account through payroll deduction to stretch your healthcare dollars even further.

Visit <https://www.hsabank.com/hsabank/Members/Members-Frequently-Asked-Questions> to learn more about the benefits of having a Health Savings Account.

55+ Catch-up Contribution	\$1,000	—	—

## What if I have high claims early in the plan year?

CCSD will provide you with an HSA advance (“front load”) if you incur enough medical claims to meet your deductible between 7/1/21 and 12/31/21. Visit the Backyard Benefits page for the HSA Front Load application.

- Are enrolled in TRICARE, Medicare, or Medicaid
- Have received Veteran’s Benefits within the prior three months

# Critical Illness & Accident

Critical Illness Insurance and Accident Insurance are voluntary benefits for which you pay 100% of the premium, deducted from your paycheck post-tax. You may add your dependents to these plans even if they are not covered under your medical, dental, or vision plans.

## Critical Illness Insurance

Critical Illness Insurance pays a lump-sum benefit directly to you in the event you or a covered family member are diagnosed with a covered condition. You can use this benefit to help pay for deductibles and coinsurance, or simply to replace lost earnings from being out of work.

The lump sum amount you receive is based on the coverage level you elect (\$10,000, \$20,000, or \$30,000) when you enroll.

### Examples of Covered Illnesses

- Heart Attack
- Stroke
- Coronary Artery Bypass Surgery
- Major Organ Transplant
- Cancer
- Alzheimer’s Disease

## Accident Insurance

Accident Insurance helps cover the out-of-pocket medical expenses that can follow an accident. Benefits are paid directly to you — not to a doctor or hospital — and you can use the money however you choose. Benefit amounts are based on the type of injury and treatment needed.

### Covered accident-related expenses include:

- Injury Treatment
- Hospitalization
- Emergency Room Treatment
- Physical Therapy
- Transportation
- Lodging For Family

Critical Illness & Accident Plan Features			
	<p><b>GUARANTEED ACCEPTANCE</b></p> <p>There are no health questions or physical exams required.</p>		<p><b>FAMILY COVERAGE</b></p> <p>Coverage options are available for your spouse and children as riders to your coverage.</p>
	<p><b>WELLNESS BENEFIT RIDER</b></p> <p>Provides an annual benefit if you or your covered dependents complete a covered health screening such as a mammogram, chest x-ray, or colonoscopy.</p> <p>Employee - \$50, Spouse - \$50, Children - \$25 (annual maximum of \$100 for all children)</p>		

*Exclusions and limitations are described in the policy/certificate of coverage, posted on the Backyard.*

# Flexible Spending Accounts

Cherry Creek School District offers two types of Flexible Spending Accounts — a Medical FSA and a Dependent Care FSA. These accounts allow you to set aside pre-tax dollars to pay for certain medical or dependent care expenses. **Please note:** These accounts are separate, so you may choose to participate in one, both, or neither. You cannot use money from the Medical FSA to cover expenses eligible under the Dependent Care FSA or vice versa.

## How Flexible Spending Accounts Work

1. Determine the dollar amount you would like to set aside for your medical and / or dependent care FSA, keeping in mind the annual maximums listed below.
2. Each month, 1/12 of your annual FSA election will be deducted from your salary pre-tax and will be deposited into your Alerus FSA debit card.
3. As you incur medical or dependent care expenses, you may either submit a claim form to receive reimbursement or use your Alerus FSA debit card to pay expenses at the point of sale, such as at the doctor's office or pharmacy. When you use your FSA debit card to pay, you are not required to submit receipts for reimbursement.

For tax purposes, it is always a good idea to retain receipts for all of your medical and dependent care FSA expenses each year.

### IMPORTANT!

Per IRS rules, if you have and / or your spouse has a Medical FSA, you are ineligible to open a Health Savings Account and receive District funding. Please refer to the Medical FSA and HSA FAQs on the Backyard Benefits page for more information.

**You must actively re-enroll in the FSAs each year.  
You are not automatically re-enrolled.**

Plan	2021 Maximum Contribution	Examples of Covered Expenses
<b>Medical Flexible Spending Account (available when electing the Medical DHMO plan)</b>	\$2,750	Copays, deductibles, orthodontia, over-the-counter medications, etc. *
<b>Dependent Care Flexible Spending Account</b>	\$5,000 (\$2,500 if married and filing separate tax returns)	Day care, nursery school, elder care expenses, summer camps, etc. *

\* See IRS Publications 502 and 503 for a complete list of covered expenses.

# Life and AD&D

To provide you and your family with a sense of security if you are seriously injured or pass away, Cherry Creek School District automatically enrolls all full time, benefits-eligible employees in Life Insurance and Accidental Death and Dismemberment (AD&D) coverage, at no cost to you (for employee-only).

**Benefit enhancement:** Beginning July 1, 2021, the Basic Life and AD&D benefit will be \$75,000 for all benefits-eligible Certified and Classified employees. This means that all benefits-eligible Classified employees will enjoy a benefit increase, and Certified employees with less than three years of service will also enjoy a benefit increase.

**Basic Life:** Your beneficiaries will receive a lump-sum benefit if you pass away while employed by Cherry Creek School District.

**AD&D:** If you are seriously injured or lose your life in an accident, you will be eligible for a benefit up to your Basic Life coverage.

<b>Class 1</b>	Eligible Administrators & Pro Tech Employees	3X salary to a max of \$750,000.
<b>Class 2</b>	All other full-time and regular part-time Certified and Classified benefit-eligible Employees	\$75,000

*To confirm or update beneficiaries, please contact Lincoln Financial Group. See page 14 for contact information.*

# Supplemental Life and AD&D

## Supplemental Life

In addition to District-paid Basic Life and AD&D insurance, you may buy more coverage for yourself as well as policies for your spouse and / or children. This is a voluntary benefit, and as such you will pay 100% of the premium for these additional coverages, after tax. **Special opportunity!** During this Open Enrollment period only, you can purchase up to \$200,000 additional coverage for yourself and up to \$30,000 for your spouse without answering medical questions.

Supplemental Life Options	
<b>Employee</b>	Up to \$500,000 in increments of \$10,000; \$200,000 maximum amount guaranteed coverage
<b>Spouse</b>	Up to \$500,000 in increments of \$10,000; \$30,000 maximum amount guaranteed coverage (not to exceed 100% of the employee amount)
<b>Children</b>	Up to \$10,000 in increments of \$2,500; \$10,000 maximum amount guaranteed coverage (\$500 for children under 6 months old)

## Life Insurance Plan Comparison

District-paid Basic Term Life	Voluntary Supplemental Term Life
100% District-paid	Employee pays premium
Death benefit only	Death benefit only
Coverage ends when you leave the District	Coverage ends when you leave the District
Coverage for employee only	Coverage available for employee, spouse, and children

## AD&D Insurance

Supplemental AD&D Options	
<b>Employee</b>	Up to \$500,000 in increments of \$10,000.
<b>Option A</b>	If you choose to cover your spouse and children, your spouse would be covered up to 50% of your benefit and your children would be covered up to 10% of your benefit
<b>Option B</b>	If you don't have children, then your spouse gets coverage at 60% of your election
<b>Option C</b>	If you choose to cover only your children, the benefit amount would be 15% of your amount

*Premiums for Supplemental AD&D are determined by your age and/or spouse's age. Your premium will increase as you and your spouse age and change rate groups. Any increase in coverage made after your initial eligibility period requires Evidence of Insurability.*

*Please visit the Backyard to review the policy exclusions and limitations, which may affect benefits payable.*

# Long-Term Disability

Long-Term Disability Insurance provides a steady income stream in the event you become disabled. Cherry Creek School District automatically enrolls benefits-eligible employees in Long-Term Disability coverage and pays 100% of your premium.

Instead of having to deplete your savings or depend on Social Security or spousal income, Long-Term Disability pays 60% of your monthly earnings, up to \$8,000 per month. Your benefits begin starting the later of the exhaustion of your Sick Leave or 60 days after you are out of work.

Note that this amount may be reduced if you have other sources of earnings or another disability policy. Benefit payments may continue to the age of 65, if you become disabled before the age of 60.

## Employee Assistance Program

Cherry Creek Schools provides a comprehensive medical plan through Kaiser Permanente to help you become or remain healthy. But your mental health and financial well-being are just as important.

Our Employee Assistance Program (EAP) is there to help you through difficult situations at work and at home.

**All employees and immediate household family members are eligible for EmployeeConnect Plus<sup>SM</sup>.**

This guide highlights your benefits. Official plan and insurance documents govern your rights and benefits under each plan. For more details about your benefits, including covered expenses, exclusions, and limitations, please refer to the individual summary plan descriptions (SPDs), plan document, or certificate of coverage for each plan. If any discrepancy exists between this guide and the official documents, the official documents will prevail. Cherry Creek School District reserves the right to make changes at any time to the benefits, costs, and other provisions relative to benefits.

## REMINDER OF AVAILABILITY OF PRIVACY NOTICE

This is to remind plan participants and beneficiaries of the Cherry Creek School District Health and Welfare Plan (the "Plan") that the Plan has issued a Health Plan Privacy Notice that describes how the Plan uses and discloses protected health information (PHI). You can obtain a copy of the Cherry Creek School District Health and Welfare Plan Privacy Notice upon your written request to the Human Resources Department, at the following address:

Cherry Creek School District, Human Resources

## WOMEN'S HEALTH AND CANCER RIGHTS ACT

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: See the Kaiser Summary of Benefits and Coverage (SBC) for your elected benefit plan. If you would like information on WHCRA benefits, call your plan administrator at 1-720-554-4433.

## NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT DISCLOSURE

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## USERRA

Your right to continued participation in the Plan during leaves of absence for active military duty is protected by the Uniformed Services Employment and Reemployment Rights Act (USERRA). Accordingly, if you are absent from work due to a period of active duty in the military for less than 31 days, your Plan participation will not be interrupted and you will continue to pay the same amount as if you were not absent. If the absence is for more than 31 days and not more than 24 months, you may continue to maintain your coverage under the Plan by paying up to 102% of the full amount of premiums. You and your dependents may also have the opportunity to elect COBRA coverage. Contact Tasha Logan in Human Resources for more information.

Also, if you elect not to continue your health plan coverage during your military service, you have the right to be reinstated in the Plan upon your return to work, generally without any waiting periods or pre-existing condition exclusions, except for service connected illnesses or injuries, as applicable.

## MEDICARE PART D NOTICE OF CREDITABLE COVERAGE

### Your Options

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Cherry Creek School District and about your options under Medicare's prescription

drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Cherry Creek School District has determined that the prescription drug coverage offered by the DMHO and HDHP Medical Plan through Kaiser is, on average, for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Cherry Creek School District coverage will be affected. If you decide to join a Medicare drug plan and drop your current Cherry Creek School District coverage, be aware that you and your dependents may not be able to get this coverage back.

### When will you pay a higher premium (penalty) to join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Cherry Creek School District and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### For more information about this notice or your current prescription drug coverage:

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Cherry Creek School District changes. You also may request a copy of this notice at any time.

### For more information about your options under Medicare Prescription Drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage visit [www.medicare.gov](http://www.medicare.gov). Call your State Health Insurance Assistance Program for personalized help. See the inside back cover of your copy of the "Medicare & You" handbook for their telephone number. Call 1-800-MEDICARE (1-800-633-4227) TTY users should call 1-877-486-2048. If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. ## YOUR ERISA RIGHTS

As a participant in the Cherry Creek School District benefit plans, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all plan participants shall be entitled to receive information about their plan and benefits, continue group health plan coverage, and enforce their rights. ERISA also requires that plan fiduciaries act in a prudent manner.

### Receive Information About Your Plan and Benefits

You are entitled to:

- Examine, without charge, at the plan administrator's office, all plan documents—including pertinent insurance contracts, trust agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration;
- Obtain, upon written request to the plan's administrator, copies of documents governing the operation of the plan, including insurance contracts and copies of the latest annual report (Form 5500 Series), and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary report of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this Summary Annual Report.

### Continued Group Health Plan Coverage

You are entitled to:

- Continue health care coverage for yourself, spouse, or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description governing the plan on the rules governing your COBRA continuation coverage rights.
- Reduce or eliminate exclusionary periods of coverage for pre-existing conditions under your group health plan, if you have credible coverage from another plan. You should be provided a certificate of credible coverage, free of charge, from your group health plan or health insurance issuer when:
  - You lose coverage under the plan;
  - You become entitled to elect COBRA continuation coverage;
  - You request it up to 24 months after losing coverage.

### Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the plans. The people who operate your plans are called "fiduciaries," and they have a duty to act prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

### Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to:

- Know why this was done;
- Obtain copies of documents relating to the decision without charge; and
- Appeal any denial.

All of these actions must occur within certain time

schedules. Under ERISA, there are steps you can take to enforce your rights. For instance, you may file suit in a federal court if:

- You request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator;
- You have followed all the procedures for filing and appealing a claim (as outlined earlier in this summary) and your claim for benefits is denied or ignored, in whole or in part. You may also file suit in a state court.
- You disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order; or
- The plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights. You may also seek assistance from the U.S. Department of Labor.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees. This should occur if the court finds your claim frivolous.

### Assistance with Your Questions

If you have questions about how your plan works, contact the Human Resources Department. If you have any questions about this statement or your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office listed on EBSA's website:

<https://www.dol.gov/agencies/ebsa/about-ebsa/about-us/regional-offices>

Or you may write to the:

Division of Technical Assistance and Inquiries  
Employee Benefits Security Administration  
U.S. Department of Labor  
200 Constitution Avenue, NW  
Washington, DC 20210

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the Employee and Employer Hotline of the Employee Benefits Security Administration at: 1-866-275-7922. You may also visit the EBSA's web site on the Internet at:

## CONTINUATION COVERAGE RIGHTS UNDER COBRA

### Introduction

You are receiving this notice because you have recently become covered under a group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage.

It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group

health coverage. For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace ([www.healthcare.gov](http://www.healthcare.gov)). By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

### What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

### When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator

has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

#### **You Must Give Notice of Some Qualifying Events**

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Cherry Creek School District Human Resources or COBRA Administrator.

#### **How is COBRA Coverage Provided?**

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children. Any qualified beneficiary who does not elect COBRA within the 60-day election period specified in the election notice will lose his or her right to elect COBRA.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment

terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

#### **Disability extension of 18-month period of continuation coverage**

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage.

The disability extension is available only if you notify the Plan Administrator in writing of the Social Security Administration's determination of disability within 60 days after the latest of the date of the Social Security Administration's disability determination; the date of the covered employee's termination of employment or reduction in hours; and the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered employee's termination or reduction in hours. You must also provide this notice within 18 months after the covered employee's termination or reduction in hours in order to be entitled to this extension. You must provide the notice by notifying the benefits office.

#### **Second qualifying event extension of 18-month period of continuation coverage**

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and

any dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

#### **Other Coverage Options**

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

#### **If You Have Questions**

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

#### **Keep Your Plan Informed of Address Changes**

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

#### **Plan Contact Information**

## **PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)**

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2021. Contact your State for more information on eligibility.**
