

HALL OF FAME

The purpose of the Grandview High School Hall of Fame is to recognize and honor those who have excelled in their respective sport and/or activity and have made a positive contribution to Grandview. This is an opportunity to celebrate these deserving individuals and their impact.

General Criteria:

1. The nominee has demonstrated high moral character, outstanding citizenship, and the ideals that support the mission of the Cherry Creek School District: to inspire every student to think, to learn, to achieve, to care.
2. The nominee has made valuable contributions and had outstanding accomplishments in their respective sport and/or activity during their time at Grandview High School.
3. The nominee must have graduated or concluded their service at GHS at least a minimum of five years prior to being nominated.
4. Nominations must include a rationale for consideration.
5. Nominees previously nominated will remain in the nomination pool for three years.

*All nominations for the upcoming year must be received by June 14. Any nominations received after this deadline will be considered for the following year.

All nominations submitted will be considered. Any nominees that are not selected will automatically be considered for the next three years; after which, they must be re-nominated if not selected. A committee member will gather and verify information on each qualified nominee and present it to the committee for review. Hall of Fame recipients will be announced and recognized in the fall of each school year.

The Hall of Fame committee will consist of current and former Grandview faculty, staff, coaches, and community members. All nominees and information submitted will be considered as well as additional information collected by committee members. Committee members will vote to determine the recognized nominees for that year. The number of inductees each year can vary, and all actions of the committee shall remain confidential.
