Dear Moose Families,

Spring Break is here! It is hard to believe we only have a couple months left of school. I know many of you are concerned over the Coronavirus or COVID 19. The Cherry Creek School District is closely monitoring the situation in our state and district and we are working closely with Tri-County Health to make sure we are in-line with state and county guidelines. We are currently making sure our students are washing their hands many times during the day and we are empha-
sizing how important it is to not touch your face (This is proving to be very difficult even for my-
selves). We are tracking all illnesses as a school and as a district of both students and staff. On

Thursday, the CCSD canceled large school gatherings until further notice. You may be aware
that this is a constantly changing situation and future events and activities may change or be ad-
justed in order to keep our community and students as safe as possible. We have many contin-
gency plans ready in case we need to adjust schedules and events. Please monitor your email
and possible phone messages, as this will be the fastest way for us to communicate if changes
need to be made.

Altitude is in the process of posting positions for the 2020-2021 school year. Our staff will con-
inue to grow as our student enrollment grows. We will be hiring a new teacher per grade level at
a minimum moving towards six teachers per grade level and seven teachers at first grade. Our
primary focus continues to be beginning the school year with lower class sizes that will help us
accommodate new students as they move into our attendance area. We are projected to be
around 850 students during the 2020-2021 school year. Although we will be the largest Cherry
Creek Elementary School, the systems and structures that we have in place will allow us to main-
tain our “small school” feel. Our K-5 alignment will continue to be the cornerstone of our high
expectations for all students.

Have a great, relaxing spring break and remember, “It’s a great day to be a Moose!”

Scott

WATCH D.O.G.S.
Dads of Great Students

WatchDOGS are fathers, grandfathers, uncles, and other father-figures who volunteer for at least one day each year at an official WATCH D.O.G.S. ® school. During the day, WatchDOGS may read and work on flash cards with students, play at recess, eat lunch with students, watch the school entrances and hallways, assist with traffic flow and any other assigned activities where they actively engage with not only their own students, but other students as well. On the day of their participation, WatchDOGS are given a brief review of their involvement and they wear an official WATCH D.O.G.S. ® t-shirt identifying them as WatchDOGS.
