

Dear Meadow Point Students and Parents,

We hope this finds you well, healthy and adjusting to the change in lifestyle we are all facing during this uncertain time. Please tell your student hello for us - we will miss seeing them in person.

To us, the most important thing your child(ren) can be doing during this unprecedented time is to continue using their **imagination** and **creativity**.

Instead of sticking with the normal "specials schedule", **we would like your child(ren) to participate in all specials within a three week period**. Every three weeks we will add 1 additional lesson for each integrated arts class. It is our hope to be flexible and make this easy for all involved! We all will also have additional content resources if your child(ren) are craving more activities in a specific area. Below are our links to our websites, our emails and additional information. If you need any assistance, please reach out!

**Music:** Rachel Noble

Email: [rnoble@cherrycreekschools.org](mailto:rnoble@cherrycreekschools.org)

Website: <https://sites.google.com/cherrycreekschools.org/meadow-point-music/home>

More Info: Students should have received an invitation to join their music google classroom. On the invitation is a code to access the class. If your child(ren) did not receive this invitation via email, please email me and I will help with the class code. Music Ideas for April will give your child(ren) some activities to do as brain breaks or just to enjoy music. Students can post points and comments on the classroom home page.

**Art:** Alexandra McBride

Email: [amcbride8@cherrycreekschools.org](mailto:amcbride8@cherrycreekschools.org)

Website: [Kidsgetcreative.weebly.com](http://Kidsgetcreative.weebly.com) "Hand in" pictures of artwork: [seesaw.com](https://seesaw.com)

More info: If you can, please download seesaw to upload student artwork for me to view. Links to get to seesaw are under grade level tabs on my website. Please email me if you don't see your child's name when opening the link. In time I hope to use "google hangouts" with students to video message.

**STEAM:** Dustin Vick

Email: [dvick@cherrycreekschools.org](mailto:dvick@cherrycreekschools.org)

Website: [Mr. Vick's S.T.E.A.M. Room \(https://sites.google.com/cherrycreekschools.org/vick/home\)](https://sites.google.com/cherrycreekschools.org/vick/home)

More info: In STEAM class students in 2nd, 3rd, 4th, and 5th grade have used Google classroom with me to access information and to turn in work/projects. I will be creating videos to help to navigate this website for those that are new or just need a refresher.

**P.E:** Evan Norris

Email: [enorris4@cherrycreekschools.org](mailto:enorris4@cherrycreekschools.org)

Website: <https://sites.google.com/cherrycreekschools.org/norris-pe-classroom/home>

More Info: On my website students will be able to see weekly workouts that can be done with little to no equipment, indoor and outdoor movement games and activities students can play in small groups or as a family. I will also be posting sports science activities and experiments you can do independently or as a team. Students will also have access to a weekly activity log they can fill out using google forms.

Thank you!

- Your Integrated Arts Team
