

Accountability

What and Why

September 14, 2023

What Is Accountability?

Part of Colorado's system for accrediting schools

- Brings all of our stakeholders to the table in order to
 - maximize every student's progress toward success
 - hold schools accountable for performance
 - recognize success and create plans for improvement
 - report to our community in a fair and balanced way

What Exactly Do We Do?

A continuous cycle of improvement

- Review school performance **Fall**
- Identify areas that need improvement **Fall**
- Make or revise plans for improvement **Fall**
- Monitor the implementation of those plans **Ongoing**
- Recommend priorities for spending school moneys **Spring**
- Increase parent engagement **Ongoing**

**How Does One Rate a
School?**

Quiz!

If you were selecting a commercial company to accredit schools, which would you choose?

- A. Yelp!
- B. Good Housekeeping Institute
- C. Consumer Reports

Consumer Reports

The screenshot displays the Consumer Reports website interface for washing machines. The page is titled "Washing Machines" and includes navigation tabs for "Overview", "Ratings & Reliability", "Recommended", and "Buying Guide". Below the navigation, there are filter buttons for "Type", "Price", "Brands", "Best For", "Features & Specs", and "Sort". The main content area shows a list of washing machines with their overall scores and performance indicators. The first machine is the LG WM3900HWA, which has an overall score of 87 and is CR Recommended. The second machine is the LG WM4000HWA, also CR Recommended, with an overall score of 87. The third machine is the LG WM3400CW, CR Recommended, with an overall score of 86. The fourth machine is the LG WM8900HBA, CR Recommended, with an overall score of 86. Each machine listing includes a "Shop" button and a "CR Smart Buy" badge. Performance indicators are shown as horizontal bars for Predicted Reliability, Washing Performance, Energy Efficiency, and Water Efficiency, all rated 5/5. The overall score is displayed in a green circle.
