Greeting Blazers,

We hope you're having a great second week of school!
Tonight is (Virtual) Back to School Night starting at 6pm!

If you missed last week's newsletter, click [here!](#)

-The OHS Post Grad Team

Public Service Announcements:

College Rep Visits

Due to COVID-19, college representatives will "meet" with students virtually this year. Mr. Sewell will send a **green** pass to students who sign up for college rep visits and they will virtually meet with the representative on their device outside. Students must sign up through Naviance. Instructions are [here](#).

New Counseling Model this Year

As you may know, counselors switched to the alpha model this year. Make sure you introduce yourself to your new counselor (in person) and have a conversation about your Post High School plans!

CreekMail

Students should be checking their CreekMail on a daily basis.

Schoology & Google Classroom

All seniors have access to resources and materials regarding Post Grad on Schoology and Google Classroom. Students should check these platforms *at minimum once per week*.
