

Congratulations on your interest in earning college credits at CCA while attending high school! The first step in the process is to apply for admission to CCA. The following information should assist you in that process.

Please note, the application is a two-step process that begins with completing the Create Account portion. You will then be directed to the My Account Page where you can start a new application or continue a application.

1. Go to www.CCAurora.edu, Click **"Apply Now"**

2. **Create a CCA Account** – Select **"Create Account"** (Please remember your e-mail address and password so that you can access your account later).

Welcome

Welcome to CCA! Our goal is to make sure that your potential is realized.

Please enter your information in each of the following sections. Fields with a red asterisk (*) are required and must be completed before you can submit your application. Additional questions may become required based on your answers to a previous question.

This application is optimized for the Chrome browser and displays best on a desktop computer

Save Application Previous Page

Submit Application

Click - **Submit Application**

- ◆ **Student ID Number:** Please let your high school counselor or teacher know when you complete the application. They will likely ask for your student ID number which will be available about 5-10 minutes after completing the application. You can access your CCA Student ID Number by logging back into your account using the email address and password you used above. Your student ID number will be listed under the "My Profile" section.

My Account

Hi Nicole ! Welcome to CCA. Our goal is to make sure that your potential is realized. Students leave CCA ready to enter a fulfilling career or transfer to the state university of their choice for their bachelor's degree.

My Profile

If you have already submitted an Application for Admission you should change your contact information in your college Student Account.

Admissions is done!!

Watch for your acceptance letter in your email account shortly after you have completed the application.

Make sure to submit a completed CE College Agreement form or your Dual Enrollment Online form and, if required, satisfy course prerequisites.
