

"ACE" high school by making sure you are getting these in:

"Academics"- get that g.p.a. as high as you can!

"Community Service"

"Extra-Curricular's"

Acquire your skills & know your tools:

1. Powerschool- Check your grades & progress weekly
2. Schoology- Get your class materials
3. Naviance- Familiarize yourself on career & college searches

Start the transition into learning not only what high school is about, but looking beyond. Use your Blazer 101 & Advisory lessons to start your **ICAP and 4-Year Plan**. Start with the end in mind and look ahead to what classes you are interested in & need to meet your goals

Show what you know:

1. Start strong and stay strong!
2. Use your results from the ASPIRE & PARCC to set ICAP goals
3. Using your first transcript, set a goal G.P.A
4. Start recording your activities in your "Resume" to "show" how you are "ACE'ing" high school

Keep goal setting! Additional things will help for a smoother 10th grade:

- ◇ Look ahead at what scholarships exist. Don't forget- there are many out there that apply to YOU, RIGHT NOW!
- ◇ Register now for NCAA if you plan on playing DI or DII sports
- ◇ THE MORE YOU COMPLETE YOUR FRESHMAN TASKS, THE EASIER THIS PROCESS BECOMES.

Make sure in Naviance you also HAVE:

- Completed the "Do What You Are" survey & started exploring the career interest profiler
- Made a "Game Plan"
- Set your "Academic Goal"

SOPHOMORE YEAR

REFINE YOUR SKILLS

After familiarizing yourself with your tools, understand your credits and make sure your ICAP and 4-Year Plan is current

RESEARCH AND PREPARE!

Understand your dreams by researching what Colleges & Programs offer your interests, & what their requirements are. Ensure you have "ACE"'d your year!

SHOW WHAT YOU KNOW

Know your goal G.P.A and get ready to focus on the PSAT and PARCC tests. Complete and use your Resume to ensure you are "ACE'ing" High School
