

We are excited to announce that Watch D.O.G.S. (Dads Of Great Students) program will be returning for the 2022/23 school year! We can't wait to welcome our fathers and father figures back to Mountain Vista again this year.

For anyone unfamiliar with the program, our MVE Watch D.O.G.S. join us for the day as volunteers. We create a custom schedule for each father, with the goal to have them able to spend some time in their student(s) classroom(s), out on the playground, in the lunchroom, and in other classrooms around the school. Each room might look different, but dads will spend the day playing games on the playground, assisting with math problems, reading books, engaging in scientific inquiry, or simply giving students high fives in the hallway. Each dad is provided with a Watch D.O.G.S. vest and schedule upon arrival and then will spend the rest of the day engaging with students around the school. Fathers will have their pictures taken with their student, and the picture will be posted on our Watch D.O.G.S. Hall of Fame in the front hallway of the school!

We have had overwhelming positive feedback from our students and staff in the past. We look forward to partnering with our fathers (and father figures) to continue the success of this valuable program.

Please use this [Sign-up Genius](#) to find a day to volunteer! Thank you for everything you do to make MVE great!

If you have any questions, please let me know.
