

Our Goals for Student Achievement

District Goals

Eliminate academic achievement disparities by providing all students with rigorous and relevant learning experiences to become leaders who create solutions that contribute to the betterment of our global society. We strive to obtain this goal through

Performance
Growth
And
Engagement

By 2023, All CCSD student groups will demonstrate a median growth of 60th percentile or higher towards the College and Career Readiness benchmarks in ELA and Math as measured by state assessments.

School Goals

All staff will engage in collaboration to ensure alignment across all tiers of instruction, while consistently delivering rigorous instruction that is responsive to students' assets and needs.

Teachers, Parents, Students – Together for Success

In Our Classrooms

- Teachers will provide high quality instruction, establish a learning environment that is targeted to students' needs and is relevant and engaging.
- Teachers will provide instructional resources and opportunities for home that support student learning.
- Services for students K-5 in literacy for students that need additional support
- Provide data informed feedback about student performance and actionable steps for families to support students growth
- Design fun and engaging literacy and math activities for the whole family that support student learning

At Home

- Families will share information about students and hold the school accountable to meeting his/her unique learning needs
- Families will monitor and support good attendance and timeliness
- Families will establish routines for homework, reading, bedtime and create a space in the home that allows for focus on schoolwork
- Families will be active and supportive in family/teacher conferences, Math and Literacy nights, and other school events.

Students

- Complete my assignments to the best of my ability at school and at home.
- Develop challenging, yet realistic growth and achievement goals in reading, writing and math.
- Demonstrate R.I.S.E. behaviors (our school rules) at home and at school. The letters in R.I.S.E. stand for Respect and Responsibility, Integrity, Safety and Engagement
- Participate and listen in class, putting forth my best effort
- Ask my family, teacher or another trusted adult for help when I need it regarding:
 - A. School work
 - B. Interactions with school mates
 - C. Issues involving safety
- Read every night

What is a Family-School Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Eastridge School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents can contribute comments at any time.

Communication about Student Learning

Eastridge Community School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- Weekly homework folders
- Check in calls, emails, and written notes
- Website communication
- Newsletters
- Apps (Such as Class Dojo, ClassTag)
- Family/Teacher conferences in November and March

Do you have questions about your child's progress? Contact your child's teacher by phone (720.747.2200) or email. E-mail addresses are on the school website at
