Dear Moose families,

Please attend one of the two Open House overflow meetings at Woodland Elementary School on Monday, February 5th or Tuesday, February 6th from 5:30 to 7:30 pm if you would like more clarification on the boundary scenarios presented. We realize this is a difficult decision for Moose Nation, and we have appreciated everyone's support since we opened in 2018. Our building capacity is 650 students, and we have been over capacity since 2019, hitting an all-time high of 1,005 two years ago. We are currently projected to have 850 students by December of 2024. Enrollment numbers at this level have a severe impact on the day-to-day function of Altitude Elementary School, especially during lunch and recess times. It also limits our ability to focus on the achievement of our students when more time is needed for the logistics of our operation.

We are fortunate that Woodland Elementary is under capacity and has room to help with the overcrowding at Altitude Elementary. This will help both schools provide the best programming for our students (both Moose and Bears). A few years ago when Altitude opened, many families did not want to leave Coyote Hills, Pine Ridge, and Black Forest Hills. This feeling soon dissipated as Moose Nation came into shape. The same thing will happen as Woodland welcomes new families to Bear Country. We are all Cherry Creek Schools, where our 53,000 students receive the best education in Colorado.

We know this change will be hard for our community, but it will help both schools continue to be Dedicated to Excellence.

=====

Parent-teacher conferences are March 4th – March 8th. You should be receiving a Sign-Up Genius from your student's teacher today.

I came across an article about conferences entitled, Making the most of a teacher conference by R. Kim Herrell, and I thought I would share a few excerpts with you.

First of all, please go to conferences. If you want your child to be interested in school, please show interest in your child's school experience. Go to conferences every time, but especially attend the last conference at a school and the first conference at the new school. These are the transition conferences. It will help you understand the sometimes-difficult shift your child may experience when changing schools and levels. Our curriculum and standards have changed over the past two years, and we'd love to share our MOOSEFOLIOS with you!

Come sit with your teacher and your child, please, and learn about how your child learns and what they are doing in the classroom environment. Listen to your child talk about the joys and challenges of learning that particular subject. Don't look at individual grades, but look at the trends in your child's learning. Hear what the teacher has planned as far as outcomes in the class, and how every student can contribute to the learning happening in the entire class. All of this will give you talking points for further conversations with your child. Continuing the conversation at home keeps a spotlight on the importance of learning.

I reiterate: Please go to conferences. Support your child. Please, also, support your child's teacher and school. Everyone is pretty nervous in these days of cut and stretched dollars. Come with an open hand and open ears and you will find the same. A child's teacher will celebrate your child's success and behavior with you. Continue that celebration and conversation about education at home. Together, we are the change education needs. (Making the most of a teacher conference by R. Kim Herrell).

Our goal is to have 100% participation in each classroom at Altitude. Thank you for your help in achieving our goal.

=====

Please help us get the word out for all pre-kindergarten and kindergarten students in the Altitude Elementary attendance area to go register their students as soon as they can! We are in the process of evaluating our enrollment to determine our staffing for the 2024-2025 school year. It is a great help if we have a good handle on our numbers so we can keep our class sizes down and build a solid staffing plan. If you know of any pre-kindergarten or kindergarten Altitude Moose for the 2024-2025 school year, please tell them to go register right away (more info can be found within this newsletter)!

Please do not forget that January 29th - February 16th is our Make-A-Wish/Quarters for Kids drive. The money raised will go towards Cherokee Trail High School's Make-A-Wish efforts. Each year CTHS and all of its feeder schools raise money to support the Make-A-Wish Foundation to help make a very ill child's wishes come true! Every quarter that our students (grades K-5) turn in earns them a raffle ticket - a winner from each grade (K-5) will be drawn to accompany Mr. Schleich and Ms. Kimpton to attend lunch as well as the CTHS Make-A-Wish Assembly on Friday, February 16th. Thank you for helping us help others and for your support of our Service value at Altitude!

Sincerely,
Scott

The PTCO general meeting originally scheduled for February 6th has been canceled. We are asking that families attend one of the two community meetings at Woodland ES on February 5th or 6th instead!

Events Snapshot:

February 1: Registration Opens for UPK and Kindergarten
February 1: CCSD Donation Drive begins (toiletries and household items, only)
February 5: Open House Community Mtg 1 5:30-7:30pm Woodland ES
February 6: Open House Community Mtg 2 5:30-7:30pm Woodland ES
February 12-16: CT Make A Wish Week/ Spirit Week
February 19 and 20: NO SCHOOL
February 20: ALT P.A.S.S. mtg 6pm CLC

Altitude Community,

Thank you from the bottom of our hearts for your generous donations and gifts for our Panther Partners Gift Drive. Due to your generosity, forty-nine of our families were able to have the items they needed for winter break and/or to celebrate any holidays. We are forever grateful for our partnership!

Thank you,

Polton Community

Courtney Blume, Assistant Principal

PLEASE HELP US SUPPORT MAKE-A-WISH!

This week, we started collecting money for the Cherokee Trail High School Make-A-Wish/Coins for Kids fundraiser! Each year, CTHS and its feeder schools raise money to support the Make-A-Wish Foundation to help make a critically ill child's wishes come true. Please see information about sweet Jade below! All the money raised will go towards the Make-A-Wish program. Every quarter that our students turn in will earn them a raffle ticket. We also have Wish Kits (t-shirt, wristband, sticker, tattoo, and 40 raffle tickets) for sale [HERE](#). Please note that raffle tickets are for students grades K-5 only. Raffle winners will be drawn to accompany Mr. Schleich and Ms. Kimpton to lunch and the CTHS Make-A-Wish Assembly on February 16th (families of winning students would need to be able to pick up their student after school at approximately 3:30pm). A student from each grade level (K-5) will be chosen. Thank you for helping us help others, and for leading the way to make wishes come true!

CT Wish Week '24

February 12-16

We are so excited for you to join us in raising money for this year's Wish Kid! Every year at CT we partner with the Make-A-Wish Foundation to grant a kid's wish. This year we are granting Jade's wish, a 3-year-old girl battling cancer.

Jade's Wish:

Her wish is to be a princess at Bibbidi Bobbidi Boutique at Disney World!

Facts about Jade

- Her favorite colors are pink, purple, and red!
- She loves swinging at the park, playing tag, and arts and crafts!
- Most of all she LOVES Care Bears especially Cheer Bear!

Student Health and Wellness Reminders from CCSD Health Services Department

More information can be found at the Colorado Department of Public Health and Environment (CDPHE) School and Child Care Settings website [CDPHE](https://www.cdphe.state.co.us/schoolchildcare)

The best way to remain healthy and prevent illness from spreading is through *good handwashing habits* (washing hands for 20 seconds with soap and warm water after using the bathroom, blowing nose, sneezing/coughing, and before/after eating), getting vaccinated for preventable diseases, and staying home when sick!

Stay home when sick!

- If your student is not feeling well enough to take part in their usual activities due to illness symptoms, they should stay home.
- If your student needs to be picked up from school, have a plan in place to pick them up as soon as possible.

Fever

- Defined as a body temperature over 100.4° F.
- Students may return to school *after* being 24 hours fever-free without the use of fever-reducing medication such as Tylenol (acetaminophen) or Motrin/Advil (ibuprofen).

Vomiting/Diarrhea

- Students may return to school 24 hours *after* the last episode of vomiting or diarrhea unless it is caused by an illness that requires them to stay home longer.
- If your student has a medical condition that causes them to have spit-up, reflux, or loose stools regularly, please work with your school nurse to develop a plan.

Cough

- Remind students to cough into their elbow; this helps keep the hands clean and decreases the spread of illness.
- If the cough is severe or uncontrolled, keep your student home
- If a cough lasts longer than two weeks, we encourage checking in with your healthcare provider.

Lice

- Signs of lice:
 - Itching of the scalp, presence of live lice, eggs attached to the hair shaft, or small pinpoint scabs at the base of the hairline.
 - If *live* lice are present, students may remain in school until the end of the school day; however, they cannot return until *after* receiving an approved pediculicide (lice) treatment per CDPHE guidelines.
- Reminder: lice is a nuisance and not a public health concern.
 - This means it is not a reportable infectious disease, as it does not spread disease.
 - It is *not* due to poor hygiene habits.
 - We do not send notification letters home to the school community when lice cases are present, unless directed by the public health department.
 - We do not perform routine classroom-wide lice checks.

Vaccines

- Many childhood/school-aged illnesses can be prevented by receiving routine vaccines. Talk with your student's healthcare provider or school nurse for more information.

Wishing all students, parents/guardians, and staff a healthy school year!

FROM SEPTEMBER 1, 2023 THROUGH AUGUST 31, 2024, YOUTH 19 AND UNDER CAN JUST HOP ON BOARD *

RTD is excited to welcome a future generation of transit users to experience all the benefits at no cost.

Zero Fare for Youth is a one-year pilot program that aims to enhance the lives of RTD customers and communities by reducing transportation costs for families.

By inviting youth ages 19 and under to ride the bus and train at no cost, we also remove barriers to education and employment, while creating access to destinations across the metro Denver region. If you're new to our system, check out our How to Ride video.

***What Do I Need to Show When I Ride?**

To ride at no cost as part of this program, you must be prepared to show one of the following to the bus operator or fare inspector: current school ID, valid government-issued ID, alien registration/permanent resident card, Military ID/dependent card with DOB, RTD-issued youth special discount card.
