Different formats require different apps:

- **EPUB or PDF:** On PC or Mac computers or laptops, these eBook formats require an app and an account with Adobe Digital Editions. Download the free Adobe Digital Editions app from the Overdrive site and create an account. On mobile devices such as iPads, Kindle Fire & smartphones, use the Overdrive Media Console app to read EPUB eBooks.
- **Kindle:** These eBook titles may be downloaded to any Kindle or any device with the Kindle app (including iPads, smartphones, PC's, Macs, netbooks, M&A tablets, etc). Download the free Kindle app from Amazon.com and create a Kindle account to access these titles.
- **OverdriveREAD:** Some eBooks may also be read onscreen within your browser. No apps or software to download Use the "Read (in your browser)" option in your Overdrive bookshelf.
- **WMA or MP3:** The Overdrive Media Console app is needed for audiobooks on all devices.

Checkout Guidelines

- Checkout periods are 21 days for eBooks or audiobooks. Books can be renewed if there is not a hold on the title
 - A total of 5 eBooks and audiobooks may be checked out at one time.
- eBooks and audiobooks automatically expire at the end of the checkout period. To return them early, you may do that within your Adobe Digital Editions app, Overdrive Media Console app or Kindle account at amazon.com, which will make them available immediately for other users.
- You may place books that are checked out on your "holds list" and will receive an email when the book is available for checkout. You must have an email address to place items on hold.
 - A total of 5 eBooks and audiobooks may be placed on your holds list at one time.
- Overdrive Digital Library does not keep a list of your eBooks or audiobooks checked out once they have been returned. However, if you use the "Rate a Title" feature, those titles will remain in your account.
