Our teachers will work with students and their families to support students' success in all content areas. We teach using the Colorado Academic Standards.

Some of our key connections with families will be:

- Send home homework in literacy and math to support the learning that takes place in class
- Design fun and engaging Family Learning Nights in Literacy and math for the whole family
- Conduct Academic Parent Teacher Team meetings where teachers help parents to set goals for their child and learn strategies to reach those goals.
- Provide intervention in grades K-5 in literacy for all students that need additional support

Some of our key at-home activities will be:

- We need to be on the same page to help our students
- Constant contact with our teachers/parents
- Transparency
- Parents need to ask questions of their children
- Accountability from the school and parents

- Say nice words and be kind

## What is a Family-School Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## Jointly Developed

The parents, students and staff of Village East Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.
