

Cherry Creek Community Legislative Network

The Cherry Creek Community Legislative Network (CCCLN) is a non-partisan committee promoting awareness of education issues, legislation, and the legislative process. The Committee sponsors regular meetings and events to help community members learn about education issues within the district and legislative matters concerning public K-12 education in Colorado. The CCCLN provides opportunities to meet State Legislators, the Cherry Creek School Board, and other state officials. Everyone in the Cherry Creek School District community is encouraged and welcome to attend.

Please mark your calendars to attend the below meetings and events and share the information learned with your school communities.
