

Night School at Endeavor Academy

- Open to all high school students in the Cherry Creek School District
- Students can enroll in Night School for one of the following reasons:
 - **Credit Recovery**
 - Student retakes a previously failed class for credit
 - If a student passes the Night School class, the student receives the equivalent of 1 semester credit (0.5)
 - Night School grade is factored into GPA
 - This is the best option for students seeking to graduate on time, but find themselves behind as a result of poor academic performance
 - **Credit Replacement**
 - Student previously received a D+, D or D- in a class
 - Student seeks to earn a higher grade in class to improve GPA
 - Night School grade will replace D+, D or D- regardless if student does better in the class or not
 - This is the best option for students who are looking to improve overall GPA
- Night School takes place on Monday and Wednesday nights from 4:45pm-6:45pm at Endeavor Academy
- Transportation to/from the home high schools is provided
- The Night School is \$50 (or \$25 for students that qualify for free/reduced lunch)
 - Students who pass night school will have their fee refunded to them
- Night School follows very strict attendance guidelines. Missing more than 5 classes will result in being dropped from the class with no credit earned, and the fee will not be refunded.
 - This includes all absences regardless if the absence is Excused or Unexcused
 - Per Night School policy, 3 tardies are equivalent to 1 absence
- If your student is interested in Night School, please contact your student's counselor at their home high school.
 - The counselor must approve a specific class before a parent/student can register to ensure that the student is getting the exact credit needed.
- For further questions about Night School, please contact the Endeavor Academy Main Office at 720-886-7200
