

Dear 2022-2023 Kindergarten Families,

Welcome to the Pine Ridge Family, Class of 2035! We cannot wait to meet you and your children and we look forward to a wonderful year together. Please fill out this brief survey as soon as possible to help us get to know your child and place them in a kindergarten class: <https://forms.gle/5ZCJh6p8v5Ke8eDp7>

As parents of a kindergartner, we know you have many questions. In April, our virtual Parent Orientation link will be emailed to all registered families. Please view a video through this link to learn more about our program, meet our kindergarten teachers, and have all of your kindergarten questions answered. A virtual question and answer session with the kindergarten team will be held after that and the link will be provided in the Parent Orientation email that will be sent out in April.

We look forward to meeting you and your child in person at our Kindergarten Screening appointments, which will be held in August before the school year starts. Your child's kindergarten teacher will send you a welcome letter and a SignUp Genius for kindergarten screenings before the start of the school year. The first day of school for kindergarten students will be Wednesday, August 17th. Our kindergartners attend school Monday through Friday from 8:00 a.m.-2:45 p.m. On Wednesdays, school ends at 1:45.

We are so excited to meet you and your child and to get started on your child's elementary school adventure! We look forward to welcoming you and your child into our kindergarten family.

Sincerely,

The Pine Ridge Kindergarten Team
