

"ACE" high school & get these in:

"Academics"- get that g.p.a. as high as you can!

"Community Service"

"Extra-Curricular's"

Refine your skills:

1. Know your credit standing
2. Start preparing for the SAT
3. Use your tools

Start researching schools, programs and things you want to pursue after you graduate! NOW is the time to find the places you want to apply! Learn and know the requirements you will need to get accepted, look ahead to budgets and have family conversations

Show what you know:

1. Take the SAT
2. Update your Resume
3. Start working on your College Essay

Prepare, prepare, prepare! Additional things will help for a smoother journey:

- ◇ Attend college fairs & information nights/sessions
- ◇ Look ahead at what scholarships exist- make a calendar
- ◇ Register now for the NCAA if you plan on playing DI or DII sports
- ◇ Go on any College visits you can!

PLAN~ then Prepare

Find the Schools and Programs you want to apply to after OHS

PREPARATION HIGHLIGHTS

APPLY (online at the institutions website) to your chosen schools/programs in the fall of next year

TELL US by filling out a transcript request and talking to your teachers if recommendations are required

FIND THE MONEY!

The majority of your Senior year should be spent doing scholarship searches & applications **if** you do your College & Career Searches. Once you are accepted we can help you compare costs
