

Hello!

Thank you for visiting the Endeavor Academy website. As an Alternative Education Campus, over 90 percent of our students have encountered a challenge in life that resulted in them falling behind in attaining their high school diploma. At Endeavor, we provide various supports to help students earn credit at an accelerated rate and reach graduation. Endeavor Academy is a relationship-based school that “wraps around” our students by providing various social-emotional and academic supports. In alignment with our mission and philosophy, at Endeavor we believe:

- **IN PREPARING OUR STUDENTS FOR LIFE AFTER HIGH SCHOOL.**
- **WE HAVE TO BE INNOVATIVE TO ENGAGE OUR STUDENTS.**
- **OUR STUDENTS CAN ACHIEVE AT A HIGH LEVEL WITH OUR SUPPORT.**
- **THE RELATIONSHIPS WE BUILD WITH EACH OTHER, STUDENTS, AND THE COMMUNITY ARE THE “LIFELINE” OF ENDEAVOR.**
- **THE SOCIAL-EMOTIONAL SUPPORTS WE PROVIDE ARE DIRECTLY RELATED TO OUR STUDENTS’ OVERALL SUCCESS.**
- **WE MUST BE CREATIVE IN HELPING STUDENTS REACH THEIR GOALS.**
- **EVERY STUDENT BRINGS VALUE TO THE CLASSROOM AND ENDEAVOR; OUR JOB IS TO HELP THEM AND/OR FIND THEIR BRILLIANCE.**

We also believe in partnership with our community. Endeavor Academy is a wonderful school and we love helping students reach their goals. Please feel free to contact us any time with questions.

GO PANTHERS!
