

How does the Willow Creek PTO raise money?

The Willow Creek PTO holds an annual pledge drive to raise needed funds for the school. The pledge drive has been used for over 15 years - 100% of the funds go back into the school. **These pledge funds directly impact every student who attends WCE.**

Who should participate?

We ask for 100% participation in the pledge drive. The majority of the PTO's budgeted funds come from the pledge drive. We supplement these funds with optional and easy ways to help, and fun community events. These include Kings Soopers cards, Spirit Dinner Nights, Box Tops, Amazon Smile, and the Spring Carnival.

What does my pledge pay for?

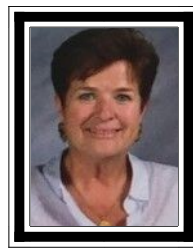

The majority of pledge funds are used to pay for the dedicated para-educator staff at WCE. These staff members provide invaluable time and support to teachers and students and are part of what makes WCE so great.

Paula Rae Brauer

Ellen Kushar

Buffy Krantz

Anita Sullivan

Cara Scheerer

What else does my pledge pay for?

- * iPads and laptops for students
- * Teacher grants
- * Magazine and software subscriptions
- * Grade-level funds
- * Outdoor improvements
- * Classroom supplies
- * School events
- * School equipment & furniture

How much should I pledge?

We ask that all families pledge a 100% tax deductible donation of \$145 per student. This donation allows the PTO to continue to pay the salaries of the para-educators and provide additional funds for classroom support, supplies, and school improvements. The pledge is not limited to this amount and any extra support is greatly appreciated.

Thank you for your support of the PTO pledge program. Willow Creek Elementary is an amazing school due to the people and programs that are supported by the Pledge Drive, which is so generously funded by wonderful supporters.
