## **School Day Hours for K-5**

Monday, Tuesday, Thursday Friday: 8:00 am - 2: 45 pm  
**Wednesday: 8:00 am - 1:45 pm\*\*\***  
First bell rings at 7:50. The tardy bell rings at 8:00.

**Fox Tales:** Every month a school newsletter will be sent to families either by text or email. Please make sure your contact information on Powerschool is up to date so you don't miss out on information regarding upcoming school events, district communications, and a message from Principal Gray.

## **PASS and SAC Meetings:**

**Attendance:** All students should be in their classrooms before the tardy bell rings at 8:00. Students who arrive after 8:00 will be marked tardy. If your student will be absent or late, please notify the main office by calling the attendance line or by using the attendance app: CampusHub.

**Pick-up & Drop-off:** In effort to have all students in their classrooms before the tardy bell rings at 8:00, please allot plenty of time for car loop traffic, especially on days with inclement weather. Dogs are not allowed on school grounds during school hours.

**Secure Vestibule & Raptor:** All Fox Hollow visitors must use the Raptor kiosk to sign in and check in at the main office to pick up your visitor badge. There is a button above the kiosk for office assistance.

**Parking Lot Procedures:** If you are using the car loop, you must remain in your vehicle at all times and pull all the way forward. If you would like to walk your student to the school entrance, you must park in the parking lot and walk your student across the car loop using the crosswalk.

**Playground Hours:** During school hours (8:00am - 2:45pm) Monday thru Friday, the playground is closed to the public. These hours also apply on Wednesdays as there are still Pre-School students using the playground until the end of the school day at 2:45 pm.

**Pet Policy:** Dogs (with the exception of service animals) are not allowed on school grounds during school hours.

**Emergency Procedures:** Fox Hollow will have monthly evacuation drills, periodic lockdown drills and shelter-in-place drills. In the event of a weather emergency during the school day, please remember that our concern is the safety of the children. Children may be held inside after school if the weather is threatening.
