

Dear Willow Creek Wildcats,

I am thrilled and honored to serve the Willow Creek Community as your Assistant Principal. I am passionate about education and look forward to partnering with you to provide a safe and caring environment that fosters opportunities for students to grow academically, socially, emotionally, and physically.

I received my undergraduate degree in NY and moved to Denver to pursue a Masters in Instruction and Curriculum with an emphasis in Special Ed. Since then I have returned to Grad school to study Administration and Policy Studies and CLDE. One of my biggest educational accomplishments has been becoming a National Board Certified teacher.

My educational career spans more than 20 years during which I have worn many hats. I've served as a classroom teacher, reading interventionist, instructional coach, and most recently an assistant principal.

Outside of school, my hobbies include running, biking, paddle boarding, skiing, and traveling. My husband Tom is an adventure travel specialist which has allowed us to travel to some fabulous places around the world. We have two amazing children that keep us busy and inspire us daily. Anney(Junior in HS) is a Varsity Cheerleader and Miles (8th grader) is a sports fanatic but his favorite sport to play is baseball.

I believe that one of the most important aspects of my work as Assistant Principal is building meaningful relationships with students, families, teachers, and the greater community. I am very eager to get to know all of you and your amazing children.

Sincerely,
Kelly Hynes
