Dear Altitude Elementary Kindergarten Families,

Welcome to Altitude Elementary School! We are very excited to welcome you to the kindergarten class of 2036. We cannot wait for you to experience the amazing school we have created and the incredible future that lies ahead over the next six years at Altitude Elementary!

We believe an elementary school should be an exciting, fun, and engaging place that sets the tone for our students' entire educational career. Altitude Elementary is a place that creates a sense of wonder and awe and we pride ourselves on offering many and varied educational experiences before, during and after school. We cannot wait for you to be part of our Moose family.

Altitude Elementary also offers a **Before and After School program (BAS)**. Our Mickey Moose Club is open from 6:30 am until 8:00 am and after school from 2:45 pm until 6:00 pm. More information will be available at our Kindergarten Orientation on May 9, 2023.

Our Kindergarten Orientation will take place on Tuesday, May 9 at 6:30 pm in our Altitude gym Our Kindergarten teachers, BAS director, school nurse, and PTCO will provide informational presentations. You will receive a packet of information which will provide a traditional school calendar, important dates, supply list, and a booklet of helpful information for parents and kindergarten students. Your child will have a chance to visit his/her teacher during the Welcome Day Appointments held at the beginning of school. Your child's teacher will contact you during the summer to schedule your appointment. The first day of school for your kindergartener is Wednesday, August 16. Please make sure to keep your contact information up-to-date on-line so that we can easily share school information updates with you.
