## SKY VISTA'S MISSION STATEMENT

Our mission is . . .

*To inspire excellence in every student, every day.*

Sky Vista is focused on high behavioral and academic expectations. This mission cannot be accomplished without your commitment. We expect each and every student to enter the building each day ready to learn.

**Sky Vista is a special place. Our expectations are built on the foundation of our four Cornerstones:**

**Respect -Treat others as you would want to be treated**

**Honor - Live up to being your best and seeing the best in others**

**Safety - Keep our school safe, mentally and physically**

**Excellence - Do your personal best every day; go above and beyond**

## CLASS SCHEDULE

You will be enrolled in five core subjects. Those classes are Language Arts, Math, Social Studies, Science and Extended Core/ACC/Lab. In addition, each student will take two elective classes to supplement the core curriculum and will participate in Cornerstones. Elective classes include Spanish, Physical Education, Choir, Band, Technology, Engineering, Drama and Art classes.

The structure of the school day will vary by grade level.

The following sections of this handbook will give guidelines and expectations to ensure each student has an engaging and successful experience at Sky Vista Middle School. Please read each of these items carefully. If you or your parents have any questions about any of these items, please contact our main office at 720-886-4710.

## THE SCHOOL DAY

Our school day begins at 8:50 a.m. and ends at 3:45 p.m. Students will be allowed to enter the building at 8:00 a.m. to have breakfast, study, or visit with friends in the cafeteria. If you are involved in a before school activity, you must have a pass to access any other part of the building.

After school activities, sports and academic support are available on Monday, Tuesday, Wednesday, and Thursday. Students involved in any of these activities are expected to be in their activity location by 3:55 p.m. Late buses leave at 4:45 p.m. Students need to be participating in an activity and supervised to stay afterschool.

## ACADEMIC PROGRESS

Our academic calendar is divided into 2 semesters, with each semester consisting of two 9-week quarters. To help you keep track of your academic standing, you should make it a practice to review PowerSchool. This resource is great to use to know what work needs to be completed and your rating of your work. We will send end of the year report cards via email to parent accounts.

## SCHOOL WORK

To show you are ready to learn, teachers will assign schoolwork to you based on the content. It may be necessary to extend the learning and have homework or need time at home to finish schoolwork. To get the most value from these experiences, it is essential that all work is completed consistently and turned in on time.

### Tips:

- Set up a regular time and place for homework.
- Choose a well-lit area with all the supplies you will need regularly for homework.
- Make sure you have enough space to study and do projects.
- Study the most difficult assignments first, when your mind is the most alert.
- Break large projects into manageable tasks

to keep from getting overwhelmed.

- Make sure that everything you do reflects your **best** effort.
- If you have a lot of homework, break your time into reasonable chunks to give your mind a stretch break.
- If you are feeling overwhelmed by your homework on a consistent basis, let your teachers know.

## BACKPACKS

Backpacks are a great resource to bring items to and from school each day. You will be able to request a locker to use but it is not required. Keep your backpack organized with your supplies to set yourself up for success. You are responsible for what is in your backpack and keeping track of all your items. Valuable personal items should be carefully considered if it is necessary to bring to school.

## STUDENT LAPTOPS

Students will be assigned a district issued laptop to be used at school and at home. Students will be expected to show up each day with their laptop charged and ready for use.

## ELECTRONIC DEVICES

While it is not recommended that students bring electronic communication devices (ECD's) to school, if you choose to do so you are expected to use them ethically and responsibly. Personal ECD's that have academic applications may be used in class at the sole discretion of the teacher. No electronic devices are to be used in school locker rooms or restrooms at any time. Students are responsible for the safekeeping of their ECD's. Sky Vista is not responsible for loss or theft of any personal electronic item.

Students may access the district's wireless network at school using their own personal ECD's. This permission in no way obligates parents to provide ECD's for their students. Access to the district wireless network is allowed for applications and activities of an academic nature. Students are responsible and accountable for their own machines. Sky Vista does not assume responsibility for laptops that become damaged, misplaced or stolen. Sky Vista is not able to provide technical support or ECD repair beyond connectivity.

## ACCEPTABLE ECD GUIDELINES

Internet access will go through the Cherry Creek School District filter that is designed to block sites that are inappropriate for the educational environment. Students are expected to follow and

adhere to all Cherry Creek School District and school policies regarding acceptable use.

Appropriate use of technology is defined by policy JICJ and JS. Inappropriate use of ECD's may result in consequences according to district policy. These policies are located on the District's website.

## DRESS CODE

CCSD Middle Schools promote a positive dress code where students are encouraged to wear clothing that is comfortable and appropriate for an educational environment. A common dress code cultivates a safe and disciplined learning environment, which is essential to a quality educational program.

CCSD Policy JICAB on student attire is intended to help students concentrate on schoolwork, reduce discipline problems, and promote school order and safety. It is designed to ensure that all students are treated equitably regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size. Clothing, accessories, paraphernalia, or body adornments **may not**:

- Be profane, obscene, lewd, suggestive, libelous, or vulgar
- Denote gang involvement
- Promote the use of drugs, tobacco, alcohol, or weapons
- Intimidate or threaten any individual or group
- Expose certain body parts (i.e. genitals, buttocks, midriffs, and breasts)
- Disrupt the learning environment
- Promote any activity prohibited by the student code of conduct

Additional Clothing Guidelines include:

- Clothing shall be sufficient to conceal all undergarments at all times (undergarments are any garments that are under the exterior layer of clothing).
- Shoes must be worn at all times; slippers are not to be worn at school.
- Pajama sets are not to be worn at school.
- Accessories that could be considered dangerous or could be used as a weapon may not be worn at school.
- Any costume items that obscure the face or ears may not be worn at school.

If clothing or accessories are inappropriate, disruptive, or outside the expectations, students will be asked to change; parents will be contacted and/or other disciplinary consequences may take place.

## LIBRARY AND MEDIA BOOKS

You will use library materials at some time during the year. Books checked out to you are your responsibility. We will ask you to pay for books damaged or lost. Students can access instructional materials and equipment in the library. Our Librarian will assist you with your class needs.

## ATTENDANCE

### Attendance Line

When you are absent from school, your parent/guardian should call the Attendance line **720-886-4705** and listen to the attendance prompt prior to 7:55 a.m. on the day of the absence. Please be prepared to give the following information: the date, student's name, grade of student, the reason for the absence or tardy, and the length of absence if known.

### Make-up Work

You are expected to complete work assigned while you were absent. You will have two days for each day of absence to complete work assigned while you were gone. It is your responsibility to see your teachers to find out what you missed and what was assigned while you absent.

### Early Dismissal

If you need to be dismissed early from school parents need to call the attendance office or you must bring a parent-signed note to the Attendance office prior to the absence. The note must include your name, date, duration and reason for the absence. You will be issued a pass to leave class at the appropriate time to meet your parent at the Security office.

### Tardies

Students are expected to arrive on time to each class and with all appropriate class materials. If you are not, you will receive a consequence from your teachers and where tardies are excessive, you will be referred to the Dean.

### Truancy

If you are absent without consent, your absence is unexcused. Your Dean will meet with you and take appropriate actions including but not limited to detention, suspension, referral to the District Student Attendance Review Board or Truancy Court. You are truant if you do the following:

- Leave school without signing out at the Attendance Office.
- Leave school at lunch without a pass.
- Are absent from school without prior permission from your parent.
- Are absent from class without permission.
- Obtain a pass to go to a certain place and do not report there.

- Come to school but do not attend class.

### **Bicycles**

You may ride your bike to school. You are encouraged to wear a helmet and to ride safely and in a courteous manner. Please walk your bike on school grounds. You may not bring skateboards onto school buses unless the board is in a manufactured board bag.

## **CAFETERIA**

Lunchtime is a great time for you to visit with friends. Lunches cost approximately \$3.75 and breakfast approximately \$2.25. Your student ID will need to be scanned to purchase items from your account. You may also pay for your lunch using cash.

We do not allow outside deliveries (DoorDash, Uber Eats, etc) for student lunches. Parents/Guardians can deliver lunch for students that are from home or a restaurant.

When students are done eating lunch and have cleaned up their area, they may go outside to play, stay in the cafeteria and socialize or visit the media center; however, students should not go into the academic halls during lunch times as other classes are in session.

## **ATHLETICS AND ACTIVITIES**

Students at Sky Vista Middle School have many opportunities to participate in extracurricular activities. They are encouraged to become part of the many activities and athletic teams that are available throughout the school year.

### **Athletics**

Other clubs will be developed according to student and faculty interest.

To participate in any of these clubs, watch the student announcements for meeting times and sponsor information. While clubs do not require a participation fee, some activities may ask for a materials fee.

## **HEALTH AND SAFETY**

### **Illness and Accidents**

A registered nurse is on duty during the school day. Our clinic is located off the main hallway on the first floor. Unless it is an emergency, you will need a pass from your teacher to be admitted to the clinic. The nurse will evaluate the nature of your problem and assist in contacting your parent for transportation if necessary.

### **Medication**

Prescription medication may only be taken at school if it is brought to the clinic in its original container, accompanied by a "Permission to Administer Medication at School" form. This form is available in the clinic, and must be signed by the student's physician and parent/guardian. If your child needs an occasional over the counter (OTC) medication such as Tylenol, you may send some in its container along with a completed "Permission to Administer Medication at School" form. Only the signature of

the parent/guardian is required on this form. According to School Board Policy, verbal permission will not be accepted as authorization to administer medication to the student.

### **Inhalers**

Students with asthma, severe allergies or other conditions requiring the personal possession and use of an inhaler must complete an Asthma Health Management Agreement and file it with the clinic.

### **Colognes/Perfumes/Body Sprays**

Aerosol sprays and pump sprays may create health risks for students and staff and may not be brought to school. This includes, but may not be limited to, colognes, perfumes, body sprays, hair spray, breath spray and spray or pump deodorants.

### **School Immunization Law (JKD-1-E #9)**

Colorado School Immunization Law requires that **all students must be in compliance to attend school**. A certificate of immunization from a physician or the department of public health must state that your child has received immunization against communicable diseases as specified by the state board of health. If a medical exception is required, it must be signed and dated by a physician. If a personal or religious exception is selected, a form must be signed and dated by a parent or guardian.

**The nurse can be reached at 720-886-4822.**

## **MISCELLANEOUS INFORMATION**

### **Counselors and Deans**

Our Counselors and Deans are here to help you with your day. The Counselor Office is located upstairs. If you need to see a Counselor, you can sign up by scanning the QR code. The Deans Office is by the Main Office. If you need Deans or Counselors, be sure to check in with your teacher to receive a pass to come to the office.

### **Locks and Lockers (JIH)**

Lockers are optional for students. When all required forms have been completed and turned in, you will be issued a small locker for the storage of books and equipment. It will be equipped with a combination lock. Please keep your lock combination confidential. Do not give it out to your friends. Students may not put personal locks on lockers. Any non-school issued locks will be removed. Board of Education Policy JIH clearly defines student lockers as school property subject to school official searches. Therefore, school authorities may search your locker at any time. Random locker checks are held periodically and may be conducted with the assistance of the Arapahoe County Canine Unit.

### **Lost and Found**

If you find lost or misplaced articles, please turn them into the security office. Do not keep items belonging to someone else. Lost articles will be given to charity if not claimed by the end of each semester. The school and district are not responsible for the loss of personal property brought to school. The staff at Sky Vista encourages you to leave valuables at home.

### **PTCO**

The Parent-Teacher Community Organization is an excellent parent group, formed to support and aid the positive growth of Sky Vista Middle School, and promote effective communications and understanding between the school, home, and community. Parent participation is greatly needed and encouraged. PTCO supports school activities, donates funds to promote the educational environment, and provides "people power" for many worthwhile programs. The school store is managed by PTCO volunteers who donate their time to provide a service to students.

### **Schedule Changes**

Schedule changes are made to support the academic needs of students and only where space in a class permits. If your schedule needs to be changed, you should make an appointment with your counselor. Your parents, teacher and counselor must agree to your schedule change and the Principal must approve. **Change requests may only be made during the first week of each semester.**

### **School Closure and Storm Delays**

The Cherry Creek School District administration will announce cancellation or delayed schedule of all schools via ConnectEd message, tv stations, social media sites and/or radio stations. On delayed schedule, bus schedules will be changed as follows. Morning buses will run approximately 90 minutes later than usual. Activity buses will not run on days of inclement weather. School delays or cancellations will be announced as Cherry Creek School District #5. You may also receive a Connect Ed message from the district. You may also call the snow line at 720-554-4703 or visit the district website at [www.cherrycreekschools.org](http://www.cherrycreekschools.org)

### **Student I.D. Cards**

You will be issued a student I.D. card. I.D. cards will be required for purchasing lunch, riding a school bus, and checking out library books. It is a good idea to take a picture of your I.D. if you have a phone so you have access to the bar code. If you lose your student I.D., you must purchase another from the bookkeeper and obtain it from security. The cost for a replacement I.D. is \$5.00.

## **Videos**

To assist in our safety measures, the building is monitored by video surveillance equipment 24 hours a day. Information on the video recording may be used to assist in resolving disciplinary situations and may be shared with law enforcement agencies when necessary.

## **Visitors to Sky Vista**

Parents are encouraged to visit the building and classrooms. Due to security concerns, parents will be asked to sign-in at the Security Office. Please be mindful that classroom visits are not intended to be conferences and observations. You may set up an appointment to meet with a teacher or team at any time. We are not able to accommodate student visits from other schools.

# **Cherry Creek School District Student Behavior Policies**

## **VIOLENT AND AGGRESSIVE BEHAVIOR (JICDA, JICDB, ACC-R)**

It shall be a violation of this policy for any student or staff member to inflict, threaten to inflict or attempt to inflict violence upon any other student or staff member while in the school buildings, on school grounds, in school vehicles or during a school-sponsored activity and in certain cases when the behavior occurs off of school property. An act of violence and aggression is any expression, direct or indirect, verbal or behavior, of intent to inflict harm, injury or damage to persons or property. A threat of violence and aggression carries with it implied notions of risk of violence and a probability of harm or injury.

## **STUDENT BEHAVIOR (JIC)**

Students are expected to know and follow the conduct code of the Cherry Creek School District, which is supported by state laws. Violation of these policies will lead to disciplinary action and consequences established by the Cherry Creek School District, state law, and building policy. All of the information contained here is a brief summary of district policy. Please refer to the Cherry Creek District website for full document of Student Conduct and Discipline Right and Responsibilities" for a comprehensive description of each policy.

*The entire text of any school district policy and/or regulation is available via the Cherry Creek School District web site located at: [cherrycreekschools.org](http://cherrycreekschools.org)*

**FIGHTING (JICDB):** Physical conflict or fighting among students is not allowed or tolerated. Under most circumstances, the individuals involved in a fight, share responsibility in the conflict. Therefore, there will be consequences, and police contact, when necessary.

**VERBAL OR PHYSICAL ABUSE OF ANOTHER PERSON (ACC-R):** Under no circumstances will a verbal or physical attack be tolerated. This includes racial/ethnic comments, harassment, or any form of intimidation.

**CLASSROOM DISRUPTION (JIC, JICDA):** Students are expected to pursue the educational program and to behave in such a way that their presence does not detract from their own education or the education of others. Students are expected to comply with all school and classroom rules. Disruptive behavior is behavior initiated by the student which is willful and overt, and which requires the attention of school personnel to intervene.

**BEHAVIOR OFF SCHOOL GROUNDS (JICDA#19)**  
Be aware that behavior you engage in off school property can get you into trouble at school. School Board policy states that "behavior on or off school property which is detrimental to the welfare, safety of morals of other students or school personnel" is subject to school disciplinary action up to and including suspension and expulsion.

## **WEAPONS (JICI, JICDB)**

In an effort to provide the safest, most appropriate environment for education, the Board of Education determines that possession and/or use of a weapon by students is detrimental to the welfare and safety of the students and school personnel within the District. Possession is defined as having physical possession of a weapon, dangerous weapon and/or firearm facsimile, or the weapon, dangerous weapon and/or firearm facsimile being under the control of a student whether it be in a car, locker, backpack, or other location, under the control of or belonging to the student while on District property.

**DANGEROUS WEAPON/FIREARM:** Any object, material, or substance, whether animate or inanimate, which in the manner it is used, designed to be used, or intended to be used, is capable of producing death, or serious bodily injury. This definition includes, but is not limited to knives or other objects, firearms (including airsoft, BB and pellet guns). The possession and/or use of any dangerous weapon/firearm, loaded or unloaded, will require an expulsion review of the student.

**WEAPONS:** Any object which is generally used for non-violent or non-dangerous purposes, but which can be considered a weapon under this policy as a result of its use or intended or threatened use. An example from district policy is a baseball bat. A bat is not ordinarily considered a weapon. However, when used or threatened to be used to strike another person, it will be considered a weapon. The use of any weapon or facsimile in a threatening or improper manner on Cherry Creek School District property, or at any school-sanctioned event, by any student, is prohibited and suspension or expulsion will occur.

**FACSIMILE:** Additionally, the carrying, using, actively displaying or threatening with the use of a firearm facsimile that could reasonably be mistaken for an actual firearm on district property, when being transported in vehicles dispatched by the district or one of its schools, during a school-sponsored or district-sponsored activity or event, and off school property when such conduct has a reasonable connection to school or any district curricular or non-curricular event without the authorization of the school or school district is prohibited. Students who violate this policy provision may be subject to disciplinary action including but not limited to suspension and/or expulsion.

## **ALCOHOL AND OTHER DRUG POSSESSION/USE (JICH):**

The Cherry Creek School Board has adopted a strong policy about the possession, use, and distribution of drugs and alcohol. Students will not possess, use, or sell drugs, alcohol, tobacco, paraphernalia, or any substance represented as these items on school property. Consequences will follow those outlined in the Cherry Creek Board of Education Policy concerning drug and alcohol use by students.

For purposes of this policy, prohibited controlled substances include but are not limited to narcotic drugs, hallucinogenic or mind-altering drugs or substances, amphetamines, barbiturates, stimulants, depressants, marijuana, anabolic steroids, any other controlled substances as defined in state or federal law, or any prescription or **nonprescription drug, medicine, vitamin or other chemical substances** not taken in accordance with the Board policy and regulations on administering medication to students, including the Board's policy on administration of medical marijuana to qualified students.

### **Use, possession, or under the influence:**

**First offense:** The student will be suspended for five (5) school days with a request by the principal to the Superintendent to extend the suspension an additional five (5) days for a total of ten (10) school days. The ten (10) school day period of suspension may be reduced to three (3) school days provided the student agrees to complete Cherry Creek School District Alcohol and/or Drug Education/Intervention Program.

**Second offense:** The student may be suspended for five (5) school days with a request by the principal to the Superintendent to extend the suspension an additional five (5) school days for a total of ten (10) school days of suspension for serious violation of school board policy and may be recommended for expulsion. The ten (10) school day period of suspension may be reduced to five (5) school days and, if applicable, the recommendation for expulsion waived if, after the first five (5) school days of suspension, the student and his/her parent(s)/guardian(s) provide evidence that the student has elected to participate in an individual alcohol and/or drug evaluation/assessment and that the student has provided an outline of a recommended treatment plan and evidence of intent to enroll in an alcohol or drug education/intervention/treatment program.

### **Third and subsequent offense of Using Prohibited**

**Substances:** The student will be suspended as outlined in School Board Regulation JKD-1-R until an expulsion review is held. Procedures to be followed recommending expulsion from school are outlined in School Board Regulation JKD-1-R.

**Distribution or selling:** The student may be suspended from school for five (5) school days and may be recommended for expulsion. The principal or designee may call appropriate law enforcement officials in each instance of possession or sale of controlled substances by a student.

### **Drug and Tobacco Free Schools (Canine Search)**

**(ACD):** The Cherry Creek School District and Sky Vista

Middle School are committed to maintaining a safe and drug free learning environment for our students. Our Board of Education Policy JICH complies with the Colorado Controlled Substance Act of 1981. This policy helps maintain the expectations of a drug free learning environment and protects the safety and welfare of students and staff.

Throughout the school year, in conjunction with the Arapahoe County Sheriff's Department, we will conduct periodic hallway and locker searches. Students, parents, and community are reminded that our drug dog search policy. Students, parents, and community are reminded that our drug dog search policy reinforces the message that we are committed and serious in our efforts to promote and maintain a safe, caring, and drug free learning environment. Our proactive approach is a preventative measure that discourages possession, use, and distribution of controlled substances as defined by police and law.

## **GANG/SECRET SOCIETY RELATED BEHAVIOR**

**(JICF, JIC):** We are committed to keep Sky Vista students and staff free from the threats or harmful influence of any groups or gangs, which advocate drug use, violence, or disruptive behavior. The presence of any apparel, jewelry, accessory, note-book, graffiti, language, hand signals or manner of grooming which by virtue of its color, arrangement, trademark or any other attribute which denotes membership in gangs is strictly prohibited on Cherry Creek School District property or at school sanctioned events. Consequences may involve suspension, expulsion, and/or police contact.

**DISCRIMINATION (AC):** The School Board affirms the right for all students and staff, regardless of race, color, ancestry, religion, or national origins, to be treated with respect in an environment free from intimidation, discrimination, physical harm, and/or harassment. Violation of this policy may result in suspension, expulsion, and/or police contact.

## **SEXUAL HARASSMENT (AC R-2, AC R-4, JICDB):**

A learning environment that is free from sexual harassment shall be maintained. It shall be considered a violation of policy for any staff member to harass students or for students to harass other students through conduct or communications of a sexual nature. Unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature may constitute sexual harassment when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of a person's educational development.
- Submission to or rejection of such conduct by an individual is used as the basis for education decisions affecting such individual.
- Such conduct has the purpose or effect of unreasonably interfering with an individual's educational performance or creating an intimidating, hostile or offensive educational environment.

Sexual harassment as defined above may include but is not limited to:

- Sex-oriented verbal "kidding," abuse or harassment.
- Pressure for sexual activity.
- Repeated remarks to a person with sexual or demeaning implications.

- Unwelcome touching, such as patting, pinching, depantsing, or constant brushing against another's body.
- Suggesting or demanding sexual involvement, accompanied by implied or explicit threats.
- The drawing of sexually explicit pictures.

Violation of this policy may result in suspension, expulsion and/or police contact. Students should report any incidents of harassment to their Dean.

**ETHNIC INTIMIDATION OR HARASSMENT (AC R-6):**

The Board of Education affirms the right of all students and staff, regardless of race, color, ancestry, religion, or national origin to be treated with respect in an environment free from intimidation, discrimination, physical harm and/or harassment. Individuals or groups are in violation of this Policy if, on school grounds, at school-sanctioned activities, or in vehicles dispatched by the District if they:

*Direct personal insults (whether written or oral), including epithets, slurs and insults based on a person's race, color, religion, ancestry, or national origin which are addressed to an individual (or group of individuals) where such utterance is likely to incite an immediate and violent response from the person(s) being addressed.*

**STUDENT DISTRIBUTION OF NON-CURRICULAR MATERIALS (JICEC):**

To understand Constitutional values such as the right to free speech, students must not only study such principles but also have an opportunity to put them into practice. However, there are limitations on the right of student free speech in the school setting that have been upheld by the courts because of the unique nature of the school community. It is the goal of this policy to strike a necessary balance between a student's right of free speech and the school's responsibility to maintain an orderly and safe school environment which respects the rights of all students on school grounds and during school-sponsored activities. Students shall be allowed to distribute non-curricular written materials on school property subject to restrictions on time, place and manner of distribution set out in the accompanying regulations and the prohibitions set out below and in state law. Any material in any media containing expression which is obscene, libelous, slanderous or defamatory shall be prohibited. Students shall not distribute any material which advocates commission of unlawful acts or violation of Board policy and/or regulations, which violate another person's right to privacy, which causes a material and substantial disruption of the orderly operation of the school, or which threatens violence to property or persons. Students who distribute materials in violation of this policy and/or materials that cause a material and substantial disruption or damage to a person or property or threaten violence to property or persons in the judgment of school officials shall be subject to appropriate disciplinary action. School equipment and supplies shall not be used for publication of such material unless authorized as a school-sponsored activity.

**STUDENT DISTRIBUTION OF NON-CURRICULAR MATERIALS (JICEC-R):**

Students who wish to distribute non-curricular printed materials on school property or in conjunction with a school activity must notify the principal a minimum of

one day in advance so that details may be worked out regarding the time, place and manner of distribution. Students do not have to produce an advance copy of the materials that will be distributed for the principal's review. However, materials which are distributed on school grounds containing information prohibited by Board policy and/or materials that create a significant or substantial disruption or damage to persons or property in the judgment of school officials may subject the responsible students to disciplinary action following distribution.

The following restrictions will apply to all requests for distribution of non-curricular materials by students:

**1. Place**

Distribution of printed materials must be made at places within the school or on school grounds as designated by the principal except that in no event may such materials be distributed in any classroom of any building then being occupied by a regularly-scheduled class.

**2. Time**

Distribution may be made one-half hour before school and/or during regularly scheduled lunch periods and/or 15 minutes after the close of school. Any other times during the school day are considered to be disruptive of normal school activities.

**3. Littering**

All distributed items discarded in school or on school grounds must be removed by the persons distributing such materials.

**4. Manner**

No student may in any way be compelled or coerced to accept any materials being distributed by any person distributing such materials or by any school official. In the alternative, no school official or student may interfere with the distribution of approved materials.

Violation of any of these regulations will be sufficient cause for denial of the privilege to distribute materials at future dates and for disciplinary action.

- Threaten with physical harm or actually harm a person on the basis of that person's race, color, religion, ancestry, or national origin.
- Deface school property or materials in such a manner as to demean the race, color, religion, ancestry, or national origin of an individual or group.
- Damaging, defacing, or destroying private property of any person on the basis of that person's race, color, religion, ancestry, or national origin.
- Commit other acts of harassment or intimidation that may be in violation of the Colorado Ethnic Intimidation Act of 1991.

Any incident believed to constitute ethnic intimidation shall be reported promptly to the Dean for investigation and further action, which may include reporting the incident to law enforcement authorities.

**THEFT (JICDA):** No person may take or destroy personal or public property. Consequences will involve restitution and/or community service and may involve suspension and police contact. Students are advised not to bring valuables or large sums of money to school as we assume no liability for lost, stolen or destroyed items.

**VANDALISM (JICDA):** No form of vandalism will be permitted against school or personnel property. Consequences for any form of vandalism may involve restitution, community service, suspension, police contact, and expulsion.

**CHEATING (JIDCA):** Knowingly using or copying the academic work of another student and handing it in as your own is not allowed at Sky Vista.

**ILLEGAL/INAPPROPRIATE USE OF TECHNOLOGY:** Because electronic information is so volatile and easily reproduced, respect for the work and personal expression of others is especially important in computer environments. Violations of authorial integrity, including plagiarism, invasion of privacy, unauthorized access and copyright violations are grounds for disciplinary action.

Sending threats of inappropriate messages may result in consequences, including loss of privileges or suspension.

**LOSS OR ABUSE OF INSTRUCTIONAL MATERIALS OR EQUIPMENT OR OTHER SCHOOL PROPERTY:** Students will be expected to pay for the repair or replacement of any instructional material or equipment checked out to them.

**DISCIPLINE AND CONSEQUENCES:** If your behavior is contrary to these expectations or against school/district policy, you will be subject to disciplinary action. These disciplinary actions may include the loss of certain privileges, detention (in-school, after-school, lunch), out-of-school suspension, and expulsion. In situations where you face one of these disciplinary actions, you have a right to due process.

Due process means that each student has several rights when faced with disciplinary action. First of all, you have the right to make a written statement concerning an event that has taken place. This statement is most often written on an "Incident Report" form. You have the right to contact your parents or guardians. Your side of any situation will be heard fairly by your Dean and any decisions reached may be appealed. Special Education students have additional rights as stipulated by their Individual Educational Plan.

**Detention/In-School Suspension**  
A teacher or Dean may assign after school or lunch detention. If it is assigned by your teacher, it is important for you to ask where you are to meet for that detention, and what materials, books, etc.; you will need during the detention time. When your Dean assigns a detention, you will report to the Dean's Office and be instructed where to go. After School detention is held from 3:45 – 4:45 p.m. During your detention you are expected to sit quietly and complete homework the entire time. Students will be closely monitored and expected to work on homework or read a book. Students in In-school detention may not participate in extra-curricular activities for the days they are serving detention. The teacher or Dean may assign lunch detention. Failure to attend your detention will result in additional detentions or other consequences.

**Suspension – Out of School**  
Suspension out of school requires that students are not permitted to be on campus during the term of their suspension. Out of school suspension always requires parental notification, parent pick-up, and a re-entry conference with the student, parent, Dean, and Special Education case manager (if applicable). Students may not be on any school property or attend school sponsored events while suspended.

**Additional Consequences**  
Students may be given consequences as alternatives to suspension. Alternatives to suspension may include Extended After School Detention or loss of privileges. These consequences are designed to minimize time lost from school.

**Police Contact**  
Sky Vista Middle School works closely with local authorities to maintain a safe and secure learning environment. The Arapahoe County Sheriff's Department regularly assigns a school resource officer (SRO) to assist the staff with legal issues, complaints, questions and concerns. Students who violate local, state or federal laws are subject to police contact.
