GIRLS ON THE RUN COMMUNITY IMPACT PROJECT
On Friday, December 11th, this year's Mountain Vista Girls on the Run team put their charitable spirit to good use by collecting a cartful of donations for the pets at the Aurora Animal Shelter. Our girls donated household items, homemade dog treats, cuddle homes, pet blankets, and toys. The volunteers and pets at the shelter were overjoyed! Way to go, Mountain Vista Girls on the Run!!

NOTES FROM THE NURSE

• Getting a flu vaccine is more important this year than ever. Protect yourself, the people around you, and help reduce the strain on healthcare systems responding to the pandemic. Get your family immunized over Winter Break and be ready for a healthy return to in-person learning!

• Stay Safe and Home for the Holidays. Please review seasonal guidance and quick tips here, from Tri-County Health Department. http://www.tchd.org/826/Protect-Yourself-and-Others

• If anyone in your home becomes COVID positive, or if your student has close contact with someone who is COVID positive, please let the school nurse know immediately. Email astevens4@cherrycreekschools.org or call 720-393-2081.

Take care Mammoths, happy holidays, and see you soon!

3 TIPS FOR PARENTING THROUGH HOLIDAY STRESS

1. MAKE SPACE FOR BIG EMOTIONS

Encourage children to name what they are feeling about the holiday season.

Sadness about not getting to go to Grandma’s house might include feelings of longing to see relatives or worry that it may be many months before the next visit. Anger about not getting to take the annual family vacation might be tangled up with jealousy about what other kids are doing.

2. FOCUS ON GRATITUDE

Start an evening gratitude ritual: At the dinner table or during bedtime, ask each family member to share one thing they are grateful for from the day. Examples:

- I am grateful the four of us get to be together for the holiday.
- I am grateful that we will be able to exchange gifts.
- I am grateful we are making new traditions this year.

Take on a social media gratitude challenge together. Search for hashtags like #100daysofgratitude or #gratitudechallenge, or make up your own rules.

3. PRACTICE REFRAMING

Together with your child, practice finding better-feeling thoughts.

Instead of: We can’t do any of the things we usually do this holiday.

Say: We are going to make new traditions this year.

Holiday Season Safety Basics

Certain things can increase our risk of getting the virus and we should avoid going to places such as crowded stores, parties, and being in close contact with anyone outside your household. Stay virus-free by following the simple steps to protect each other:

1. Avoid in-person gatherings
2. Avoid unnecessary travel and plan stay at home activities
3. Stay 6 feet apart everywhere — indoors and outdoors
4. Stay home if around someone who is ill or if you have symptoms
5. Wear a mask
6. Wash hands often or use hand sanitizer
7. Avoid crowds by ordering groceries and gifts online
8. Take extra care for those at higher risk
