

Greetings Raptor Community,

My name is Guinevere Munib and I am running for the office Vice President with Eaglecrest PTO.

I have seven children total, two of whom attend Eaglecrest. I love volunteering with the PTO and have done so much of it that I would love to be in a leadership role. I am the Executive Director of my non-profit organization; therefore, I have worked in many capacities which require balancing volunteers, distribution of jobs and goods, etc. I am a tremendous support and would be a great fit for this role.

Your consideration and vote would be greatly appreciated,

*Guin*
