October 9, 2020

A Message from Principal Schleich

Dear Moose Parents,

Fall break is here! Our students, staff and community have done a great job reinforcing the safety expectations that are allowing our students to stay in school. We continue to promote the importance of wearing a mask (over your nose too!), washing your hands frequently and physically distancing ourselves. These precautions have allowed us to stay in school during the first trimester and we now set our sights on winter break!

Typically, this time of year has many all school, community events. Our Trunk or Treat, Veterans Day Parade and Marvelous Moose Showcase will be different this year as we will not be able to have these amazing events in-person. We are still working on celebrating our students and veterans but in slightly different and more virtual ways. Stay tuned for more information regarding how these great activities will look as we move closer to winter break. (see inside)

I would like to thank our fantastic Altitude PTCO for their leadership around creating a safe, virtual fundraising opportunity for our students. Their great work and your unbelievable support helped Altitude reach our goal of having a one-to-one ratio of laptops to students much earlier than originally planned. We almost doubled our goal of $40,000 and even surpassed last year’s fall fundraiser total. On behalf of our staff and myself, thank you for your continued support of Moose Nation. We would not be able to create the learning atmosphere we envisioned for our students without your support! We are a great school community! Dream It, Believe It AND WE DID IT!

Lastly, I would like to thank all of you who virtually attended our first PTCO/Accountability General Meeting on Wednesday, October 7. We discussed the state of Moose Nation, PTCO fundraising efforts, growth and enrollment. We need your support as we look to accommodate the future growth of the south-east corner of the district! If you missed the meeting, please get an update from your neighbors.

Have a great fall break!

Scott

Altitude Elementary School
27300 E. Southshore Dr.
Aurora, CO 80016

Attendance: 720.886.4395
Main Office: 720.886.4300

Going Somewhere?
Help us decorate our Travel Tree!
If you see a fun ornament with the name of the place you traveled, bring it in and hang it on the tree outside the CLC.

Don’t forget to take Flat Mo Moose with you! He loves traveling, going to new places and just learning about your family and traditions! Share your photos HERE and/or HERE.
Download Flat Mo HERE

Altitude Elementary PASS Meeting

FALL BREAK TIME TRAVEL CHALLENGE
Drivers should not cross into the crosswalk until the last child has reached the opposite curb!

DRIVE THRU ONLY

Do not park or leave your vehicle in Kiss & Go lane! Use parking lot if you plan on leaving your vehicle.

DROPPING OFF LATE?

Go to the MAIN ENTRANCE, we will buzz you in to the FIRST set of doors where you will sign them in. Your student will go through the SECOND set of doors to check in with the front desk.**

Visitors are NOT allowed in the building.

**If you have a 1st grader, you will walk them to their cabin after you have signed them in.

PICKING UP EARLY?*

Call the main office at 720-886-4300 when you are in the parking lot to let us know who you are picking up.

*Please, NO picking up after 2:20pm.

Bring your ID and go to the MAIN ENTRANCE, we will buzz you in to the FIRST set of doors where you will sign them out.

Please wait in the vestibule for your student.

Visitors are NOT allowed in the building.

Thank you for your patience with our new process!

DINNER, 2 DRINK TICKETS/CASH BAR TO FOLLOW, DESSERT & DJ

Moose Auction Information
Altitude School Reminders

- Please do not drop student off in the left drive through lane. Only use the right kiss & go lane for drop off. Please pull all the way forward in the drop of lane to help the line move forward. We will be sending a map of our parking lot to provide a visual for our drop off and pick up process. If you need to walk your students into the building, please park in the parking lot and use the crosswalks. **DO NOT park and leave your vehicle in the kiss & go lane!**

- Please remember to use the crosswalks, especially in the front parking lot. There are two crosswalks at each end of the parking lot for your convenience and we typically have someone at each crosswalk to help you cross. **DO NOT cross in the middle of Titus or Southshore.**

- Students who are dropped off must go around to their grade level door UNLESS it is after 8:00 am. If a student is dropped off at or after 8:00am, please bring them in to the main entrance door and sign them in on the clipboard in the vestibule. The only exceptions to this rule are when the temperature is at or below 20 degrees or if there is a medical need.

- **-Masks are REQUIRED while on school grounds.**

- -Try to keep 6’ distancing while on school grounds.

- -Please do not bring your pets (dogs) on school grounds. I love dogs but we do have students who are allergic and students who have been attacked by dogs. Thank you for helping them stay and feel safe!

- -Please NO U-turns on Titus and Southshore.

- -You may now park against the curb on Titus!

- -Southshore is open to the east! You can turn right out of the Altitude parking lot.

- -Please walk bicycles and scooters on school grounds.

- -Create a plan for pick up. There will be a lot of traffic especially in the front lot. It may be wise to park along the Southshore curb to the east of the school parking lot and walk up.

- -Please send your student to school with a water bottle. We have had to shut down the drinking fountains for safety reasons.

- -Please do not pull into the BUS ONLY loop off Titus. This is for BUSES ONLY. Please stay on the sidewalk when walking around the bus loop and do not cross through the loop for your safety.

- **Safety is the number one goal of Altitude. Please remember to discuss Stranger Danger with your children so they know what to do when they are out in the neighborhood. If students do not feel safe, they are not able to maximize their learning potential. It takes the entire Altitude community to take care of and watch over our children.**

The better we do with the above safety precautions, the safer we will all be and the longer we can stay in school! Thank you for your help and support!

Thank you for your help!
