

What is AVID at Smoky Hill?

It is a **community** that will...

- **motivate** you to succeed
- **empower** you to self-advocate
- **improve** your reading and writing skills
- **enhance** your abilities to organize and collaborate

In other words...it is an **in-school family** that will support a student's commitment to be **College & Career Ready!**

An AVID student...

- Is in the academic middle (2.5-3.5 GPA)
- Is capable of completing rigorous curriculum, but may be falling short of their full potential
- Has positive attendance & maintains good citizenship
- Is highly motivated
- Often will be the first in their family to attend college, and often are from low-income or minority families
- Would benefit from a family-like environment, organizational support, and academic support

Smoky Hill AVID is NOT...

- A remedial program
- A school within a school
- A quick fix

Do you have a student that would benefit from AVID?

AVID is accepting students at all grade levels for the 2023 - 2024 school year. Contact Brian Lee at blee41@cherrycreekschools.org.
