

ENDEAVOR
ACADEMY

Day of Service Permission Slip

As part of Endeavor Academy's mission to re-engage student learning, students will start each quarter by participating in a Day of Service. The goal of service learning is to help students learn civic responsibility and the importance of giving back through active participation within our community.

Each Day of Service occurs at the start of the quarter beginning with second quarter. Students will be able to choose from a variety of locations and types of service to match their interests. Students will sign up for a particular service project prior to each service day and will receive more information regarding requirements for participation (i.e. clothing, transportation, additional waivers, etc.). These three days will fulfill the requirement of 5 hours of service learning per quarter in Advisory. Service learning accounts for 50% of the Advisory grade.

By signing this permission slip, you are allowing your student to participate in a service learning of their choosing on the following dates:

Monday, October 22, 2018

Tuesday, January 8, 2019

Monday, March 25, 2019

Please contact Katie Wondra at kwondra@cherrycreekschools.org or Erin Brown at ebrown46@cherrycreekschools.org if you have any questions or concerns.

Reminder: School rules and policies apply at school sanctioned events and while being transported in school vehicles.
