

CCSD'S FREE EVENT **STREAM-A-PALOOZA**

APRIL 10, 2021

10 AM-2PM

A virtual event hosted by Cherry Creek Schools. Explore and share STEAM concepts to build inspiration for future projects.

REGISTER HERE: [STEAMAPALOOZACCSD.COM](https://steamapaloozaccsd.com)

ENGINEERING DESIGN CHALLENGES

Test design skills with a variety of challenges using simple materials.

REGISTER FOR SUPPLIES

Registration will open March 1-24. Supplies will be available for pick up the week of April 5th.

CODING GALLERY

Start a new coding challenge or share a project you've been working on.

STEAM IN ACTION

See how STEAM is used in real world applications

ROBOTICS SHOWCASE

Get a first hand view of Robotics programming in Cherry Creek Schools.

CARDBOARD CREATIONS

Invent and design with cardboard while other cardboard creators share their ideas.
