

Welcome to the Fox Hollow Family!

I am thrilled you will be joining our school family and look forward to welcoming you in person. At Fox Hollow, we embrace the paradigm that ALL MEANS ALL, and value the unique brightness each child brings with them. We know each member of our community is a leader, and look forward to helping them cultivate and utilize these skills for the benefit of all. Thank you in advance for your partnership and leadership which keeps our family strong and the best place for our children.

I look forward to our work together and will see you soon!

Kindergarten

The Cherry Creek School District Kindergarten Program is designed to provide a quality introduction to the world of formal education for the young child who is entering kindergarten. The program defines and establishes the skills, attitudes, and activities required to support and nurture the philosophical position of the District as it relates to early childhood education. The program has specific goals for meeting the needs of each child. These goals are listed below.

Every child will be...

- Welcomed and warmly received as an individual with unique needs and interests.
- Given an opportunity to learn through creative play.
- Encouraged to be self-directed.
- Involved in activities designed to develop the whole child.
- Allowed to explore, experiment, discover, problem solve, and make choices.
- Motivated to express ideas and emotions in a creative way.
- Provided with the tools and materials required for maximizing learning opportunities.
- Introduced to the reading, writing, and math concepts and skills that prepare students to reach proficiency in their academic program.

Parent Testimonials

“The kindergarten program at Fox Hollow inspires students academically, socially, and emotionally. Our son loves his teachers and is so excited for school each day! The kindergarten teachers go above and beyond for their students!”

“The KG program at Fox Hollow has exceeded our expectations! Our son loves his teachers and ‘playing’ with his friends. We love how much he is learning!”

About our program

Math

Kindergarten students acquire a foundation of mathematics by learning what numbers are, what they represent, and developing a language of mathematics.

Literacy

Kindergarten students learn to make sense of the alphabet and its function in reading. They work to understand the relationships between letters and the sounds that they make.

Science

Students are immersed in curriculum rich in life science, animal science, and earth science.

Communication

Kindergarten students learn to take turns in conversation, develop listening skills, and participate in shared reading and writing activities with leveled support.

Specials

Kindergarten students participate weekly in Physical Education (PE), Art, STEM, and Music instruction.

Check-In 2021-2022

All new and returning families will come to Fox Hollow at their assigned time for Check-In. During Check-In there will be an open house where students and parents can visit classrooms, meet teachers, and get information about after school clubs and our PTO.

Assessment Appointment

A kindergarten teacher will be in touch the week of Aug. 9th to let you know what date and time to bring your child to the school for an assessment.

Prior to attending check-in:

All families need to go to the Fox Hollow website at:

[foxhollow.cherrycreekschools.org](https://www.foxhollow.cherrycreekschools.org)

Go to the “Check-In” tab and enter/update information for each student.

Online Parent Forms:

Online parent forms contain information such as emergency contacts, medical information, the list of people allowed to pick up your child from school, and much more. These must be completed before your child attends his/her first day of class. After July 1st, please visit [my.cherrycreekschools.org](https://www.my.cherrycreekschools.org), click on “Create Parent Account” and follow the directions to register your child.

PTO:

Be sure to check out our PTO !
