

PRAIRIE MIDDLE SCHOOL

Cell Phone Guidelines

To ensure students are maximizing their learning time at school, cell phones are not to be used during the school day. Students are allowed to use their phones before school, during lunch and after school.

Students should have their phone turned off or on silent during the school day. If students have their phone out in class, they will be required to turn it into the Dean's office for pick up at the end of the day. Communication will be sent to the guardian that the phone is in the office. If a student continues to have their phone out, this will lead to progressive consequences and a guardian problem solving meeting.

All families need to complete the [Prairie Middle School Cell Phone Guidelines and Agreement](#) acknowledgement form through the link for QR code.
