February 5, 2024

Dear Polton Families,

Per Colorado Law (Senate Bill 20-163), The Colorado Department of Public Health & Environment (CDPHE) requires that schools share current measles, mumps, and rubella (MMR) vaccination rates with parents/guardians through the annual parent letter.

Attached is the CDPHE annual parent letter with MMR rates specific to Polton Elementary students. Please click on the link below to view in your preferred language:
