April 3, 2023

Dear Incoming 6th grade Families:

Greetings from Infinity Middle School! I hope you were able to attend our Virtual Viper Night back in February where you received a ton of information about our school, electives, and the registration process. It was a great turn out and your students did a great job filling out their registration cards and returning them!

I am happy to announce that we will **host an in person event for our incoming 6th graders and their families on APRIL 20, 5:00-6:00 pm**. There will be a very brief welcome from me and then you and your student will have about 30 minutes to familiarize yourselves with our beautiful building while completing a "VIPER VIEW SCAVENGER HUNT"! There will be 6th grade teachers and a few IMS students available to assist you as well as the entire Administrative Team. This is a great opportunity for you to walk the building with your student and identify some important locations.

Please know that if you are not able to make this evening work in your busy schedules, there will be other opportunities for parents and students as well. Please mark your calendars:

- Viper View at IMS, **April 20th, 5:00-6:00 pm**
- Schedules will be available no later than August 8th in preparation for...
- Back to School Night, **August 9th, 5:00-7:00** open house format, no formal presentations, walk through schedules and see teachers in their classrooms
- First Day of School for 6th grade, **August 14**
  - only 6th grade students in the building
  - orientation will be in morning, lunch/recess at regular time, then a shortened schedule to walk through all classes
  - **no school for 6th grade on August 15**
  - ALL grades in school on August 16
- 6th Grade Parent meetings, **August 23rd 4:00-5:00 PM and August 24th 9:00-10:00 AM**.

Please visit our website for more information. I know that you will have lots of questions about sending your student to middle school, but please know that we work in middle school because we LOVE this age of student and appreciate the journey they are on.

Respectfully,

Diana Price, Principal Infinity Middle School
